## **Gender And The Political Economy Of Development From Nationalism To Globalization:**

**Gender and the Political Economy of Development** Shirin M. Rai, 2013-05-28 Rai subjects the projects of both national development and globalization to searching scrutiny through a gender lens Her emphasis on the intersection of gender and other forms of inequality is very timely An excellent text for a wide range of courses in politics sociology and development studies Diane Elson University of Essex Shirin Rai pushes us to rethink development She brings us to ear a feminist analysis that grows out of her nuanced understanding of both China s and India s gendered experience Readers will find fresh ideas and sharp caveats about how patriarchy is sustained and fought over globally Cynthia Enloe Clark University This important book ranges across contemporary debates in the study of gender and political economy It situates differing gender based theories in the context of wider political and historical processes such as colonialism post colonialism Cold War politics the New World Order globalization and democratization Shirin Rai focuses on the gendered nature of the political economy of development and the shifts that have occurred as economies and states have moved from a development process that is state focused to one that is clearly framed by globalization Differences between men and women and differences between women in contrasting social and geographical positions are explored in relation to their influence on political practice Rai considers how the structures of economic and political power frame men and women and examines the consequences of these gendered positionings She makes important connections between the political narratives of different levels of governance and examines the discourse of empowerment at these different levels The book concludes by reflecting on the way men and women are coping with the challenges of globalization and argues that women s movements need to re establish the link between the recognition of difference and the redistribution of economic and social resources if they are to maintain their radical edge This will be essential reading for undergraduates and graduates in politics development studies and gender studies

**The Gender Politics of Development** Shirin M. Rai, 2013-07-04 In *The Gender Politics of Development* Shirin Rai provides a comprehensive assessment of how gender politics has emerged and developed in post colonial states In chapters on key issues of nationalism and nation building the third wave of democratization and globalization and governance Rai argues that the gendered way in which nationalist statebuilding occurred created deep fissures and pressures for development She goes on to show how women have engaged with institutions of governance in developing countries looking in particular at political participation deliberative democracy representation leadership and state feminism Through this engagement Rai claims vital new political spaces have been created Though Rai focuses in depth on how these debates have played out in India the book s argument is highly relevant for politics across the developing world This is a unique and compelling synthesis of gender politics with ideas about development from an authoritative figure in the field

**Gender, Development and Globalization** Lourdes Beneria, Günseli Berik, Maria Floro, 2015-07-24 *Gender Development and Globalization* is the leading primer on global feminist economics and development Lourdes Bener a

pioneer in the field of feminist economics is joined in this second edition by Gunseli Berik and Maria Floro to update the text to reflect the major theoretical empirical and methodological contributions and global developments in the last decade Its interdisciplinary investigation remains accessible to a broad audience interested in an analytical treatment of the impact of globalization processes on development and wellbeing in general and on social and gender equality in particular The revision will continue to provide a wide ranging discussion of the strategies and policies that hold the most promise in promoting equitable and sustainable development The authors make the case for feminist economics as a useful framework to address major contemporary global challenges such as inequalities between the global South and North as well as within single countries persistent poverty and increasing vulnerability to financial crises food crises and climate change The authors approach is grounded in the intellectual current of feminism and human development drawing on Amartya Sen s capability approach and focused on the importance of the care economy increasing pressures faced by women and the failures of neoliberal reforms to bring about sustainable development reduction in poverty inequality and vulnerability to economic crisis

**Handbook on the International Political Economy of Gender** Juanita Elias,Adrienne Roberts,2018-02-23 This Handbook brings together leading interdisciplinary scholarship on the gendered nature of the international political economy Spanning a wide range of theoretical traditions and empirical foci it explores the multifaceted ways in which gender relations constitute and are shaped by global politico economic processes It further interrogates the gendered ideologies and discourses that underpin everyday practices from the local to the global The chapters in this collection identify analyse critique and challenge gender based inequalities whilst also highlighting the intersectional nature of gendered oppressions in the contemporary world order

Palgrave Advances in Development Studies J. Haynes,2005-04-21 Palgrave Advances in Development Studies aims to provide readers with an understanding of the disparate theories concerning development their assumptions and the intellectual forces underpinning them In thirteen specially commissioned essays leading contributors from the field of Development Studies present the relevant material to analyze and evaluate current debates about development together with the intellectual tools to judge contemporary arguments concerning development across the world and the ability to relate theories of development to contemporary policy issues

