 often see is the usher While many may look at the position of usher as simply a social one it can be so much more In Ushering
 with a Mission author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher
 The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training
 manual addressed techniques ushers should use in carrying out those duties Davis s Ushering with a Mission goes a step
 further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a
 committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is
 not something we simply do because It s our Sunday to usher We do it because it is a lifestyle resulting from the overflow of
 the Spirit filled life Ushering with a Mission stresses the importance of Bible study prayer and personal evangelism with
 nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great
