Parts Manual

When ordering various parts, specify the correct part number. All descriptions, quantities required, the unit model number and serial number. For your safety and continued proper operation, use only genuine GARDNER GREENE parts.

The model and vessel involved for this test case are as are presented in a model in the front of the ship.

*Right and Left are determined from a position looking up the runway's axis and facing forward.

64392. Company reserves the right to make changes or improvements to the design or construction of any part of the unit without incurring the obligation to notify such changes or any otherwise relevant facts.

Refer to the abbreviations table located on this page for special parts descriptions. Standard stock/ing hardware and major subassemblies are also provided over the back of this manual. Metric torque values shown in the illustrations are in Newton-meters and are converted to inch-pounds by multiplying by 0.7376.

Specific reference numbers, indicating a complete assembly, are indicated on some drawings. A casting part is one drawing, whereas a cast lot (or lots, as the case may be) is the complete new part (or, without reference to size, three to five thousand).
