Flying High In Spirit:

Flying High in Spirit Carol Morgan, Mikey Morgan, 2018-11-06 The physical loss of my precious son was devastating to me But from the very beginning I knew in my heart someone I loved so much could not possibly be gone forever I knew he couldn't be far away Our family was just too close and connected I opened my heart to what was happening around me I never doubted the signs or dreams I received no matter what others thought or said I knew it was Mikey And it is He is alive as ever just in a different form and dimension Always remember that we will see our loved ones again The heavenly dimensions are truly all around us They will continue to help us on our journey of life until we meet again My mission in going public with Mikey's story and messages about the afterlife is to give hope peace and comfort to others This book tells about the importance of love and being positive in our ways while we are on earth We need to embrace and believe in the loving guidance that is unseen

Flying High in Spirit Mikey Morgan, Robert Grimes, 2015-10-08 Mikey Morgan is an advanced being who enjoys teaching in the afterlife levels Like other advanced beings Mikey has become increasingly concerned about the present state of life on earth the hatred and violence and the inability of most of us to make much spiritual progress Mikey wanted to reaccustom himself to life on earth so he could teach us through the veil so he accepted a brief earth lifetime that ended in 2007 *Flying High in Spirit* is Mikey's first book dictated to his mother by pendulum He begins by recounting in fascinating detail his unexpected death his return to the afterlife levels and his dawning recall of who he is and what his pre birth plan had been Mikey's vivid account of how the afterlife levels feel to someone who has just returned the sights and the activities and his description of how he manages to reassure and comfort his family on earth all make for fascinating reading In *Flying High in Spirit* Mikey shares important eternal truths in ways that are easy for us to understand He speaks to us frankly and cheerfully about how life works how reality works what the afterlife is like and how we all can make the kind of spiritual progress that he has made He teaches us and he snowboards Oh does he snowboard One of the wonderful lessons that Mikey demonstrates is that eternal life is fun Mikey Morgan is unique Few of those who have reached the sixth level of the afterlife are in contact with the earth and fewer still have made his kind of effort to understand us before attempting to share their wisdom Mikey is an advanced teacher who is able to relate to us as a twenty first century boy on the threshold of becoming a man He is cheerful playful wise and full of love His story is unforgettable
