Chesebro,2011-03-30 As a perceptive and outstanding assessment Communicating Power and Gender examines the relationships between gender and power and how they are linked to and transformed by the communication process Within this discussion a host of correlations emerge crossing social cultural historical political and racial spheres In order to anchor their discussion Borisoff and Chesebro define the terms gender power and communication which provides an operational platform from which to view fundamental issues such as the effects of stereotyping and verbal and nonverbal communication by gender The authors also consider four contexts that shape and influence gender socialization and sex role constructions mediated communication and gender roles in various media systems early socialization in the home the educational landscape and women and men in the workplace Our environment continually generates new kinds of questions and associations The more we interact with others the more we realize that our relationships are not fixedthey exist in a state of flux Communicating Power and Gender explores not only how gender based issues affect us daily but also how gender based communication can be more sensitively usefully and effectively employed **Introducing Language and Intercultural**

Communication Jane Jackson,2014-01-10 Introducing Language and Intercultural Communication is a lively and accessible introduction for undergraduates who are new to the area of intercultural communication Incorporating real life examples from around the world and drawing on current research this text argues against cultural stereotyping and instead provides students with a skill building framework to enhance understanding of the complexities of language and intercultural communication in diverse international settings Readers will learn to understand and become aware of power relations positioning and the impact of social and political forces on language choice and the intercultural communication process This is the essential text for undergraduate students studying courses in intercultural communication for the first time Features include clear learning objectives to structure your study end of chapter discussion questions to test your knowledge highlighted glossary terms to provide a strong understanding of the relevant vocabulary an array of photos including signs which make use of non verbal codes and many examples that illustrate such issues as intercultural misunderstandings and the effects of culture shock substantial online resources for students including learning objectives suggested readings links to media resources and real world intercultural scenarios and activities Additional in depth instructor resources feature test materials powerpoints key terms extended chapter outlines and sample assignments and syllabi Understanding

Communication Theory Stephen M. Croucher,2015-08-20 This book offers students a comprehensive theoretical and practical guide to communication theory Croucher defines the various perspectives on communication theory the social scientific interpretive and critical approaches and then takes on the theories themselves with topics including interpersonal communication organizational communication intercultural communication persuasion critical and rhetorical theory and

other key concepts Each theory chapter includes a sample undergraduate written paper that applies the described theory along with edits and commentary by Croucher giving students an insider's glimpse of the way communication theory can be written about and applied in the classroom and in real life Featuring exercises case studies and keywords that illustrate and fully explain the various communication theories Understanding Communication Theory gives students all the tools they need to understand and apply prominent communication theories *Gambling and Gender* Deborah K. Phillips, Vicki A.

Wilson, 2009 There are two distinct strands in the literature on gambling one that focuses on how to play and win the various games of chance and one that focuses on gambling compulsion and addiction *Gambling and Gender* forges a new direction studying gambling as more communication than compulsion more recreation than deviance more sociology than psychology Within that framework it seeks to explore several aspects of gender How do the gambling behaviors of men and women differ How have women adapted to and or changed the historically male dominance of the gambling arena What gambling activities have women claimed as their own and used to develop uniquely female relationships How have recent trends in technology and mass media changed the ways in which men and women claim or reject their gender identities The authors use a variety of research strategies including content analysis survey research interviews and participative observation to shed new light on this fascinating subject and to suggest ways to explore it further **Communication and Sport** Andrew C.

Billings, Michael L. Butterworth, Paul D. Turman, 2014-03-24 The Second Edition of *Communication and Sport* Surveying the Field offers the most comprehensive and diverse approach to the study of communication and sport available at the undergraduate level Newly expanded to incorporate the latest topics and perspectives in the field the New Edition examines a wide array of topics to help readers understand important issues such as sports media rhetoric culture and organizations from both micro and macro perspectives Everything from youth to amateur to professional sports is addressed in terms of mythology community and identity issues such as fan cultures racial identity and gender in sports media politics and nationality in sports and sports and religion are explored in depth and provide useful applied insight for readers Practical and relevant epistemologically diverse and theoretically grounded the Second Edition of Billings Butterworth and Turman's text keeps readers on the cutting edge Contemplating Maternity in an Era of Choice Sara Hayden, Lynn O'Brien

Hallstein, 2010-06-14 Women who came of age in the late twentieth century were raised in the era of choice they grew up believing that reproductive decision making is a political right a responsibility of women living the successes of second wave feminism and under their control *Contemplating Maternity in an Era of Choice* Explorations into Discourses of Reproduction explores contemporary maternity both within and in light of these late twentieth century understandings Employing a variety of feminist communication approaches the volume's contributors discuss how discourses of choice shape and are shaped by women's identities and experiences as non mothers and how those same discourses affect and reflect private practices and public policies related to reproduction and motherhood Through this process the contributors illustrate a variety of ways of

conducting feminist thinking research and practices within the communication discipline Major sub disciplines within communication studies are represented here including feminist organizational interpersonal rhetorical critical cultural and social movement studies Whereas many of the previous scholarly investigations into maternity highlight only one aspect or phase of motherhood *Contemplating Maternity in an Era of Choice* is unique because it investigates discourses of choice across the arc of maternity and as enacted through various non maternal subject positions Clinical Psychology Andrew M. Pomerantz, 2023-02-16 From award winning author Andrew M Pomerantz comes the Sixth Edition of *Clinical Psychology Science Practice and Diversity* providing students with an inclusive and culturally competent view of the vast world of clinical psychology Through lively examples robust scholarship and a highly readable narrative the author explores the key topics of clinical assessment psychotherapy and ethical and professional issues while also incorporating discussions of current controversies and specialized topics With a career focused feature and the latest research findings in the field the new edition of this best selling text is an essential resource for students in the classroom and beyond **Christian Worldview and the Academic Disciplines** Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the difference s that a Christian worldview makes for the disciplines or subject areas normally tauht in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline *Christian Worldview and the Academic Disciplines* in intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will aslo be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful Downey and Porter present a unique contribution to the perennial question of how faith interacts with the academic disciplines Numerous factors contribute to this book s significance the common conviction that one s Christian beliefs ought to shape the contents of one s teaching the variety of perspectives and opinions and the wide range of academic disciplines under discussion The essays originating among the excellent faculty of Trinity Western University will deservedly be much used in undergraduate colleges and universities Hans Borsma J I Packer Professor of Theology Regent College Few faculty Christian or otherwise understand

what their colleagues in other departments are doing or why This collection of essays is not only an excellent introduction to the whole scope of academic enterprises but to the unique and important relationship between each discipline and the Christian faith An important book not only for the entire range of faculty but for students yearning to understand both their Christian faith and what is being taught in the classroom James W Sirf author of the *Universe Next Door* and with co author carl Peraino *Deepest Differences A Christian Atheist Dialogue* Christian Worldview and the Academic Disciplines is a book long overdue It will serve as an outstanding textbook for interdisciplinary courses But this book is more than that Christian Worldview and the Academic Disciplines is a book that everyone concerned with Christian thought especially in the context of the Academy will want to read I highly recommend it Craig A Evans Payment Distinguished Professor of New Testament Acadia Divinity College Nova Scotia