Feminist Global Political Economies of the Everyday Juanita Elias,Adrienne Roberts,2018-12-07 This collection interrogates the multifaceted ways in which global transformations are constituted by deeply gendered socio economic practices at the level of the everyday It brings feminist insights to bear on the emerging International Political Economy IPE debates about the everyday showing how gender is key to understanding how political economy is enacted and performed at the local level by non elites and via various cultural practices Drawing on everyday IPE and a longer standing body of feminist scholarship that documents and theorizes the mutually constitutive nature of on the one hand global markets and on the other households families relations of social reproduction and gendered socio economic practices this collection charts the lived realities of people and communities

across a wide range of sites and spaces of the global political economy It considers how globalizing capitalism affects and is in turn affected by Argentine sex workers Nepalese private security contractors Canadian call centre workers Southeast Asian domestic workers workers and players in British bingo halls working class households in the UK and much more It demonstrates through detailed empirical research that a gender lens is crucial for understanding how and on what terms individuals and households are becoming ever more enmeshed in capitalist social relations and how they actively and creatively resist these processes The chapters originally published as a special issue in *Globalizations* [Handbook on Gender in World Politics](#) Jill Steans, Daniela Tepe-Belfrage, 2016-07-27 The Handbook on Gender in World Politics is an up to date comprehensive multi disciplinary compendium of scholarship in gender studies The text provides an indispensable reference guide for scholars and students interrogating gender issues in international and global contexts Substantive areas covered include statecraft citizenship and the politics of belonging international law and human rights media and communications technologies political economy development global governance and transnational visions of politics and solidarities *Gender and Politics* Jane H. Bayes, 2012-07-10 This timely collection offers a fresh look on the impact of gender perspectives in the discipline of political science at the beginning of the 21st century Jane Bayes combats the Eurocentric focus that has characterised both fields and suggests viable alternatives for the future of the disciplines

**Politics in the Developing World** Peter J. Burnell, Lise Rakner, Vicky Randall, 2017 This textbook deals with central political themes and issues in the developing world including globalisation inequality identity religion the military democracy the environment and policy development *Globalization in the 21st Century* B. Berberoglu, 2010-04-12 This book examines the development and transformation of global capitalism in the late 20th and early 21st century It analyzes the dynamics and contradictions of the global political economy through a comparative historical approach based on class analysis After providing a critical overview of neoliberal capitalist globalization over the past three decades the book examines the emergence of new forces on the global scene and discusses the prospects of change in the global economy in a multi polar direction in the decades ahead The book concludes by focusing on the mass movements that are playing a central role in bringing about the transformation of global capitalism [Gender and Global Politics in the Asia-Pacific](#) B. D'Costa, K. Lee-Koo, 2008-12-22 This book demonstrates the integral nature of gendered issues and feminist frameworks for a comprehensive understanding of contemporary IR bringing together the work of feminist scholars teachers and activists into a coherent and accessible collection *Ethical Trade, Gender and Sustainable Livelihoods* Kiah Smith, 2014-03-21 Fair and ethical trade is often criticized for being highly gendered and for institutionalizing the ethical values of consumers the priorities of NGOs and governments and most of all food retailers But little is known about how women smallholder farmers experience diverse ethical standards or whether and how standards reflect their values local cultural and environmental contexts or priorities for achieving sustainable livelihoods Linking gender smallholder livelihoods and global ethical trade

regulations this book reveals that multiple understandings of social justice environmental sustainability and well being or ethicality exist in parallel to those institutionalized in ethical trade schemes Through an in depth case study of smallholder subsistence and French bean farming in Kenya the book grounds the analysis of livelihoods gender and ethical trade in women smallholders perspectives links the macro level of markets with the micro level of livelihoods and engenders relations of power structure and agency in food networks It brings together disparate bodies of theory to illustrate the knowledge strategies and values of women smallholder farmers that are often beyond the scope of ethical trade regulations It also provides a challenging new vision for doing food systems research

