Ex-King Constantine and the War (Classic Reprint) George M. Mélas, 2017-11-21 Excerpt from Ex King Constantine and the War T is not my intention to attempt a minute portrait of the King any more than to write his history His history unhappily he has written himself and it will perhaps be one day written in still darker characters by posterity I shall only roughly outline the principal traits that make up the portrait of the man My intention indeed is to give the facts and to leave to the reader the task of portraying for himself the manifold and diverse constituents Of which the King s nature was compounded By this means I shall be assisting to correct the judgment of those people and they are numerous who think they know him already One may well inquire when one reflects how little their official biographers are sometimes acquainted with them whether monarchs are ever really known to the world in general About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The United States Catalog; Books in Print January 1, 1912 H.W.
