Freedom And Purpose An Introduction To Christian Ethics

J. Daryl Charles

Freedom And Purpose An Introduction To Christian Ethics:

Freedom & Purpose Robert Gascoigne,1993 Freedom and Purpose is a contemporary introduction to Christian ethics in the Roman Catholic tradition Christian ethics is presented as a distinctive contribution to a universally human task grounded in the love of God revealed in Christ and deriving its distinct contours and motivation from the shape of Christian revelation

Freedom and Purpose Robert Gascoigne,2004 Freedom and Purpose is a contemporary introduction to Christian ethics in the Roman Catholic tradition Christian ethics is presented as a distinctive contribution to a universally human task grounded in the love of God revealed in Christ and deriving its distinct contours and motivation from the shape of Christian revelation from back cover

An Introduction to Christian Ethics Roger H Crooks,2015-10-02 This book is a college level introductory textbook in Christian ethics It introduces the field of ethics and a variety of approaches to its study The book is written for college students and is designed to help them develop a method of dealing with the thorny moral issues

Ethic of Christian Freedom and Discipleship Ronald R. Ray,2023-03-27 Ethics of Christian Freedom and Discipleship is written for teachers and students of Christian ethics within the English speaking world It demonstrates the basis of Christian ethics in Christian theology Twenty nine years ago before leaving the Nigerian theological college where the author had been teaching Between Two Worlds An Ethic of Christian Freedom was privately printed In Kenya at what became St Paul s University the author primarily used copies of this book for eleven years of teaching Christian ethics Ethics of Christian Freedom and Discipleship manifests continuity with the author s earlier book but is a distinctly different work

Growing Young Leaders Donald Smith,2025-02-14 This book fills in gaps in research on leadership development programs for youth through taking the opportunity to research a long standing leadership development program for young men that has evidenced some success The research question was What factors contribute to the apparent success of the Boys Brigade leadership program Using a grounded theory methodology the program was examined through the lenses of communitas liminality servant leadership masculine spirituality rites of passage and wilderness Research findings are that program is characterized by its uniqueness and the final theory that emerged identified the importance for youth ministry of acceptance imperfection and freedom and empowerment within an overarching spiritual dimension evidenced throughout the study most remarkably through the positive response to worship Staff factors were also critical including the description of the staff team as being multi generational non hierarchical and servant led not placing a high value on differentiation of status and allowing a seamless transition of course graduates into staff roles

Studies ,1994 An Irish quarterly review

System of Christian Ethics Isaak August Dorner,August Dorner,August Johannes Dorner,1887

Jacques Ellul Jacob E. Van Vleet,Jacob Marques Rollison,2020-04-13 Jacques Ellul 1912 1994 was Professor of the History and Sociology of Institutions at the University of Bordeaux A sociologist historian and Protestant lay theologian Ellul is primarily known for his writings on technology propaganda and Christian anarchism He influenced a wide array of thinkers including Ivan Illich William

Stringfellow Thomas Merton Paul Virilio and Neil Postman In this book Jacob Van Vleet and Jacob Marques Rollison guide readers through Ellul's most influential theological and sociological writings By understanding Ellul's primary works readers will be able to clearly grasp his social theory and theological ethics profiting from his deep insight and prophetic wisdom

Faith and Freedom David Neville, Philip Matthews, 2003 Australian Christians like Christians in many societies live in a pluralistic culture This makes the issues of faith freedom and their interrelationship all the more critical In a pluralist context Christian faith and freedom must be expressed and embodied in a coherent rather than discordant way The authors of these reflections on key ethical concerns represent the Anabaptist Anglican Baptist Lutheran Methodist Presbyterian Roman Catholic and Uniting Church traditions yet there is a harmony within this plurality of theological and ecclesiological voices Contributors include John Howard Yoder Charles Birch Stanley Hauerwas and Thorwald Lorenzen **The Concept of**

Freedom in Judaism, Christianity and Islam Georges Tamer, Ursula Männle, 2019-08-19 The third volume of the series Key Concepts of Interreligious Discourses investigates the roots of the concept of freedom in Judaism Christianity and Islam and its relevance for the present time The idea of freedom in terms of personal freedoms which include freedom of conscience freedom of speech and bodily integrity is a relatively new one and can in some aspects get into conflict with religious convictions At the same time freedom as an emancipatory power from outer oppression as well as from inner dependencies is deeply rooted in Judaism Christianity and Islam It is still a vital concept in religious and non religious communities and movements The volume presents the concept of freedom in its different aspects as anchored in the traditions of Judaism Christianity and Islam It unfolds commonalities and differences between the three monotheistic religions as well as the manifold discourses about freedom within these three traditions The book offers fundamental knowledge about the specific understanding of freedom in each one of these traditions their interdependencies and their relationship to secular interpretations **Natural Law and Religious Freedom** J. Daryl Charles, 2017-07-20 Every

