to make *On the Road* an inspirational work of lasting importance Kerouac's classic novel of freedom and longing defined what it meant to be Beat and has inspired every generation since its initial publication more than fifty years ago This Penguin Classics edition contains an introduction by Ann Charters For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Dime Novel in Children's Literature Vicki Anderson, 2004-11-23
With their rakish characters sensationalist plots improbable adventures and objectionable language like swell and golly dime novels in their heyday were widely considered a threat to the morals of impressionable youth Roundly criticized by church leaders and educators of the time these short quick moving pocket sized publications were also inevitably wildly popular with readers of all ages This work looks at the evolution of the dime novel and at the authors publishers illustrators and subject matter of the genre Also discussed are related types of children's literature such as story papers chapbooks broadsides serial books pulp magazines comic books and today's paperback books The author shows how these works reveal much about early American life and thought and how they reflect cultural nationalism through their ideological teachings in personal morality and ethics humanitarian reform and political thought Overall this book is a thoughtful consideration of the dime novel's contribution to the genre of children's literature Eight appendices provide a wealth of information offering an annotated bibliography of dime novels and listing series books story paper periodicals characters authors and their pseudonyms and more A reference section index and illustrations are all included

American Classic Screen Interviews John C. Tibbetts, James M. Welsh, 2010-07-23
First appearing in 1976 *American Classic Screen* was the publishing arm of The National Film Society Intended for scholars and general readers interested in films from the golden age of cinema and beyond the magazine ran for a decade and included original interviews profiles and articles that delved deep into the rich history of Hollywood Contributors to the magazine included noted academics in the area of film studies as well as independent scholars and authors eager to expand the world of cinema Since the periodical's demise however many of the essays and articles have been difficult to find at best and in some cases entirely unavailable In *American Classic Screen Interviews* editors John C Tibbetts and James M Welsh have assembled some of the most significant and memorable interviews conducted for the magazine over its ten year history This collection contains rare conversations with some of the brightest stars of yesteryear as well as gifted filmmakers celebrated animators and highly revered historians including Fred Astaire Kevin Brownlow Frank Capra Stanley Donen Olivia DeHavilland Irene Dunne Joan Fontaine Fritz Freleng Margaret Hamilton Winton C Hoch Henry King Mervyn Le Roy Fred MacMurray Glen MacWilliams Rouben Mamoulian Clarence Ducky Nash Paul Newman Hermes Pan Robert Preston and Jane Withers This compendium of interviews recaptures the spirit and

scholarship of that time and will appeal to both scholars and fans who have an abiding interest in the American motion picture industry **American Library Directory, 2008-2009** ,2008 **Serials and Series** Buck Rainey,2015-06-08 While many fans remember The Lone Ranger Ace Drummond and others fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials though few made it to the United States The 471 serials and 100 series continuing productions without the cliffhanger endings from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work Each entry includes title country of origin year studio number of episodes running time or number of reels episode titles cast production credits and a plot synopsis
