Gehorsam Geschichten Abraham Isaak Ismael:

My Body Given for You Helmut Hoping, 2019-10-23 The Eucharist goes back to the Last Supper of Jesus with his disciples It is based on the prayer of thanksgiving that Jesus pronounced over the bread and wine at that meal Eucharist means thanksgiving praise and blessing The Church celebrates the Eucharist as a memorial of the death and Resurrection of Jesus Christ The memorial of the Eucharist is more than a remembrance of the Last Supper of Jesus with his disciples In the Eucharist the sacrifice of our redemption becomes present sacramentally In the past dogmatic theology has treated the meaning of the Eucharist while disregarding the form of its liturgical celebration whereas liturgical studies have been content with the latter Yet the two cannot be separated however any more than liturgy and dogma or pastoral practice and doctrine can For the Church s liturgy is not about something external to Christian revelation but rather about revelation accepted in faith and prayer Joseph Ratzinger In this work Helmut Hoping combines the approaches of dogmatic theology and liturgy while examining the Eucharist from an historical and systematic perspective The second German edition of this major work which this new English translation is taken from was revised and expanded adding a comparative analysis of the Second Eucharistic Prayer and a chapter on the theology of the words of institution *Biblica: Vol.49* , Rothaar Band 1
