Bookclub-in-a-box Presents the Discussion Companion for Sara Gruen's Novel Water for Elephants Marilyn Herbert, 2008. Running away with the circus is one of the world's most enduring and romantic ideas. However, the reality of circus life during the Depression era was hard and painful. Jacob Jankowski, now over ninety years old, looks back on that time of desperation, cruelty, and prejudice, but at the same time he recalls a magical atmosphere, the animals, the larger-than-life circus population, love, and of course, a special elephant named Rosie. Sara Gruen depicts a juxtaposed world of the train circus and the nursing home. The Bookclub in a Box discussion guide for this marvelous novel will uncover the mystery of how to carry water for elephants. In addition, you will explore Gruen's masterful story-telling techniques and how the worlds of aging and circus adventure intersect. Every Bookclub in a Box discussion guide includes complete coverage of the themes and symbols, writing style, and interesting background information on the novel and the author.

Matters of Faith Kristy Kiernan, 2008-08-05. From the author of *Catching Genius*, a novel of a young man's search for faith and its unintended consequences. At age twelve, Marshall Tobias saw his best friend killed by a train. It was then that he began his search for faith, delving into one tradition then discarding it for another. His parents, however, have little time for spiritual contemplation. Their focus has been on his little sister, Megan, who suffers from severe food allergies. Now Marshall is home from college with his first real girlfriend, but there is more to Ada than meets the eye, including her beliefs about the evils of medical intervention. What follows is a crisis that tests not only faith but the limits of family forgiveness and our need to believe.

Catching Genius Kristy Kiernan, 2007-03-06. As children, Connie and Estella were best friends until Estella was discovered to be a math prodigy, which led to the sisters' estrangement. Now years later, they are forced to reunite on the Gulf Coast of Florida as they pack up their childhood home and ready it for sale. The reunion comes at a time when both Connie and Estella must come to terms with painful revelations and devastating consequences in their own lives. And once again, her sister's genius may alter Connie's life in ways she cannot control.
