AUTHOR OF THE COURAGE TO CREATE

FREEDOM AND DESTINY

"I have never come away from a book by Rollo May without a feeling that the game of life is worth the candle, or without an added increment of faith in the ability of human beings to be equal to their problems."

Freedom And Destiny Norton Paperback:

Freedom and Destiny Rollo May, 1999-01-17 The popular psychoanalyst examines the continuing tension in our lives between the possibilities that freedom offers and the various limitations imposed upon us by our particular fate or destiny May is an existential analyst who deservedly enjoys a reputation among both general and critical readers as an accessible and insightful social and psychological theorist Freedom's characteristics fruits and problems destiny's reality death and therapy's place in the confrontation between freedom and destiny are examined Poets social critics artists and other thinkers are invoked appropriately to support May's theory of freedom and destiny's interdependence Library Journal Especially instructive even stunning is Dr May's willingness to respect mystery There is too at work throughout the book a disciplined yet relaxed clinical mind inclined to celebrate what Flannery O'Connor called mystery and manners and to do so in a tactful meditative manner Robert Coles America

An Introduction to Theories of Personality Robert B. Ewen, 2014-01-21 This 7th Edition helps students unravel the mysteries of human behavior through its highly readable introduction to the ideas of the most significant personality theorists Engaging biographical sketches begin each chapter and unique capsule summaries help students review key concepts Theories come alive through the inclusion of quotations from the theorists writings and numerous applications such as dream interpretation psychopathology and psychotherapy Significant changes in the 7th edition include an extended discussion of the practical applications of personality theory with an emphasis on guidelines that can help people increase their self knowledge make better decisions and live more fulfilling lives Fictionalized but true to life examples illustrating the perils of inadequate self knowledge include college students parents terrorists business executives and politicians while other examples show the positive outcomes that can result from a better understanding of one's unconscious This 7th edition also includes a more extensive discussion of how a lack of self understanding caused difficulties for such noted theorists as Freud and Erikson and a new section that explains how behavior can be strongly influenced by the situation as well as by one's personality Finally a new interactive web site provides practice test questions and other topics of interest
