Cluster Cluster Failure Phenomenon And Other Paranormal Aviation Events:

Cluster Plainman37,2015-05-07 Cluster Failure Phenomenon is a collection of non fiction stories that detail various paranormal events in the life of a blue collar aviator While most of the collection is aviation based the range is from a UFO encounter Myrtle Beach to a search for the simple perfection of childhood friendships Ghost Hunters A plantation spirit that encourages a romance between a couple of casual residents Glen Roy Spotter 13 documents a visit by a deceased pilot that convinced a dozen witnesses of the reality of the event Cops and Robbers does not have a paranormal aspect other than it s a miracle the author survived the over zealous attempts by federal agents to protect us from marijuana Religion, Supernaturalism, the Paranormal and Pseudoscience Homayun Sidky,2019-11-30 Religion Supernaturalism the Paranormal and Pseudoscience provides a comprehensive rejoinder to the challenges posed to science scientific anthropology evolutionary theory and rationality by the advocates of supernatural paranormal and pseudoscientific perspectives and modes of thought associated with the current rise of irrationalism antiintellectualism and emboldened religious fundamentalism and violence Drawing upon H Sidky s scientific anthropological background and ethnographic field research of supernatural and paranormal beliefs and practices in several cultures over three decades the book answers several important questions Why do humans have a proclivity for the supernatural and paranormal thinking Why has humanity remained shackled to sets of ideas inherited from a violent past that have no basis in reality and which bestow an illusionary solace promote bloodshed endless cruelties and fervent hatreds and have come at a high cost Why have ancient superstitions been held as sacred inviolate truths while other aspects of the archaic belief systems of which they were a part have long been discarded Why have not humans outgrown religion and paranormal beliefs *The Miraculous Flying House of Loreto* Karin Vélez,2019 In 1295 a house fell from the evening sky onto an Italian coastal road by the Adriatic Sea Inside awestruck locals encountered the Virgin Mary who explained that this humble mud brick structure was her original residence newly arrived from Nazareth To keep it from the hands of Muslim invaders angels had flown it to Loreto stopping three times along the way This story of the house of Loreto has been read as an allegory of how Catholicism spread peacefully around the world by dropping miraculously from the heavens In this book Karin V lez calls that interpretation into question by examining historical accounts of the movement of the Holy House across the Mediterranean in the thirteenth century and the Atlantic in the seventeenth century These records indicate vast and voluntary involvement in the project of formulating a branch of Catholic devotion V lez surveys the efforts of European Jesuits Slavic migrants and indigenous peoples in Baja California Canada and Peru These individuals contributed to the expansion of Catholicism by acting as unofficial authors inadvertent pilgrims unlicensed architects unacknowledged artists and unsolicited cataloguers of Loreto Their participation in portaging Mary s house challenges traditional views of Christianity as a prepackaged European export and instead suggests that Christianity is the cumulative product of thousands of self appointed editors V lez also demonstrates how miracle narratives

can be treated seriously as historical sources that preserve traces of real events Drawing on rich archival materials *The Miraculous Flying House of Loreto* illustrates how global Catholicism proliferated through independent initiatives of untrained laymen *Hauntings and Poltergeists* James Houran, Rense Lange, 2015-08-13 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world's most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists

Parapsychology Etzel Cardeña, John Palmer, David Marcusson-Clavertz, 2015-08-14 Many people have experienced such unusual phenomena as dreams that later seem to correspond with unforeseeable events thinking of a long lost friend just before he or she unexpectedly calls or the ability to feel the presence of deceased loved ones What many do not realize is that these types of experiences have been researched for more than a century by eminent scientists including Nobel laureates Most of these researchers have concluded that some of these phenomena do occur although we are far from explaining them to everyone's satisfaction This book is the first in almost 40 years to provide a comprehensive scientific overview of research in the field of parapsychology explaining what we know and don't know about so called psi phenomena such as telepathy precognition or psychokinesis Contributors evaluate the evidence for these phenomena accounting for factors such as selective memory wish fulfillment and incorrect methods or analyses in some cases offering psychological physical and biological theories Instructors considering this book for use in a course may request an examination copy here **The**
