Pinpointer ,1983      **Detector Owner's Field Manual** Roy Lagal,1976      Advanced Treasure Hunting with the Fisher Quick Silver Series Metal Detectors Andy Sabisch,1995-06      **Los Detectores De Metales En Áreas Históricas** José Antonio Agraz Sandoval,2012-08-07 Este es un libro manual que intenta enfocar el uso del detector de metales en lugares antiguos con un pasado historico donde el hombre vivi por ms tiempo no es un libro tcnico especializado en los detectores de metales pero se expone una semblanza de las tecnologas modernas para la localizacin de los metales reliquias tesoros y riquezas perdidas Ofrece una gua para encontrar metales enterrados usando una desconocida pero innovadora varilla de radiestesia llamada la varilla vertical desarrollada por el autor misma que se sostiene con ambas manos dando ms sensibilidad que las varillas en L y el pndulo usados en la Radiestesia Este adems es un libro bilinge que intenta promover la historia y tecnologa del detector de metales desarrollada en los Estados Unidos para transmitirla a los aficionados y buscadores de metales valiosos de habla hispana This is a book manual that attempts to focus the use of metal detector in old places with a past where men lived longer not a technical book that specializes in metal detectors but draws a portrait of the technologies modern location of metals relics treasures and lost riches Provides a guide to find buried metals using an unknown but innovative dowsing rod called the vertical rod developed by the author it is held with both hands giving greater sensitivity than the rods in L and the pendulum used in Dowsing This also is a bilingual book that seeks to promote the history and technology of metal detector developed in the United States of America to transmit to the fans and seekers of precious metals for speakers of Spanish      **Taking a Closer Look at Metal Detector Discrimination** Robert C. Brockett,199?      Street Metal Detecting Rosie O'Kelly,2021-05-14 This book is the kick in the pants the hobby of metal detecting desperately needs today It doesn t waste time teaching you about your detector That s not its job It s far beyond that It s a plain written straightforward guide to rewarding metal detecting I wish existed when I first began detecting years ago It s the perfect gift not only for the new metal detectorist but also the experienced metal detector who has grown bored and frustrated with the hobby This work will drill down on where and HOW you should spend your time metal detecting today Truth be told metal detecting in 2021 is so much different than that of even ten years ago The battlefields of today are barren The parks and schoolyards are well and truly hunted out And I am one of the rare few who dares to tell you this Hunt these places today and you are wasting your time There I said it Yet our hobby mopes along as if we are living back in the 50 s with loads of silver coins and jewelry there for the taking Sorry but the Leave it to Beaver world that existed then ain t the hard scrabble world of today Old school methods and approaches are outdated and don t give you any leg up much less any useable knowledge to undertake metal detecting in an exciting and profitable way today You can however be an early pioneer and open your eyes to a novel way of metal detecting one which can both help you start the hobby right or reinvigorate a hobby which has become downright boring Tired of digging clad coins chewed up pennies and cheap costume jewelry So was

I Out of mad frustration one day I tried something which blew me away and gave me instant rewards Actually the results of the first hunt plain stunned me I have pursued this method of metal detecting now for a few years refined it and finally decided to share it with others It is a truly a new frontier It offers rewards enough to make me excited every time I go out I couldn't say that five years ago What is this Street metal detecting This guide will tell you about my experiences and show you with pictures some of the incredible items I have recovered More than this it will instill in your mind the foundations of why my approach to detecting today is so amazing It also explains how you should do street detecting step by step This includes where to detect the proper method and example after example all drawn from my experiences impressing on you why this is the single best way to metal detect today By the end you will know what I tell you is grounded in reality and a philosophy As a result you will adopt it and change your metal detecting forever If I could drag you with me on one of my hunts I doubt you would ever go back to a park or schoolyard Yes I feel that strongly about what's contained in this manual Yes you will read about some of the risks but in this book I teach you how to mitigate them and even use them to your advantage Put another way this is no pie in the sky read which promises much and produces little I am not a sales rep for detector manufacturers telling you to buy the latest most expensive detector if you want to succeed In my approach even the cheapest metal detector made will when following my guidelines and suggestions yield amazing finds This hobby needs a do over and I think this book at least kick starts the process Again to me if this guidebook was available to me as a raw beginner I would have been eternally grateful As for specifics you will learn the right way to street detect as well as the perils of doing it wrong I pull no punches here but deal in plain logic and facts It is a different world street detecting and there are some risks But with any worthwhile undertaking increased risk is usually commensurate with greater rewards This is 2021 folks The world has changed but metal detecting has neither recognized nor has it adapted to the realities of the challenges facing the hobby today
