- 1 Restructure its Research Development Test and Evaluation RDT E organizations and associated workforce to enable the Department to make better use of the capabilities of industry and other government agencies to concentrate in house capabilities in areas where there is no external capability and to eliminate duplicative capabilities
- 2 Expand the use of price based forms of contracting to reduce the cost of doing business with Department of Defense DoD for existing Defense contractors and to give DoD access the segments of industry that currently choose not to do business with the Department because of the costs and complexities associated with cost based contracts
- 3 Expand the outsourcing of sustainment activities to eliminate duplicative capabilities between DoD and industry to enable the Department to capitalize on industry's advancements in applying technology to these functions and to provide better support to the user