**Gender, Sexuality, Decolonization** Ahonaa Roy, 2020-12-28 This book presents a new approach to the understanding of non normative sexuality and gender transgressive modes in South Asia and South Asian diaspora It reconceives sexual representation from the point of view of the theoretical political and empirical trajectories of decolonization provincialization and neoliberalism to look at the role of historical contingency postcolonial sexual politics and gender and sexual diversity The volume brings together anthropological historical material and political analyses around South Asian sexual politics by exploring a range of themes including culture class ethnicity identity intersectionality migration borders diaspora modernity and cosmopolitanism across various local regional and global contexts By using southern non Western and subaltern theorizations of gender and sexuality the book discusses South Asian sexualities through issues such as the sexual politics of indeterminacy sexual subculture iconography and political decision making religious identity queer South Asian diaspora decolonizing the postcolonial body sexual politics gender and feminist debates discrimination and socio political violence the political economy of empowerment and critical appropriation of the 377 Indian Penal Code It also builds forms of dialogues to bridge the gap between academic and development practitioners With diverse case studies and a fresh theoretical framework this book will be an essential read for scholars and researchers of South Asian studies gender studies sexuality studies sociology and social anthropology political studies diaspora studies postcolonial and

global south studies      *Mainstreaming Gender in Hong Kong Society* Fanny M. Cheung, Eleanor Holroyd, 2009 This volume demonstrates the importance of gender mainstreaming in examining social issues and making decisions that affect women and men In so doing the essays of the book enrich our understanding of the social structures and trends within contemporary Hong Kong society and at the same time restate the need for gender sensitive perspectives in policy making      *The Gender Politics of Development* Shirin M. Rai, 2008-09-15 In *The Gender Politics of Development* Shirin Rai provides a comprehensive assessment of how gender politics has emerged and developed in post colonial states In chapters on key issues of nationalism and nation building the third wave of democratization and globalization and governance Rai argues that the gendered way in which nationalist statebuilding occurred created deep fissures and pressures for development She goes on to show how women have engaged with institutions of governance in developing countries looking in particular at political participation deliberative democracy representation leadership and state feminism Through this engagement Rai claims vital new political spaces have been created Though Rai focuses in depth on how these debates have played out in India the book's argument is highly relevant for politics across the developing world This is a unique and compelling synthesis of gender politics with ideas about development from an authoritative figure in the field      *Gender in Transnationalism* Ruba Salih, 2013-01-11 A fascinating ethnographic journey into migrant women's lives across two countries *Gender in Transnationalism* highlights women's construction of home between Morocco and Italy as a significant site whereby broader feelings and narratives of displacement and belonging can be grasped Salih investigates what Moroccan women's relations with their adopted country are and how their identities conceptualisations of home and cultural practices are shaped by the transnational dimension of their lives This interdisciplinary book provides a gendered account of transnational migration in the context of changing configurations in both the social sciences and people's lives of notions of locality identity difference and citizenship and by focusing on the lived experience of Moroccan migrant women's transnationalism between Morocco and Italy It will interest students and researchers of transnationalism migration and gender      **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences**, 2002      *A Critical Rewriting of Global Political Economy* V. Spike Peterson, 2004-03 This book rewrites global political economy by bringing disparate features of globalization into relation and providing an accessible narrative of how we got here what's going on and what it means from a critical vantage point      **Globalization** Robert Went, 2000-08-20 In clear and concise terms Robert Went demythologises globalization He refutes the myth that globalization is an entirely new phenomenon and that it is an unavoidable process While recognising that it poses serious strategic challenges to the Left he argues that these challenges are not insurmountable and that there is hope for advocating real change Went puts globalization into its historical perspective He shows that there is no option of returning to the postwar mode of expansion but that the current trend must be altered If not he warns of greater social inequality levelling of wages worsening of working conditions life threatening

ecological deterioration and a pervasive dictatorship of the market To combat this rampant globalization Went challenges the Left to rebuild its own movement and offer up a credible alternative From reviews of the Dutch and German edition Every category of reader will find in Went an author who understands the art of writing very clearly and accessibly for a broad public Het Financieel Dagblad Amsterdam 14 March 1996 The Dutch Financial Times This sober analysis of the globalization phenomenon is very accessible and smoothly written Financieel Economische Tijd Brussels 20 April 1996 Went's greatest merit is that he proves on the one hand that globalization is not storming ahead as fast as many would have us believe and on the other hand he shows that great societal changes are taking place Onze Wereld Amsterdam June 1996 one of the main Dutch Third World solidarity magazines
