

**Lipper Fund Awards 2016 Presentation Ceremony
Keynote Speech
15 March 2016**

**Philip Tsai
Non-executive Director
Mandatory Provident Fund Schemes Authority**

1. Thank you for inviting me to this special occasion.

2. I would like to congratulate those who are commended today for achieving the best investment performance results in their respective categories of funds, in particular, of course, the management of MPF funds. I see their success translates automatically into good investment outcomes for our scheme members.

Development of MPF System

3. As we all know, the MPF System has been set up for 15 years. It is a second pillar system of the World Bank approach to Old Age Protection, i.e. a mandatory, privately managed, and fully funded system. The key purpose of the MPF System is to assist employees in accumulating savings for their retirement.

4. Overseas experience shows that it normally takes about 40 years for a retirement protection system to mature. The MPF System, by international standard, is still a relatively young system.

5. In measuring the progress of the MPF System, the statistics speak for themselves. Before the MPF System was implemented, it is estimated that only about a third of Hong Kong workers were covered by any sort of occupational retirement protection scheme.

6. After the launch of the MPF System, as at December 2015, 85% of Hong Kong's workers (about 3.2 million) were covered by the MPF System or

Introducing Communication Research Donald Treadwell,Andrea Davis,2019-07-30 Introducing Communication Research Paths of Inquiry teaches students the basics of communication research in an accessible manner by using interesting real world examples engaging application exercises and up to date resources Best selling author Donald Treadwell and new co author Andrea Davis guide readers through the process of conducting communication research and presenting findings for scholarly professional news media and web audiences The Fourth Edition continues to emphasize the Internet and social media as topics of and tools for communication research and incorporates new content on online methodologies qualitative research critical methodologies and ethics On Behalf of the President Lauren A. Wright,2016-04-18 White House expert Lauren A Wright identifies explains and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy with a focus on the Clinton Bush and Obama administrations More than any other time in history the First Lady now bears responsibilities tantamount to those of any high ranking cabinet member This fascinating book documents the growing presence of the president s wife in the communications strategies of the last three administrations explaining why their involvement in a campaign has been critical to its survival The book explores how the First Lady serves to persuade public opinion make personal appeals to the public on behalf of the president and promote initiatives that serve as uncontroversial frames for controversial policies The author delves into political discussions about what makes presidents and presidential

candidates likable what draws public support to their agendas and why spouses appear to be more effective in these arenas than other surrogates or even the presidents themselves The content features dozens of interviews with former White House staff and communications strategists in depth analysis of almost 1 700 public speeches made by Hillary Clinton Laura Bush and Michelle Obama and surveys testing the effect of public relations strategies involving spouses on political opinion

China's Leaders Cheng Li,2001 Who will govern China after Jiang Zemin What path will its new leaders chart in the early years of the twenty first century Drawing upon a wealth of both quantitative and qualitative data on the so called fourth generation of leaders_those who were young during the Cultural Revolution_Cheng Li shows that this group is more diversified than previous generations in formative experiences political solidarity ideological conviction and occupational background The author explores the contradictions between these emerging leaders and their non elite peers who were barred from education during the Mao era and now often are unemployed and disenchanted The book concludes with the intriguing notion that this generation of leaders may have a better understanding of its peersO concerns and therefore may make the regime more accountable to its people thus contributing to rather than opposing democratic development

The Elements of Public Speaking Joseph A. DeVito,2000 Elements of Public Speaking 7e provides a highly engaging and comprehensive survey of public speaking in a flexible format adaptable to a variety of classrooms The major themes of the new edition are its integrated coverage of new technology inclusion of ethics emphasis on listening expanded coverage of culture and gender and continued coverage of critical thinking

Introduction to Traveling Waves Anna R.

Ghazaryan,Stéphane Lafortune,Vahagn Manukian,2022-11-14 Introduction to Traveling Waves is an invitation to research focused on traveling waves for undergraduate and masters level students Traveling waves are not typically covered in the undergraduate curriculum and topics related to traveling waves are usually only covered in research papers except for a few texts designed for students This book includes techniques that are not covered in those texts Through their experience involving undergraduate and graduate students in a research topic related to traveling waves the authors found that the main difficulty is to provide reading materials that contain the background information sufficient to start a research project without an expectation of an extensive list of prerequisites beyond regular undergraduate coursework This book meets that need and serves as an entry point into research topics about the existence and stability of traveling waves Features Self contained step by step introduction to nonlinear waves written assuming minimal prerequisites such as an undergraduate course on linear algebra and differential equations Suitable as a textbook for a special topics course or as supplementary reading for courses on modeling Contains numerous examples to support the theoretical material Supplementary MATLAB codes available via GitHub

Intercultural Communication: A Critical Introduction Ingrid Piller,2011-04-29 Combining perspectives from discourse analysis and sociolinguistics this introduction provides students with a comprehensive up to date and critical overview of the field of intercultural communication Ingrid

Piller explains communication in context using two main approaches. The first treats cultural identity difference and similarity as discursive constructions. The second, informed by bilingualism studies, highlights the use and prestige of different languages and language varieties as well as the varying access that speakers have to them. Linguistics students will find this book a useful tool for studying language and globalization as well as applied linguistics. *Speech Index* Roberta Briggs Sutton, 1962. Real Communication Dan O'Hair, Mary Wiemann, 2012-01-16. Real Communication uses stories from real people and the world around us to present the best and most lively introduction to communication concepts.
