Gender Bending Investigations Part 1 Farleven,2018-06-27 This was the last assignment I expected As an agency analyst I d spent the last several years investigating the rise of Patrick Oswald from small timer to one of the richest and most powerful men on Earth There was something rotten at the core of his success and we d already lost several agents trying to find it What we needed was to get someone inside deep inside all the way to his inner sanctum where his personal data could be accessed That s where my assignment came in They needed someone who knew all of his deals and everything else about him and after five years I was the person The only problem was to get in that deep they needed a woman and since I wasn t one they were going to make me a woman A little nanotechnology went a long way and I was soon on my way to being just the kind of brunette that Oswald swooned after There was just one more thing I needed to do before starting my new mission One night of wild passion to prove that I d have what it takes to succeed The whole feminine side of the equation was new to me but with the right man I soon learned just how much I could enjoy this assignment Transgender erotica gender swap gender bending sex change

Gender Bending Investigations - Part 5 - Revelations Farleven,2018-09-18 I was in I d never have imagined myself as some kind of spy before or that I d be able to work my way into an organization so well Just over a week ago I d been one of the agency s top analysts and a man Now I was an attractive young woman who had succeeded in getting access to the inner workings of Patrick Oswald s corporate empire Getting in was surprisingly easy but the truly shocking thing was how good Oswald was in bed I d already come to know the full pleasures that came with being a woman but there was something special about the way Oswald knew how to handle my new body He could take me to the heights of ecstasy and keep me there and I couldn t stop myself from enjoying every moment I spent with him Despite my growing feelings for Oswald I had a job to do Now that I had access to all of his data it was time to bring my investigation to a close I had to discover what he was hiding and finally confront my true feelings for him and my new feminine existence Transgender erotica gender swap gender bending sex change billionaire coworker

**Gender Bending Investigations - Part 3 - The Magnate** Farleven,2018-09-13 Seducing men of power can be a tricky thing I never expected undercover work to be quite so enjoyable I also hadn t expected to be doing it as a petite brunette with a libido that never wanted to rest Impressing my new coworkers hadn t been very difficult and I was almost becoming addicted to the action in our office s private meeting places All in all my mission was going well Everything was lining up for me to meet my target Patrick Oswald This was the man who ruled over a newly minted technological empire and it was my job as an agent to find out what nefarious things he was up to Now I had to employ all my new womanly charms to get in close so I could get to his private data I had to admit that wasn t the only privates I was interested in All I had to do was get into his pants and then into his files Transgender erotica gender swap gender bending sex change

**Gender Bending Investigations - Part 2 - The Roman Baths** Farleven,2018-07-05 There s nothing quite like giving in to temptation I thought that my new job was a simple cover a way to get close to Patrick
