Freeing Theology The Essentials Of Theology In Feminist Perspective:

Freeing Theology Catherine M. Lacugna, 1993-12-24 This exciting collection brings together ten of the most respected women theologians today Anne E Carr Lisa Sowle Cahill Sandra M Schneiders Mary Catherine Hilkert Mary E Hines Mary Aquin O'Neill Joann Wolski Conn Catherine Mowry LaCugna Susan A Ross and Elizabeth A Johnson for the comprehensive introduction to each area of contemporary theology from a feminist perspective

The Cambridge Companion to Karl Rahner Declan Marmion, Mary E. Hines, 2005-06-16 Karl Rahner 1904-84 was one of the most significant theological voices of the twentieth century For many his theology has come to symbolise the Catholic Church's entry into modernity Part of his enduring appeal lies in his ability to reflect on a whole variety of issues in theology and spirituality and concentrate this plurality into a few basic convictions This Cambridge Companion provides an accessible introduction to the main themes of Rahner's work Written by an international array of experts it will be of interest to both students and scholars alike Each chapter serves as a guide to its topic and recommends further reading for additional study The contributors also assess Rahner's significance for contemporary theology by bringing his thought into dialogue with many current concerns including religious pluralism spirituality postmodernism ecumenism ethics and developments in political and feminist theologies

Being Spiritual while Doing Research Volker Kessler, Marilyn Naidoo, Tanya van Wyk, Philipp Wenk, Although the topic of spirituality has been experiencing a renaissance since the end of the previous century it is not always associated with academic activities The book invites scholars from all fields to rethink this traditional divide between knowledge and spirituality offering fresh perspectives on how the two can coexist and enhance each other Twenty nine authors from across the world illustrate how scholarly pursuits in various disciplines can be deeply spiritual journeys

The Blackwell Companion to Modern Theology Gareth Jones, 2008-04-15 In this major reference work a team of the world's leading theologians provides a powerful overview of modern theology Covers theology's relation to other disciplines the history of theology major themes key figures and contemporary issues Can be used as the basis for an introductory course or as an essential reference source

Women in Catholic Higher Education Sharlene Nagy Hesse-Biber, Denise Leckenby, 2003-01-01 Delving into discourse traditionally silenced by the Catholic hierarchy this edited collection observes the ways in which patriarchal structures often hinder women's advancement within Catholic institutions of higher learning The contributors describe their own conflicts and successes in their attempts to negotiate their academic careers and personal lives in the context of the clash between secular and Catholic patriarchal values The contributors suggest concrete steps toward social justice for women who teach and work in Catholic higher education

Worship and Christian Identity E. Byron Anderson, 2017-04-21 *Worship and Christian Identity* argues that sacramental and liturgical practices are the central means by which a church shapes the faith character and consciousness of its members Consequently for any church to set aside such practices as outdated or irrelevant is to set aside the means by which the church nurtures and sustains its theological

identity From this perspective Anderson explores the following questions What is the relationship between worship and belief What is the relationship between corporate worship and the formation of Christian persons and communities What is the relationship between worship and our knowledge of ourselves our world and God How might our attention to the reform and renewal of worship and sacramental practice provide a framework for theological evangelical and sacramental renewal Questions of sacramental practice inclusive or transformative language and the renewal of congregational hymnody have been largely displaced by marketing questions and conflicts between traditional and contemporary worship The hour of worship is subdivided now into increasingly specialized target audiences of singles seekers boomers and X ers with worship carefully packaged as traditional or contemporary What at various points has been understood as a means of grace is now seen primarily as a means of numerical growth Missing in the conflict between traditional and contemporary worship is significant discussion of what is at stake for the identity of Christian persons and communities in the shape and practice of worship Perhaps more surprising discussion of the theological shape and practice of worship also has been absent in discussions concerning theological standards These absences suggest that for many in the church today worship is a means for expressing a community s belief but has little to do with the shape and character of that belief The assumption that worship is only or primarily a pragmatic means for expressing a community s belief stands in sharp contrast to the Christian tradition This assumption also contrasts with the insights provided by recent work in ritual studies psychology and faith development Worship and Christian Identity is an important book for faculty and students in seminary and graduate programs in liturgical studies and religious education particularly those interested in the relationships between liturgical studies and practical theology ritual studies and liturgical theology as well as the role of worship in Christian formation Chapters are Making Claims About Worship Worship as Ritual Knowledge Worship as Ritual Practice Trinitarian Grammar and the Christian Self Trinitarian Grammar and Liturgical Practice and A Vision of Christian Life **The Blackwell**

