Capitalism Thomas Klikauer,2022-01-01 This book argues that media and capitalism no longer exist as separated entities and posits three reasons why one can no longer exist without the other Firstly mass media have become indispensable to capitalism due to the media s ability to sell the commodities of mass consumerism Media capitalism also creates pro capital attitudes among a target population and establishes an ideological hegemony Thirdly media capitalism provides mass deception to hide the pathologies of capitalism which include mass poverty rising inequalities and the acceleration of global warming To illuminate this the book s historical chapter traces the emergence of media capitalism Its subsequent chapters show how media capitalism has infiltrated the public sphere society schools universities the world of work and finally democracy The book concludes by outlining how societies can transition from media capitalism to a post media capitalist society **Research Abuse**

Associate Professor Ralf Sundberg,2020-10-19 In his book Research abuse how the food and drug industries pull the wool over your eyes Ralf Sundberg discusses questions regarding research in Nutrition from a biological social and economic perspective Today we understand that nutrition is not firstly to provide fuel but more importantly to provide building blocks for the renewal of our cells and tissues But nutritional science has from the fifties and on been surrounded by myths and misinterpretations of the prevalent data Policies and recommendations were formed in the absence of evidence often by experts tied to commercial and political interests In this book Dr Sundberg uses the examples of fat and cholesterol not only to illustrate historical mistakes in this area but also to demonstrate how we humans are subject to so many biases in so many areas In fact researchers as all humans are formed by emotions group thinking hope of success fears of many kinds which many times leads to misconceptions when put on print and regarded as facts and live on for decades Ralf Sundberg a former general and transplant surgeon conducted a remarkable career with transplant pioneers Folkert O Belzer at UW Madison in the mid eighties and with Thomas E Starz at the University of Pittsburgh in the early nineties Having retired from clinical work apart from book writing he is still active in research on diabetes fats and cholesterol He is the author of more than forty scientific papers many published in high ranked journals and has authored a number of books published in Sweden and Norway This is his first book to be published in English **Freedom**

Odysseus and the Isle of Illusions Sebastian Hale, 2025-04-14 In Odysseus and the Isle of Illusions embark on a breathtaking journey alongside the legendary hero whose name echoes through the annals of time Restless in Ithaca where the shadows of his past triumphs loom large Odysseus is compelled to set sail on a final voyage driven by an insatiable longing for adventure and a deeper

understanding of his own soul What awaits him is not merely a test of strength but a profound exploration of temptation memory and the enduring pull of home As the wine dark sea unfurls beneath his vessel Odysseus finds himself drawn to a mysterious island its shores glistening with the allure of an illusionary paradise Here the winds whisper secrets of forgotten dreams and lost loves ensnaring the hearts of men with seductive promises of bliss Yet within this enchanting realm lies a dark enchantment a force that threatens to erase all recollection of his beloved Ithaca and the family he holds dear As Odysseus grapples with the seductive allure of forgetting he finds guidance in the familiar voices of the past His steadfast wife Penelope remains anchored in his heart her unwavering faith a beacon against the tempest of longing Their son Telemachus who has grown in his father's absence embodies the hope of a future filled with promise yet shadowed by the specter of lost time And in the wings the ever watchful Athena goddess of wisdom and the tempestuous Poseidon god of the sea weave their own threads of fate influencing Odysseus's path as he navigates the treacherous waters of desire and memory As he confronts the illusions that threaten to ensnare him Odysseus must summon all his cunning and resolve to reclaim his identity and the love that awaits him back home With lyrical prose and a reflective tone *Odysseus and the Isle of Illusions* captures the wonder of new lands and the aching nostalgia for what has been lost This epic tale invites readers to ponder the lengths one will go to preserve their essence against the seductive pull of a forgotten paradise Will Odysseus succumb to the enchanting promises of the isle or will he chart a course back to the heart of what truly matters Join him on this odyssey that is as much about the journey within as it is about the voyage across the sea
