Freedom Loyalty Dissent Steele Commager:

Freedom, Loyalty, Dissent Henry Steele Commager, 2015-01-01 Collected essays that expound on freedom in all forms as a necessity for national and human prosperity *Henry Steele Commager* Neil Jumonville, 2003-07-11 Historian Henry Steele Commager 1902 1998 was one of the leading American intellectuals of the mid twentieth century Author or editor of more than forty books he taught for decades at New York University Columbia University and Amherst College and was a pioneer in the field of American studies But Commager's work was by no means confined to the halls of the university a popular essayist lecturer and political commentator he earned a reputation as an activist for liberal causes and waged public campaigns against McCarthyism in the 1950s and the Vietnam War in the 1960s As few have been able to do in the past half century Commager united the two worlds of scholarship and public intellectual activity Through Commager's life and legacy Neil Jumonville explores a number of questions central to the intellectual history of postwar America After considering whether Commager and his associates were really the conservative and conformist group that critics have assumed them to be Jumonville offers a reevaluation of the liberalism of the period Finally he uses Commager's example to ask whether intellectual life is truly compatible with scholarly life *Dissenting Voices in American Society* Austin Sarat, 2012-01-31 *Dissenting Voices in American Society* The Role of Judges Lawyers and Citizens explores the status of dissent in the work and lives of judges lawyers and citizens and in our institutions and culture It brings together under the lens of critical examination dissenting voices that are usually treated separately the protester the academic critic the intellectual and the dissenting judge It examines the forms of dissent that institutions make possible and those that are discouraged or domesticated This book also describes the kinds of stories that dissenting voices try to tell and the narrative tropes on which those stories depend This book is the product of an integrated series of symposia at the University of Alabama School of Law These symposia bring leading scholars into colloquy with faculty at the law school on subjects at the cutting edge of interdisciplinary inquiry in law **Loyalty in America** John H. Schaar, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1957 **Dissent in Dangerous Times** Austin Sarat, 2010-02-22 *Dissent in Dangerous Times* presents essays by six distinguished scholars who provide their own unique views on the interplay of loyalty patriotism and dissent While dissent has played a central role in our national history and in the American cultural imagination it is usually dangerous to those who practice it and always unpalatable to its targets War does not encourage the tolerance of opposition at home any more than it does on the front if the War on Terror is to be a permanent war then the consequences for American political freedoms cannot be overestimated *Dissent in Dangerous Times* examines the nature of political repression in liberal societies and the political and legal

