Israel's Eschatological Enemy Timothy Allen Little, 2020-05-01 Who is the king of Babylon in Isaiah 14 The early church sometimes identified him as Nebuchadnezzar but most also saw a deeper meaning in Isa 14 12 14 believing this section referred to Satan Many current scholars reject both views and offer a variety of alternatives Little argues that shining one Lucifer in Isa 14 12 is the king of Babylon This book analyzes the mashal proverb genre and argues that the Isa 14 mashal must be a real person not a symbolic ideal eclectic or representative king Scholars have presented nine historic kings as the king of Babylon Little compiles a list of fifteen criteria from Isa 13 14 evaluates these nine kings and demonstrates that no historic king comes close to fulfilling the fifteen criteria Instead Little argues that the king of Babylon is Israel s eschatological enemy Through the use of catchwords and temporal particles he first demonstrates that the oracle is a unit Then he proves that this Babylonian judgment is eschatological All foreign languages have been translated allowing the student of prophecy and theology to benefit from this work Those interested in the mashal genre Hebrew poetry and Isaianic exegesis will also find this book stimulating

Michael Martin, 1995-08-25 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition *1-2 Thessalonians* Florence Morgan Gillman, Mary Ann Beavis, HyeRan Kim-Cragg, 2016-11-08 When Paul wrote First Thessalonians shortly after the recipients had accepted the Gospel many significant issues had already arisen among them Of great concern was the social complexity and even persecution they encountered because they had turned to God from idols 1 9 The countercultural stance of those earliest believers and especially the impact that may have had for women is addressed throughout this commentary While Paul directs no remarks only to women in this letter the ramifications of his preaching on their daily lives emerge vibrantly from the application of a feminist hermeneutics of suspicion to the text While Second Thessalonians is a shorter letter it has been disproportionately influential on Christian thought especially apocalyptic doctrine and the Protestant work ethic From a feminist perspective it is androcentric rhetorically manipulative and even violent In this commentary Mary Ann Beavis and HyeRan Kim Cragg explore this text from many angles to expose both constructive and destructive implications in the text Notably they suggest a perspective on the afflictions endured by the Thessalonian church that neither glorifies suffering nor wishes for revenge but rather sees the divine presence in women s acts of compassion and care in circumstances of extreme duress and inhumanity From the Wisdom Commentary series Feminist biblical interpretation has reached a level of maturity that now

makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format to ministers preachers teachers scholars and students will aid all readers in their advancement toward God's vision of dignity equality and justice for all The aim of this commentary is to provide feminist interpretation of Scripture in serious scholarly engagement with the whole text not only those texts that explicitly mention women A central concern is the world in front of the text that is how the text is heard and appropriated by women At the same time this commentary aims to be faithful to the ancient text to explicate the world behind the text where appropriate and not impose contemporary questions onto the ancient texts The commentary addresses not only issues of gender which are primary in this project but also those of power authority ethnicity racism and classism which all intersect Each volume incorporates diverse voices and differing interpretations from different parts of the world showing the importance of social location in the process of interpretation and that there is no single definitive feminist interpretation of a text
