The seventh issue of Tanker Techniques Magazine the best modelling magazine focused on painting and weathering
techniques Urban warfare has left its print on the development of new tanks and armoured vehicles This issue of Tanker is
dedicated to creating such an environment for your model We show how to make a street scene destroyed and bombed out
buildings etc This time the focus is more on how to present your model in such environments rather than on the vehicles
themselves Creating such scenes requires some planning and thinking but it s not as hard as it seems Already here the last
issue of Tanker this time focus in conflicts in villages and cities In this issue we can feel the battle and the sensations of
decadence in cities destroyed by the war We will see how to recreate these environments buildings and vehicles **Maine**
