Schor, 2014-08-19 Ads aimed at kids are virtually everywhere in classrooms and textbooks on the Internet even at slumber parties and the playground Product placement and other innovations have introduced more subtle advertising to movies and television

Companies are enlisting children as guerrilla marketers targeting their friends and families Even trusted social institutions such as the Girl Scouts are teaming up with marketers Drawing on her own survey research and unprecedented access to the advertising industry New York Times bestselling author and leading cultural and economic authority Juliet Schor examines how a marketing effort of vast size scope and effectiveness has created commercialized children Schor author of *The Overworked American* and *The Overspent American* looks at the broad implications of this strategy Sophisticated advertising strategies convince kids that products are necessary to their social survival Ads affect not just what they want to buy but who they think they are and how they feel about themselves Based on long term analysis Schor reverses the conventional notion of causality it s not just that problem kids become overly involved in the values of consumerism it s that kids who are overly involved in the values of consumerism become problem kids In this revelatory and crucial book Schor also provides guidelines for parents and teachers What is at stake is the emotional and social well being of our children Like Barbara Ehrenreich s *Nickel and Dimed* Mary Pipher s *Reviving Ophelia* and Malcolm Gladwell s *The Tipping Point* *Born to Buy* is a major contribution to our understanding of a contemporary trend and its effects on the culture *Free Stuff and Good Deals for Your Kids* Linda Bowman,2002 The completely revised 3rd edition of *Free Stuff Good Deals for Folks over 50* features goods and services that are either absolutely free or are such a fantastic deal they won t want to pass them up And best of all author and professional bargain hunter Linda Bowman shows them how to obtain their free gifts and incredible bargains quickly and easily This fact filled guide is packed with information on where to find Free Entertainment Incredible Travel Bargains Free Health Care Information Prescription Medicine Discounts Free Financial Investment and Tax Advice Free Educational Opportunities Sports Fitness and Exercise Bargains Free Magazines Newsletters Catalogs and Books Free Medicare and Insurance Information Organizations and Associations for Folks over 50 and much more **The Importance of Financial Literacy Among College Students** United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,2003 **Food Fears** Alison Blay-Palmer,2016-04-15 The industrial food system of the West is increasingly perceived as problematic The physical social and intellectual distance between consumers and their food stems from a food system that privileges quantity and efficiency over quality with an underlying assumption that food is a commodity rather than a source of nourishment and pleasure In the wake of various food and health scares there is a growing demand from consumers to change the food they eat which in turn acts as a catalyst for the industry to adapt and for alternative systems to evolve Drawing on a wealth of empirical research into mainstream and alternative North American food systems this book discusses how sustainable grass roots local food systems offer a template for meaningful individual activism as a way to bring about change from the bottom up while at the same time creating pressure for policy changes at all levels of government This movement signals a shift away from market economy principles and reflects a desire to embody social and ecological values as the foundation for future growth *Writer's Guide to Book Editors, Publishers, and Literary Agents, 2003-2004* Jeff

Herman,2002 *The Key to Unlocking Your Writing Success* This ultimate writer s reference connects you to who s who in the publishing industry Inside you ll find the names addresses phone numbers and e mail and Web addresses for hundreds of top editors and agents plus essays from industry insiders who reveal the secrets to big time success With the most up to date information on an industry that s constantly changing this new edition offers everything you need to get past the slush piles and into the hands of the real players in the publishing field including how to write attention grabbing book proposals and thrive off rejection Now you hold the keys to getting published