Companion to Catholicism James J. Buckley, Frederick C. Bauerschmidt, Trent Pomplun, 2008-04-15 The Blackwell Companion to Catholicism offers an extensive survey of the history doctrine practices and global circumstances of Roman Catholicism written by a range of distinguished and experienced Catholic writers Engages its readers in an informed and informative conversation about Roman Catholic life and thought Embraces the local and the global the past and the present life and the afterlife and a broad range of institutions and activities Considers both what is distinctive about Catholic life and thought and how Catholicism overlaps with and transforms other ways of thinking and living Topics covered include peacemaking violence and wars money the vow of poverty and socio economic life art by and about Catholics and men women and sex **The Maleness of Jesus** Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness

Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women

Religious Feminism and the Future of the Planet Rita M. Gross, Rosemary Radford Ruether, 2016-10-06 Rita Gross and Rosemary Radford Ruether have long been known for their feminist contributions to Buddhism and Christianity respectively In this book they talk candidly about what these traditions mean to them in both their liberating as well as problematic aspects Throughout the book their life stories provide the rich soil perhaps even the rationale for their theological and spiritual development Despite the marked differences in their life histories and their respective religious faiths Gross and Radford Ruether achieve surprising unanimity on the paramount issue what engaged Buddhism and enlightened Christianity can offer in the struggle to create a new future for the planet

The Father and the Feminine Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered Is male imagery such as Father Son or King the only appropriate way Are there ways to talk of God using female gendered metaphors and pronouns And how does the use of such language impact humans as gendered people Moving beyond the extremes in this debate *The Father and the Feminine* seeks to clarify the ways Christians speak about God whether this is by recognizing revelation and Christian tradition upholding God's ineffability using analogies metaphors and narratives referring to God as Father Son and Spirit or by seeking a liberating way of life in community Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly but at the same time that it cannot be the exclusive way Christians speak of the Divine The grammar of Christian Scripture and tradition both authorize the use of female language which Christians ought to use in pursuing a deeper relationship with God and others as well as a more authentic view of self

The Prophetic Spirit of Catechesis Anne Marie Mongoven, 2000 This pastoral book presents a new way to catechize adults using the relationship between ordinary life and Christian faith it combines both theoretical considerations and practical strategies For both professional and volunteer catechists

On the Literary Nonfiction of Nancy Mairs M. Johnson, S. Mintz, 2011-09-26 Much of the existing scholarship on Nancy Mairs has approached her essays in the context of disability studies This book seeks to broaden the conversation through a range of critical perspectives and with attention to underrepresented aspects of Mairs's oeuvre demonstrating her provocative combination of bold ethics and subtle aesthetics

Holy Body Brianne Bell Jacobs, 2024-10-15 *Holy Body* Gender and Sexual Difference in Theological Anthropology and Ecclesiology argues that all bodies across sexual difference are procreative The author lays the ground for her argument with chapters that summarize the current debate over the gender binary in theology modern scientific evidence about sexual difference philosophical arguments about gender as a social construction the development of the gender binary in Christian history and the effects of the gender binary today With this foundation laid Brianne Bell Jacobs argues for a theological anthropology in which all

bodies by performatively expanding who is loved are generative Then in the context of Roman Catholic ecclesiology Jacobs argues again that all bodies are generative She calls for an ordained priesthood in mutual relationship with the priesthood of the baptized in which both are given meaning beyond the gender binary and in which both are able together to generate the Body of Christ in the church and the Eucharist In response to the harms of patriarchy sexualized racism homophobia and sexual abuse this book presents a Roman Catholic theology that affirms we are each of us and together a life giving and holy body

