Abstract Proceeding ICGD 2018: Gender and Development in Changing Society Participant of International Conference on Gender and Development (ICGD) 2018, 2018-07-30 International Conference on Gender and Development ICGD 2018 was held on the campus of Hasanuddin University in Makassar during 10-11 July 2018. In this activity, 91 abstracts of scientific papers will be presented so that it has many useful discussions and exchanges that contribute to the success of the conference. The 91 abstracts that were presented on the first two days formed the heart of the conference and provided ample opportunity for discussion. This change allowing the conference to end with invited talks was a departure from the format used at previous ICGD gatherings in which the conferences ended with a poster session. The abstracts were split almost equally between the ten sub-themes. Of the abstracts presented, 91 of which are included in the volume of this process. P3KG Hasanuddin University for the first time publishes an abstract and collaborates with SIGn publishers.

Chinese Education in a Changing Global Landscape Tingting Yuan, Catherine A. Simon, 2025-09-30. This book offers a nuanced and research-based critical account of the current status of Chinese education at differing levels within China in the context of its position on the global economic and political stage. Following on from in-depth discussion of China's global policies including the Forum on China and Africa Cooperation (FOCAC) action plan and the Belt and Road Initiative (BRI), chapters present empirically based case studies showcasing a range of theoretical perspectives on higher education, neoliberalism and nationalism, teacher training and identity, and curriculum design amongst other areas of research. The book contextualises the role of education internally within China as it faces global challenges and explores how China has developed its education programmes within its national and international strategies. Key trends in educational development are also addressed such as the digitalisation of education and artificial intelligence. Ultimately offering a critical analysis of the Chinese education system in the context of globalisation, this book will be relevant to scholars, academics, and postgraduate students in the fields of international and comparative education, educational policy and politics, and Chinese education development. More specifically, educational policymakers may also find this volume of interest.
