Fen-ling Chen

Gendering Welfare States Sage Modern Politics Series:

Gendering Welfare States Diane Sainsbury, 1994-12-09 How can mainstream models and classifications be used in analyzing welfare states and gender What sorts of modifications to traditional theory are required These and other questions are addressed in this book the first to synthesize the insights of feminist and mainstream research in examining the impact of gender on welfare state analysis and outcomes The text also highlights the effect of welfare state policies on women and men The international and interdisciplinary contributors approach the subject on two levels First they test the applicability of mainstream frameworks to new areas in analyzing gender Second they highlight possible reconceptualizations and innovative frameworks designed to provide gender base *Gendering Welfare States* Diane Sainsbury, 1997 *Women's Organizing and Public Policy in Canada and Sweden* Linda Briskin, Mona Eliasson, 1999 Contributors to this volume explore women's organizing and public policy in two northern welfare states Canada and Sweden They analyse the gender implications of some key areas of public policy and compare strategic interventions organized by women to challenge and reconstruct these policies These articles seek to understand the constraints and possibilities provided by the institutional political and discursive contexts in both Sweden and Canada while making women's agency visible **The Elgar Companion to Feminist Economics** Janice Peterson, Margaret Lewis, 2001-01-01 Comprehensive reference work introducing readers to the field of feminist economics It addresses key concepts as well as feminist economic critiques and reconstructions of major economic theories and policy debates **Cross National Research Methods** Linda Hantrais, Stephen P. Mangen, 1996-01-01 This is a resource book for social scientists engaged in cross national comparative research It critically examines the methodological and managerial issues which arise from such work with a particular focus on the economic and social policy agenda of the European Union Experts from across Europe and from different disciplinary backgrounds draw upon their own experience of conducting cross national comparisons to offer well informed guidance on how to overcome the pitfalls and problems they have encountered *Social Security Outside the Realm of the Employment Contract* Mies Westerveld, Marius Olivier, 2019 All over the world countries face the challenge of inadequate social security coverage for workers without an employment contact In countries of the global south this phenomenon is a natural consequence of large informal economies Countries in the global north increasingly witness the same issue due to growing labour market flexibility flex contracts dependent self employment digitization of labour In this book authors from both hemispheres exchange insights experiments and practices with the intention of finding better ways to deal with the social security challenges facing workers **Gender, Equality and Welfare States** Diane Sainsbury, 1996-08-28 What differences do welfare state variations make for women How do women and men fare in different welfare states Diane Sainsbury answers these questions by analysing the situation in countries whose welfare state policies differ in significant ways the United States the United Kingdom Sweden and the Netherlands Building on feminist criticisms of mainstream research Professor Sainsbury

reconceptualises the crucial dimensions of variation notably those relevant to gender She determines the extent to which legislation reflects and perpetuates the gendered division of labour in the family and society as well as what types of policy alter gender relations in social provision She thereby increases our understanding of how policy mechanisms especially the bases of entitlement exclude or incorporate women and offers constructive proposals for securing greater equality between women and men

Gender-Class Equality in Political Economies Lynn Prince Cooke, 2011-03-17 This book offers an in depth analysis of gender class equality across six countries to reveal why gender class equality in paid and unpaid work remains elusive and what more policy might do to achieve better social and economic outcomes

Overlapping Inequalities in the Welfare State Başak Akkan, Julia Hahmann, Christine Hunner-Kreisel, Melanie Kuhn, 2024-06-18 The volume stresses the relevance of the intersectionality framework in welfare state analysis by examining overlapping inequalities within the shifting institutional boundaries and organisational processes across diverse welfare settings The volume explores the strengths and challenges of theoretical and methodological approaches to intersectionality addressing its spatial temporal and comparative dimensions It therefore adopts a critical and process focused approach while recognising the agency of individuals as subjects of state policies The contributions critically build the link between intersectionality and other theoretical frameworks and research paradigms including Marxist social reproduction theory critical race studies Bourdieuan analysis of class critical geography childhood queer migration and disability studies The contributions provide insights into the institutional realms of health education social services and care work and examine state practices of racial profiling and policing in distinct welfare states Overall the contributions illustrate the strengths of the intersectionality framework in empirical inquiries while providing critical reflections on its limitations Readers across a diverse array of social science disciplines will find this book valuable

Gender, Participation and Citizenship in the Netherlands Jet Bussemaker, Rian Voet, 2019-01-15 Published in 1998 this is an edited volume of papers on the theme of participation and citizenship for women It focuses particularly on the necessary conditions for full participation of women as citizens within a modern liberal democracy For this question it takes the Netherlands as an interesting case study because it shows the need for a close connection between social and political participation The editors aim to draw together often separate discussions about citizenship in international literature a political theoretical discussion of democracy and a social policy discussion on the welfare state The papers address issues including the labour market public goods welfare laws affirmative action programmes and future development for girls The book also develops the interrelation of social and political participation from the perspective of citizenship It relates information on the Dutch case study to international comparative research on democracy and welfare states as well as to broader international discussions on gender and citizenship