Women and Christianity Cheryl A. Kirk-Duggan, Karen Jo Torjesen, 2009-12-22 This work explores the impact of Christian women as scholars and leaders representing the ethnic national racial and denominational diversity of Christianity today on all aspects of life Women and Christianity explores the experiences of women and how their daily lives interface with their spirituality and faith Beginning with a historical overview the book presents essays grouped under five broad headings women family and environment socioeconomics politics and authority body mind and spirit sex power and vulnerability and women world view and religious practice These essays focus on multiple aspects of women s experiences and contemporary Christian realities involving the interrelatedness of faith thought and activism across many strata of global society They wrestle with the daily experiences and challenges women face integrating their lives as women of faith as they are advocates experience agency and work for mutuality It shows how in all these roles women must negotiate power injustice and the impact of sexism as they work within systemic oppression amid a patriarchal system nevertheless championing change and refusing to be severely compromised

Disability in the Christian Tradition Brian Brock, John Swinton, 2012-09-06 This title brings together the views of renowned Christian thinkers throughout history 14 contemporary experts in theology and disability studies guide readers through each era or group of thinkers offering clear commentary and highlighting important themes

A Future Full of Hope? Gemma Simmonds, 2013-08-01 Are we looking at the imminent death of religious life in the church a future full of hope or something in between This book based on papers given at a colloquium run by the Religious Life Institute at Heythrop College University of London addresses urgent questions around the renewal and survival of religious life Despite recent scandals and a steady diminishment of numbers since Vatican II religious remain a powerful source of inspiration and positive energy within church and society Fifty years after the Council today s context and questions are different Did the Council bring about a renewal or an implosion of religious life Who is looking at religious vocation today What are they seeking and what are they finding With a foreword by former Dominican Master General Timothy Radcliffe leading authors on religious life including Gregory Collins OSB and Christopher Jamison OSB explore these questions and propose answers that offer material for individual and communal reflection

On Being Human Miguel H. Díaz, 2014-06-30 Makes a significant contribution to theological anthropology done by and for a world Church Important new insights about the fundamental identity of human persons and communities emerge as the author brings the writings of Karl Rahner and U S Hispanic theologians into a creative and mutually enriching conversation

Knowing God by Name Cherith Fee Nordling, 2010 Does women's experience matter for theological inquiry Elizabeth Johnson's premise is that it does Knowing God by name is a critical assessment and evaluation of this approach bringing Johnson into conversation with Catholic and feminist colleagues and with Karl Barth whose Trinitarian theology of experience maintains the divine creaturely distinction she challenges P 4 cover

God as Communion Patricia Fox, 2001 God As Communion explores ancient and new meanings of the symbol of God as Trinity and brings the Christian traditions of West and East into dialogue Through an exploration of the works of two contemporary theologians Fox retrieves this central Christian symbol and uncovers its transforming power for the Church and world today

The Oxford Handbook of Christology Francesca Aran Murphy, 2015-09-24 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter-confessional theology which would not have been possible even 60 years ago The first of the seven parts considers Jesus Christ in the Bible Rather than focusing solely on the New Testament this section begins with discussion of the modes of God's self-communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible The second section considers Patristic Christology These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras and the sixth section explains how beliefs about Jesus have affected music poetry and the arts The final part concludes by locating Christology within systematic theology asking how it relates to Christian belief as a whole This comprehensive volume provides an invaluable resource and reference for scholars students and general readers interested in the study of Christology