successive generation finds fresh reasons for the study of natural law Current interest in the natural law may well be due to a pervasive moral pessimism in the Western cultural context and wider contemporary geopolitical challenges Those geopolitical challenges result from two significant and worrisome global developments unprecedented violent persecution of religious minorities on several continents and a growing climate of secular hostility toward religious faith in Western societies Natural Law and Religious Freedom aims to address what is relatively absent from the literature by demonstrating the importance of natural law ethics in both establishing and preserving basic human rights of which religious freedom has pride of place Probing contemporary challenges to natural law thinking that are both internal and external to religious faith and examining the character and constitution of natural law ethics Natural Law and Religious Freedom will be of interest to theologians ethicists and philosophers as well as policy analysts politicians and activists who are concerned to anchor religious freedom and human rights policy considerations in an enduring way **Toward a Postmodern Ethic of Radical**

Freedom Darrell J. Wesley, 2023-09-08 *Toward a Postmodern Ethic of Radical Freedom* is one of the first if not the first to bring Cornel West and Michel Foucault together in a meaningful dialogue to formulate a postmodern ethic of radical freedom. This dialogue begins with the practical posture of West more specifically his notions of truth and reality and work then goes back to his more theoretical work to explore the same notions. As a project in constructive ethics, this book examines Cornel West's epistemology, notion of truth, and metaphysics notions of reality as foundational components for a postmodern ethic of radical freedom. These foundational components are then brought into a discursive conversation with aspects of Michel Foucault's archaeology and genealogy with a method called reconstruction. This reconstruction results in two important trajectories: radical ontology and radical epistemology, which become the pillars for a postmodern ethic of radical freedom. The last chapter of the book weaves together all components with the womanist work of Monica Coleman and Patricia Hill Collins as examples of this ethic of radical freedom. Practically speaking, this postmodern ethic of radical freedom serves as a platform to ensure transcendence so that all people, regardless of race, gender, or sexuality, can enjoy a flourishing and fulfilled life.

The Word of God in the Ethics of Jacques Ellul David W. Gill, 2022-06-30 *The Word of God in the Ethics of Jacques Ellul* originated in 1979 as one of the first PhD dissertations on the thought of French sociologist and theologian Jacques Ellul (1912-94), author of some sixty volumes on the nature and impact of modern technology and on Christian ethics. Ethicist David Gill studied with Ellul and devoted his own career to an exploration of how Jesus and Scripture can bring the Word of God to our contemporary world, especially to our work and technology. More recently, Jacques Ellul and the Bible: *Toward a Hermeneutic of Freedom*, edited by Jacob Marques Rollison Wipf Stock (2020), including an essay by David Gill, adds fresh insight to this critical topic.

Morality Truly Christian, Truly African Paulinus Ikechukwu Odozor C.S.Sp., 2014-11-15 Given the largely Eurocentric nature of moral theology in the history of the Roman Catholic Church, what will it take to invest the theological community in the history and moral challenges of the Church in other parts of the world, especially Africa? What is to be gained for the whole Church when this happens in a deep and lasting way? In this timely and important study, Paulinus Ikechukwu Odozor brings greater theological clarity to the issue of the relationship between Christianity and African tradition in the area of ethical foundations. He also provides a constructive example of what fundamental moral theology, done from an African and Christian, especially Catholic, moral theological point of view, could look like. Following a brief history of the development of African Christian theology, Odozor examines responses of African theologians to African tradition and Christian responses to the reality of non-Christian religions. In a context where the African religious experience and heritage are powerful sources of meaning and identity, Christian evangelization raises questions both about the African primal religions and about Christianity itself and its claims. Odozor takes up the subject of moral reasoning in an African Christian theological ethics and concludes with case studies that show how the African Church has tried to inculturate moral discourse on a religiously pluralistic continent and relate the healing gospel message to African situations. Students and

scholars of moral theology and ethics and church leaders will profit from the issues raised in *Morality Truly Christian Truly African* **Christianity and Freedom: Volume 1, Historical Perspectives** Timothy Samuel Shah, Allen D.