Developing the Right to Social Security - A Gender Perspective Beth Goldblatt, 2016-06-10 The right to social security found in international law and in the constitutions of many nations contributes to the alleviation of poverty globally Social security and

its articulation as a human right have received increased attention in recent years both in response to austerity cuts to welfare in developed countries and as a means of lifting millions out of poverty in developing countries Women disproportionately affected by poverty in all parts of the world stand to gain from a right to social security that takes cognisance of gender discrimination and disadvantage This book interprets and redefines the right to social security from a gender perspective Drawing on feminist theory the book formulates a conceptual approach and a set of principles for a substantively equal gendered right to social security In so doing it challenges the relationship between the right to social security and traditional conceptions of work that exclude women s labour including their caring roles It argues that the right must have application at the transnational level if it is to address the changing nature of women s work due to globalisation The book applies the framework and principles it develops to a study of international law focusing on the work of key United Nations human rights bodies It also demonstrates the value of this framework in its analysis of three countries social security programmes South Africa Australia and India In combining feminist thought on the nature of work and care with equality theories in developing the right to social security from a gender perspective this book expands the capacity of the right to advance gender equality and address gendered poverty

Gender and the Open Method of Coordination Samantha Velluti, 2016-04-15 Containing contributions by some of the best known researchers in the field this volume considers the intersection between the Open Method of Coordination OMC a relatively new mode of policy making and gender equality a long standing area of EU policy It draws on a range of disciplinary perspectives to examine the effectiveness of the OMC as a medium for the advancement of gender equality within the EU It also considers gender in the OMC in a variety of contexts and at both a general EU and Member State level Central to the discussion is the concept of gender mainstreaming which proposes that a gender equality perspective should be incorporated at every level and opportunity of EU policy and practice The authors assess how successful this has been in the context of the OMC The book provides a unique and contemporary body of work on the OMC which adds significantly to existing understandings of this form of governance and informs critical debate of EU social governance

Working Women and State Policies in Taiwan Fen-ling Chen, 2000-09-29 This book concentrates on exploring the changing relationship between the state and working women in Taiwan by incorporating social economic political and ideological factors into the historical analysis It traces the history of state policies on women s employment the impact of family and gender ideology on women s employment women s roles in capitalist development and the influence of women s movements on policy making in Taiwan Finally it analyses the Taiwanese welfare regime in a gender critical way

Reconceptualizing Social Policy: Sociological Perspectives On Contemporary Social Policy Coffey, Amanda, 2004-09-01 How can sociological perspectives help us make sense of contemporary social policy How has the discipline of social policy engaged in recent sociological debates and developments This book provides a variety of sociological frameworks for understanding contemporary social policy It explores how sociological perspectives may be used

to theorize conceptualize and research social policy Amanda Coffey captures the different ways in which social policy can be understood as academic discipline policy process service provision and lived experience The book engages with a range of policy areas and client groups and pays attention to sociodemographic categories such as gender race class and age Themes include The body and processes of embodiment Citizenship and identity Equality and differences Space and time Research and representation Reconceptualizing Social Policy is a key text for students and lecturers in sociology and social policy

The Myth of Work-Life Balance Richenda Gambles, Suzan Lewis, Rhona Rapoport, 2006-02-22 Many regard the ways in which paid work can be combined or balanced with other parts of life as an individual concern and a small rather self indulgent problem in today's world Some feel that worrying about a lack of time or energy for family relationships or friendships is a luxury or secondary issue when compared with economic growth or development In the business world and among many Governments around the world the importance of paid work and the primacy of economic competitiveness whatever the personal costs is almost accepted wisdom Profits and short term efficiency gains are often placed before social issues of care or human dignity But what about the impact this has on men and women's well being or the long term sustainability of people families society or even the economy Drawing from interviews and group meetings in seven diverse countries India Japan the Netherlands Norway South Africa the UK and USA this book explores the multiple difficulties in combining paid work with other parts of life and the frustrations people experience in diverse settings There is a myth that work life balance can be achieved through quick fixes rather than challenging the place of paid work in people's lives and the way work actually gets done As well as exploring contemporary problems this book attempts to seed hope and new ways of thinking about one of the key challenges of our time *Feminists Theorize the State* J. Kantola, 2006-07-11 Where is feminist state theory today This book offers novel insights into social science debates by analyzing feminist theories of the state The themes are developed within a comparative perspective Focusing on devolution in Scotland and the European Union the book further explores how feminist state theories conceive multi level governance **State Feminism and Political**

Representation Joni Lovenduski, 2005-11-24 How can women maximise their political influence Does state feminism enhance the political representation of women Should feminism be established in state institutions to treat women's concerns Written by experts in the field this 2005 book uses an innovative model of political influence to construct answers to these and other questions in the long running debate over the political representation of women The book assesses how states respond to women's demands for political representation both in terms of their inclusion as actors and the consideration of their interests in the decision making process Debates on the issue vary from country to country depending on institutional structures women's movements and other factors and this book offered the first comparative account of the subject The authors analyse eleven democracies in Europe and North America and present comprehensive research from the 1960s to the present **Handbook on Gender and Social Policy** Sheila Shaver, 2018-09-28 Providing a state of the art overview

this comprehensive Handbook is an essential introduction to the subject of Gender and Social Policy Bringing together original contributions and research from leading researchers it covers the theoretical perspectives of the field the central policy terrain of gender inequalities of income employment and care and family policy Examining gender and social policy at both the regional and national level the Handbook is an excellent resource for advanced students and scholars of sociology political science women s studies policy studies as well as practitioners seeking to understand how gender shapes the contours of social policy and politics

European Access ,1995 **Comparative Politics** Daniele Caramani,2011-02-17

Comparative Politics provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state institutions actors and processes policies and recent changes

Gendering Welfare States Sage Modern Politics Series Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gendering Welfare States Sage Modern Politics Series free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gendering Welfare States Sage Modern Politics Series free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gendering Welfare States Sage Modern Politics Series free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Gendering Welfare States Sage Modern Politics Series. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open

Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gendering Welfare States Sage Modern Politics Series any PDF files. With these platforms, the world of PDF downloads is just a click away.
