Ridgely, 2006-05-18 First Communion is generally understood as a rite of passage in which seven and eight year old Catholic children transform from baptized participants in the Church to members of the body of Christ the universal Catholic Church This official Church account however ignores what the rite actually may mean to its participants In When I Was a Child Susan Ridgely Bales demonstrates that the accepted understanding of a religious ritual can shift dramatically when one considers the often neglected perspective of child participants Bales followed Faith Formation classes and interviewed communicants parents and priests in an African American parish and in a parish containing both white and Latino congregations By letting the children speak for themselves through their words drawings and actions When I Was a Child stresses the importance of rehearsal the centrality of sensory experiences and the impact of expectations in the communicants interpretations of the Eucharist In the first sustained ethnographic study of how children interpret and help shape their own faith Bales finds that children s perspectives give new contours to the traditional understanding of a common religious ritual Ultimately she argues that scholars of religion should consider age as distinct a factor as race class and gender in their analyses Christian Home Educators' Curriculum Manual Cathy Duffy, 2000

Preparing Your Child for Holy Communion Betti Meenattoor, 2022-01-15 First Holy Communion day is the most important and memorable day in the life of a Catholic child. Eucharist is the ineffable gift and Holy Communion is the fusion between us and Jesus. Children start longing to receive Holy Communion at an early age but have to wait till they reach the age of discernment. In preparation they attend yearlong classes and training either through the Catholic School or the Sunday School Faith Formation classes. At the end of this lengthy preparation we still ask the same question: Are we really ready? Family is the domestic church and parents are the primary catechism teachers. Knowledge is power and education is empowerment. Being involved actively in faith formation in Holy Communion preparation, being a teacher and director of religious education for the past several years, answering the parents and reassuring them again and again, I thought of putting it together, hence this book: Preparing Your Child for Holy Communion: A Guide for Parents **Cross**
