James Gavin, Madeleine Mcbrearty

Free Spirit Manual:

Follow the Manual Wilton Broomes, 2017-06-07 He has now authored two books both of them self published and available at Xlibris The first is entitled An Anthology of Stories about My Family in which he relates some stories about his Caribbean history and his early days in America He was motivated to write the current volume Follow the Manual as he witnessed society's deviation from what is written in God's manual the Holy Bible and he wanted to help to bring about a change Although he might not get some people to change their opinions concerning some of the issues that he discussed in this book and about which they already seemed to have settled in their minds this book would at least provoke a reopening of debates on these topics and he believes the latter result would have accomplished a great portion of his intention May God bless you and open your hearts as you read this book **A Manual of Prayers and a Guide to the Christian Life** Morgan Dix, 1857