implications of living in an environment of fear This profound incisive at times even moving volume calls upon readers to think about and beyond September 11 reminding us of both the fragility and enduring power of freedom Nadine Strossen President American Civil Liberties Union and Professor of Law New York Law School Contributors to this volume Lauren Berlant Wendy Brown David Cole Hugh Gusterson Nancy L Rosenblum Austin Sarat Loyalty Eric Felten,2011-04-26 A witty provocative story filled inquiry into the indispensable virtue of loyalty a tricky ideal that gets tangled and compromised when loyalties collide as they inevitably do but a virtue the author a prizewinning columnist for The Wall Street Journal says is as essential as it is impossible Felten illustrates the push and pull of loyalties from the ancient Greeks to Facebook with stories and scenarios in which conflicting would be moral trump cards trap the unlucky in painful ethical dilemmas The foundation of our greatest satisfactions in life loyalty also proves to be the root of much misery Can we escape the excruciating predicaments when loyalties are at loggerheads Can we avoid betraying and being betrayed When looking for love and friendship the things that make life worthwhile we are looking for loyalty Who can we count on And who can count on us These are the essential and uncomfortable questions loyalty poses Loyalty and betrayal are the stuff of the great stories that move us Agamemnon Huck Finn Brutus Antigone Judas When is loyalty right and when does the virtue become a vice As Felten writes in his thoughtful and entertaining book loyalty is vexing It forces us to choose who and what counts most in our lives from siding with one friend over another to favoring our own children over others It forces us to confront the conflicting claims of fidelity to country community company church and even ourselves Loyalty demands we make decisions that define who we are *The People of the State of New York against Thomas Kancar* Harry G. Political Repression in Modern America from 1870 to 1976 Robert Justin Goldstein,2001 Enhanced with a new introduction and an updated bibliography Political Repression in Modern America remains an essential record of the relentless intolerance that suppresses radical dissent in the United States **Anti-Communism in Twentieth-Century America** Larry Ceplair,2011-10-05 This compelling critical analysis of anti communism illustrates the variety of anti Communist styles and agendas thereby making a persuasive case that the threat of domestic communism in Cold War America was vastly overblown In the United States today communism is an ideology or political movement that barely registers in the consciousness of our nation Yet merely half a century ago communist was a buzzword that every citizen in our nation was aware of a term that connoted traitor and almost certainly a characterization that most Americans were afraid of Anti Communism in Twentieth Century America A Critical History provides a panoramic perspective of the types of anti communists in the United States between 1919 and the collapse of the Soviet Union It explains the causes and exceptional nature of anti communism in the United States and divides it into eight discrete categories This title then thoroughly examines the words and deeds of the various anti Communists in each of these categories during the three Red Scares in the past century The work concludes with an unapologetic assessment of domestic anti communism This book allows readers to more fully comprehend what the anti communists meant with their rhetoric and grasp their impact on the United States during the 20th century and beyond for example how anti communism has reappeared as anti terrorism **Belonging** Maria Montserrat Guibernau i Berdún,2013-09-03 It is commonly assumed that we live in an age of unbridled individualism but in this book Montserrat Guibernau argues that the need to belong to a group or community is a pervasive and enduring feature of modern social life **McCarthyism** Jonathan Michaels,2017-04-21 In this succinct text Jonathan Michaels examines the rise of anti communist sentiment in the postwar United States exploring the factors that facilitated McCarthyism and assessing the long term effects on US politics and culture McCarthyism The Realities Delusions and Politics Behind the 1950s Red Scare offers an analysis of the ways in which fear of communism manifested in daily American life giving readers a rich understanding of this era of postwar American history Including primary documents and a companion website Michaels text presents a fully integrated picture of McCarthyism and the cultural climate of the United States in the aftermath of the Second World War *The New York Intellectuals Reader* Neil Jumonville,2013-10-31 In the

early 1930 s in a small alcove at City College in New York a group of young passionate and politically radical students argued for hours about the finer points of Marxist doctrine the true nature of socialism and whether or not Stalin or Trotsky was the true heir to Lenin These young intellectuals went on to write for and found some of the most well known political and literary journals of the 20th century such as The Masses Politics Partisan Review Encounter Commentary Dissent and The Public Interest Figures such as Daniel Bell Nathan Glazer Sidney Hook Susan Sontag Dwight MacDonald and Seymour Lipset penned some of the most important books of social science in the mid twentieth century They believed above all else in the importance of argument and the power of the pen They were a vibrant group of engaged political thinkers and writers but most importantly they were public intellectuals committed to addressing the most important political social and cultural questions of the day Here with helpful head notes and a comprehensive introduction by Neil Jumonville The New York Intellectuals Reader brings the work of these thinkers back into conversation

Freedom Loyalty Dissent Steele Commager Introduction

In today's digital age, the availability of Freedom Loyalty Dissent Steele Commager books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Freedom Loyalty Dissent Steele Commager books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Freedom Loyalty Dissent Steele Commager books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Freedom Loyalty Dissent Steele Commager versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Freedom Loyalty Dissent Steele Commager books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Freedom Loyalty Dissent Steele Commager books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Freedom Loyalty Dissent Steele Commager books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Freedom Loyalty Dissent Steele Commager books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Freedom Loyalty Dissent Steele Commager books and manuals for download and embark on your journey of knowledge?
