Lacy, Kent A. Ono, 2011 In this collection scholars seek to examine the complicated and contradictory terrain of the rhetorics of race while moving the field of communication in a more intellectually productive direction The Social Impact of

Advertising Tony Kelso, 2018-09-14 Composed with a touch of the panache of a former advertising copywriter Kelso challenges readers to reflect on the social impact of advertising from multiple angles The book uniquely combines personal anecdotes with a penetrating look at some of the most critical perspectives toward the field advanced by media scholars A play on David Ogilvy s legendary Confessions of an Advertising Man the text disrupts the creative guru s account with a highly accessible critique of advertising suitable for classes in disciplines as various as cultural studies marketing media studies political science and sociology The book reflects the latest industry trends especially the migration from legacy to

social media vehicles like Instagram and Snapchat Topics covered include a brief history of modern advertising in the United States advertising's influence on the so-called non-advertising content of the media the ideological themes advertising inadvertently delivers how advertising can privilege or marginalize various social constructions of identity the controversial practice of targeting children and how corporations often use advertising to superficially present a positive face while masking their profoundly darker sides Incorporating a media literacy approach Kelso also offers an insider's overview of the typical procedures advertising agencies take in strategizing conceptualizing and delivering campaigns *The Routledge Companion to Media and Race* Christopher Campbell, 2016-11-03 The Routledge Companion to Media and Race serves as a comprehensive guide for scholars students and media professionals who seek to understand the key debates about the impact of media messages on racial attitudes and understanding Broad in scope and richly presented from a diversity of perspectives the book is divided into three sections first it summarizes the theoretical approaches that scholars have adopted to analyze the complexities of media messages about race and ethnicity from the notion of representation to more recent concepts like Critical Race Theory Second the book reviews studies related to a variety of media including film television print media social media music and video games Finally contributors present a broad summary of media issues related to specific races and ethnicities and describe the relationship of the study of race to the study of gender and sexuality Chapters 1 3 and 11 of this book are freely available as downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license *Girl Culture* Claudia Mitchell, Jacqueline Reid-Walsh, 2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society From the first appearance of Nancy Drew in 1930 to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001 girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages Editors Claudia A. Mitchell and Jacqueline Reid Walsh investigate the increasingly complex relationships struggles obsessions and idols of American tween and teen girls who are growing up faster today than ever before From pre-school to high school and beyond Girl Culture tackles numerous hot button issues including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness Nothing is off-limits body image peer pressure cliques gangs and plastic surgery are among the over 250 in-depth entries highlighted Comprehensive in its coverage of the twenty and twenty-first century trendsetters fashion literature film in-group rituals and hot button issues that shape and are shaped by girl culture this two-volume resource offers a wealth of information to help students educators and interested readers better understand the ongoing interplay between girls and mainstream culture **Race/Gender/Class/Media** Rebecca Ann Lind, 2023-03-14 The fifth edition of this popular textbook considers diversity in the mass media in three main settings Audiences Content and Production The book brings together 55 readings the majority newly commissioned for this edition by scholars representing a variety of humanities and social science disciplines Together these readings provide a multifaceted

and intersectional look at how race gender and class relate to the creation and use of media texts as well as the media texts themselves Designed to be flexible for use in the classroom the book begins with a detailed introduction to key concepts and presents a contextualizing introduction to each of the three main sections Each reading contains multiple It s Your Turn activities to foster student engagement and which can serve as the basis for assignments The book also offers a list of resources books articles films and websites that are of value to students and instructors This volume is an essential introduction to interdisciplinary studies of race gender and class across both digital and legacy media     *Race, Gender, and Citizenship in the African Diaspora* Manoucheke Celeste, 2016-07-01 Winner of the National Communication Association s 2018 Diamond Anniversary Book Award With the exception of slave narratives there are few stories of black international migration in U S news and popular culture This book is interested in stratified immigrant experiences diverse black experiences and the intersection of black and immigrant identities Citizenship as it is commonly understood today in the public sphere is a legal issue yet scholars have done much to move beyond this popular view and situate citizenship in the context of economic social and political positioning The book shows that citizenship in all of its forms is often rhetorically representationally and legally negated by blackness and considers the ways that blackness and representations of blackness impact one s ability to travel across national and social borders and become a citizen This book is a story of citizenship and the ways that race gender and class shape national belonging with Haiti Cuba and the United States as the primary sites of examination     Encyclopedia of Gender in Media Mary Kosut, 2012-05-18 The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society

*Handbook of Global Media Ethics* Stephen J.A. Ward, 2021-09-02 This handbook is one of the first comprehensive research and teaching tools for the developing area of global media ethics The advent of new media that is global in reach and impact has created the need for a journalism ethics that is global in principles and aims For many scholars teachers and journalists the existing journalism ethics e g existing codes of ethics is too parochial and national It fails to provide adequate normative guidance for a media that is digital global and practiced by professional and citizen A global media ethics is being constructed to define what responsible public journalism means for a new global media era Currently scholars write texts and codes for global media teach global media ethics analyse how global issues should be covered and gather together at conferences round tables and meetings However the field lacks an authoritative handbook that presents the views of leading thinkers on the most important issues for global media ethics This handbook is a milestone in the field and a major contribution to media ethics     The Obama Effect Heather E. Harris, Kimberly R. Moffitt, Catherine R. Squires, 2010-09-20 November 4 2008 ushered in a historic moment Illinois Senator Barack Obama was elected the forty fourth President of the United States of America In *The Obama Effect* editors Heather E Harris Kimberly R Moffitt and Catherine R Squires bring together works that place Barack Obama s candidacy and victory in the context of the American experience with race and the

media Following Obama's victory optimists claimed that the campaign signaled the arrival of an era of postracism and postfeminism in the United States This collection of essays all presented at a national conference to discuss the meaning and impact of the nomination of the first presidential candidate of African descent remind the reader that reaching a point in U S history where a biracial man could be deemed electable is part of a still ongoing struggle It resists the temptation to dismiss the uncertainty hope and fear that characterized the events and discourse of the two year primary and general election cycle and brings together multidisciplinary approaches to assessing the Obama effect on public discourse and participation This volume provides readers with a means for recalling and mapping out the enduring issues that erupted during the campaign issues that will continue to shape how our society views itself and President Obama in the coming years
