Gender and Schooling in the Early Years Janice Koch,Beverly Irby,2005-09-01 In this volume gender and schooling in the early years addresses a broad range of issues including but not limited to gender equity in education We explore for example the complex world of play in Fromberg s chapter and are reminded that for young children play involves issues of power and hierarchy in ways that parallel the role of gender in society Miletta s study of preschool children in northern Italy at Reggio

Emilia reveals a story of classroom interactions where gender differences are not part of the equation for the youngsters Her chapter begs the question How does this environment empower all children regardless of gender Two chapters provide a lens to the Montessori setting for young children Wilgus studies the gendered patterns of young women teaching at a Montessori school while Irby Rodriguez and Lara Alecio explore the intersections of culture and gender at a bilingual Montessori public school Further examining the preschool years Plaster and Schiller address the current brain research and examine the ways in which the adults that staff early child care programs and the environments that they offer play an important role in the development of our children Education for people and the planet: Creating sustainable futures for all

UNESCO,2016-09-12 This edition of the Global Education Monitoring Report GEM Report is the first in a series that will assess the progress of education under the new Sustainable Development Goals SDGs *Social Class and Educational Inequality* Iram Siraj,Aziza Mayo,2014-06-05 Social class is often seen as an intractable barrier to success yet a number of children from disadvantaged backgrounds still manage to show resilience and succeed against the odds This book presents the findings from fifty Child and Family Case Studies CFCS conducted with 13 16 year olds The authors look specifically at the roles that people and experiences at home in schools and in the wider community have played in the learning life courses of these children how these factors have affected their achievement and explanations and meanings given by respondents to the unique characteristics experiences and events in their lives Featuring the voices of real parents and children and backed up by a decade of quantitative data this is a compelling record that will help readers to understand the complex nature of social disadvantage and the interplay between risk and protective factors in homes and schools that can make for a transformational educational experience Sex and Gender Hilary M. Lips,2020-04-10 Are sex and gender really two different things How malleable is gender identity Do both gender and sex have to be conceptualized as binaries as having two distinct but complementary categories Should we emphasize gender differences or is that the wrong question When should we call a gender difference small Are women really nonaggressive or does that label stem from stereotyping How does subtle or modern sexism work on its targets Scholarship on these and other gender related questions has exploded in recent years Hilary Lips synthesizes that research for students in an accessible and readable way Concepts on sex and gender are presented with the social context in which they were developed As in previous editions Lips takes a multicultural approach discussing the gender experiences of people from a wide range of races cultures socioeconomic statuses and gender and sexual identities She emphasizes empirical research but takes a critical approach to that research
