The techniques that will grow your business will also help you achieve a rich, purposeful and integrated life. Here Brenneman takes what he's learned from turning around or tuning up many businesses including Continental Airlines and Burger King and distills it into a simple, clear five-step roadmap that anyone can follow. He teaches you how to prepare a succinct Go Forward plan, build a fortress balance sheet, grow your sales and profits, choose all-star servant leaders, empower your team. For more than thirty years Brenneman has seen these steps foster dramatic results in a variety of business environments. But he also came to realize that he could apply these same principles to improve his life and build a lasting moral legacy. He found he could make better decisions by carefully taking the most important facets of his life: faith, family, friendship, fitness, and finance into consideration. Brenneman's inspiring examples from both his business and his life demonstrate the astounding effects these steps can have when you apply them right away and all at once.
