

The background of the cover is a vibrant, artistic illustration of a chemical laboratory. It features various glassware including beakers and flasks, some containing liquids. Molecular models are scattered throughout, showing different chemical structures with atoms represented by colored spheres (red, white, blue, black). A large, curved structure resembling a DNA helix or a protein chain is visible on the left. The overall color palette is dominated by blues, greens, and yellows, with a halftone dot pattern in some areas.