Hertzke, 2016-04-26 In Volume 1 of *Christianity and Freedom* leading historians uncover the unappreciated role of Christianity in the development of basic human rights and freedoms from antiquity through today These include radical notions of dignity and equality religious freedom liberty of conscience limited government consent of the governed economic liberty autonomous civil society and church state separation as well as more recent advances in democracy human rights and human development Acknowledging that the record is mixed scholars document how the seeds of freedom in Christianity antedate and ultimately undermine later Christian justifications and practices of persecution Drawing from history political science and sociology this volume will become a standard reference work for historians political scientists theologians students journalists business leaders opinion shapers and policymakers **Christos Yannaras** Andreas

Andreopoulos, Demetrios Harper, 2018-09-03 Christos Yannaras is one of the most significant Orthodox theologians of recent times The work of Yannaras is virtually synonymous with a turn or renaissance of Orthodox philosophy and theology initially within Greece but as the present volume confirms well beyond it His work engages not only with issues of philosophy and theology but also takes in wider questions of culture and politics With contributions from established and new scholars the book is divided into three sections which correspond to the main directions that Christos Yannaras has followed philosophy theology and culture and reflects on the ways in which Yannaras has engaged and influenced thought across these fields in addition to themes including ecclesiology tradition identity and ethics This volume facilitates the dialogue between the thought of Yannaras which is expressed locally yet is relevant globally and Western Christian thinkers It will be of great interest to scholars of Orthodox and Eastern Christian theology and philosophy as well as theology more widely Freedom of Religion and Religious Pluralism Md. Jahid Hossain Bhuiyan, Carla M. Zoethout, 2023-03-20 Religious pluralism is an important aspiration of contemporary societies meaning that religious diversity is permitted and everyone has the freedom of religion or belief or not to believe The peaceful coexistence of people of a myriad of faiths is indispensable for securing peace in the modern era of political upheaval and economic dissonance This book brings together a variety of religious and non religious perspectives on religious pluralism It explores the key philosophical and legal issues associated with religious freedom and social harmony *Freedom of Religion and Religious Pluralism* intends to serve as a valuable resource for scholars specialising in religion citizenship and migration studies It will also act as a reference for courses on law religion and human rights *To Will and To Do Vol I* Jacques Ellul, 2023-01-01 In *To Will and To Do* twentieth century French thinker Jacques Ellul presented his landmark theological contribution yet the full text has never before been available in English Incorporating recent insights on Ellul and benefitting from the discovery of a lost manuscript this new publication remedies this combining a fresh translation of Volume One with a first English translation of Volume Two Together the two volumes

constitute the first part of Ellul's planned four part treatment of Christian ethics In Volume One Ellul examines the origin of the problem of Good and Evil surveys the contemporary morality of Western society and provocatively sketches the paradox of an impossible and yet necessary Christian ethics In Volume Two he carries this discussion forward outlining the characteristics and conditions of Christian ethics and analysing the relationship between ethics the legal texts of the Bible and dogmatic theology He concludes by reimagining the theological use of the analogy of faith for scriptural interpretation Throughout Ellul remains in dialogue with Karl Barth Dietrich Bonhoeffer Paul Ricoeur and others helping to cement *To Will and To Do* as a major intervention in twentieth century theological ethics

Catholicism and Religious Freedom Kenneth L. Grasso, Robert P. Hunt, 2006-10-19 The late Pope John Paul II frequently invoked *Dignitatis Humanae* as one of the foundational documents of contemporary Church social teaching In this timely new edited collection *Catholicism and Religious Freedom* Contemporary Reflections on Vatican II's Declaration on Religious Liberty Kenneth L. Grasso and Robert P. Hunt have assembled an impressive group of scholars to discuss the current meanings of one the Vatican's most important documents and its place in the Church *Dignitatis Humanae* understands itself as bringing forth new things that are in harmony with the old Today forty years after its publication the precise nature of these new things and their relationship to the old remain among the most important pieces of unfinished business confronting Catholic social thought The theological issues brought forth in *Dignitatis Humanae* go to the heart of the contemporary debate about the nature foundation and scope of religious liberty Here the contributors to this volume give these considerations the serious and sustained attention they deserve

Jazz and Christian Freedom Bradley K. Broadhead, 2018-12-21 Contemporary Western society has a strange relationship with freedom Unbridled subjective liberty and narrow fundamentalism pull away from each other in mutual loathing while sociological forces seek to manipulate both sides The church needs to recover and reconstruct a theology of freedom to navigate between the perils of both extremes and to avoid being manipulated by these forces Just as biblical figures are taught through parables and metaphors this book uses jazz improvisation as an analogy for Christian freedom Just as jazz improvisation relies on successfully navigating constraints such as the history and traditions of jazz jazz theory and musical instruments so Christian freedom also relies on constraints such as the biblical canon church history theology and the church itself Through understanding the freedom jazz musicians enjoy in making music together we can better understand how Christian freedom might be enacted in daily life If Western churches discover and enact Christian freedom in a meaningful way the songs that they improvise will be as siren calls to people in chains

The Enigmatic Realm of **Freedom And Purpose An Introduction To Christian Ethics**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Freedom And Purpose An Introduction To Christian Ethics** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.
