## Free Spirit Treadmill Manual:

*Soul Workout* Janice Speddings, 2013-11-25 Using the words soul and workout in the same sentence may seem implausible and stretching artistic licence too far but in the *Soul Workout* book the improbable becomes believable and the only stretching to be done is metaphorical. An imaginary visit to the gym for a workout becomes a metaphor for the spiritual disciplines of Bible reading, prayer and contemplative reflection. Going to the gym may not be everybody's cup of tea but when the idea is transposed into the metaphor everyone can breathe a sigh of relief. Lycra and dumbbells will not be required. What is needed is a willingness to be open to prayer, spiritual reflection and a desire to look for creative ways to deepen your faith journey. This is what *Soul Workout* offers. By methodically guiding you through the metaphor Janice Speddings shows how different aspects of the gym have their spiritual counterpart so cardiovascular exercise is likened to time spent building a deeper relationship with God, the heart and life blood of the Christian faith while spiritual weight resistance exercise is seen as a way of learning to carry life's burdens with added strength and resilience. You need no previous experience of contemplative prayer as all the exercises are fully explained and offered at basic or advanced levels. Part 1 includes a helpful chapter for those with little or no experience of planning and running a group event while part 2 works through the metaphor step by step including spiritual reflections as exercises. Extra tips are offered for group leaders. Part 3 deals with hanging on to the feel good factor after the workout is finished. As a tried and tested metaphor this inspirational book provides a down to earth, easy to read resource for groups and individuals alike. An essential companion for your spiritual journey. **The Book of Life** Michael Sharp, 2004 Sharp presents the deep spiritual truths of creation and of this planet in an accessible direct and no nonsense format. **The Home**, 1857 **The Book of Light** Michael Sharp, 2006 The *Book of Light* shows you the complete truth about God, the universe and you. Within the grounded and elegant pages of this book you will find the answers to top level theological cosmological questions like what is the nature of God and consciousness, what is the nature of the physical universe, what is our highest purpose, what is our essential nature and more. If you ever thought that spiritual enlightenment required sacrifice, strength or years of effort, if you think that only the special, the chosen, the few, the evolved get to be enlightened, saved, go to heaven, if you think ego has anything to do with enlightenment at all, think again. Remember the simple and glorious truth of your divinity. Read *The Book of Light* and find the divinity within you. **Normal Instructor**, 1915 *The Speaker*, 1895 *Runner's World*, 1980 *The Current*, 1885 **The Prodigal Brother** Susan J. Thompson, 2010-04-30 Most people know the story Jesus told of the prodigal son, the child who demanded his inheritance and then threw it away, on wild living. But there were two sons in the story: the older son watched events unfold and told his father, 'I stayed with you all these years and you never threw a party for me.' Those who grew up in a family with a prodigal understand that cry. Sue Thompson shares her own story of struggle and hope in *The Prodigal Brother*. She offers ways to heal the ache of feeling second place in a parent's affections and attention and writes with sensitivity about forgiving a

wayward brother or sister without excusing the behavior Anyone who's ever been the good kid will find empathy and encouragement to unload the emotional baggage of growing up with a prodigal in the family Many of us grew up in families where one of our siblings was the favorite child either because that one did everything right in his parents' eyes or because he was so needy Whichever the case Sue Thompson gives practical suggestions from her own life experiences Whether you are the good one or the neglected one you will find fresh insight in this eye-opening book Florence Littauer Author of *Personality Plus* and *Silver Boxes* In the all-important arena of interpersonal relationships Sue's book is at the top of my all-time list It is that good and it is that important Ralph Harris LifeCourse Ministries Author of *Better Off Than You Think* .,1874
