Workbook Joyce A. Cascio, 2005-05 Walk Numbers! Jeffrey Enoch Feinberg, 2002 Wander through the wilderness with the children of Israel You can stand up to be counted in the census of God's army or accept a special priestly task Join the march as we break camp and move out from Sinai Then learn to trust God rather than spies who fear giants Rebellion and complaints set us back but the Land of Promise lies ahead Though destroyers curse us the LORD will bless us How lovely are your tents O Jacob your dwelling places Israel After thirty eight years we camp by the Jordan ready for Moses final words

Walk Deuteronomy! Jeffrey Enoch Feinberg, Messianic Jewish Publishers, 2003 Following the popular user friendly Walk series format each section includes an overview a short Hebrew lesson for the beginner key biblical concepts and practical applications Hear the words of Moses learn from past wanderings and prepare to claim your inheritance A daily devotional and Bible study tool 231 pages **Whitaker's Books in Print** ,1998 *Messianic Torah Devotional* Kevin Geoffrey, 2008-08-01 Presenting the five books of Moses from a distinctly Messianic Jewish perspective the Messianic Torah Devotional will forever change the way you see your relationship with God The topics of Torah from the fundamental to the fiery are sure to stir you toward a life of unparalleled holiness and commitment to the Master Yeshua With devotional writings corresponding to each of the Torah portions as defined by the traditional Jewish annual reading cycle the Messianic Torah Devotional illuminates Israel's distinguishing covenant as a rich source of nourishment for the hungry disciple of Messiah Join Messianic Jewish teacher and author Kevin Geoffrey in this third offering from the Messianic Devotional series as he leads you on a humbling journey from the Garden to the Jordan and encourages you to continue developing the life transforming discipline of devotion **Proverbial Wisdom & Common Sense** Derek Leman, 1999 Unique in style and scope a commentary on the book of Proverbs written in devotional style and divided into chapters suitable for daily reading Messianic in approach it uses the Complete Jewish Bible and refers to rabbinic interpretation of Proverbs throughout A virtual encyclopedia of practical advice on family relationships sexual morality finances reputation and gossip laziness and

diligence honesty and justice kindness and love humility and pride violence and discipline **Walking with Yeshua** Derek Leman, 2000 Picture a baby trying to walk Shaky and unsteady this little one takes tiny steps to avoid falling and getting hurt If a new believer doesn't take baby steps he or she is also likely to stumble while growing up Derek Leman staff worker with Light of Messiah Ministries and a consultant on Jewish evangelism to the Georgia Baptist Convention with a B A from Moody Bible Institute and a Masters from Emory University has written an excellent book to help a new believer know how to take the beginning steps in the spiritual life Drawing on many years of experience working with new believers Leman reviews the basics of beginning a walk with the Lord Homework and review questions provide focus for the baby believer especially when used in conjunction with a mentor which is highly recommended by the author Walking with Yeshua written primarily to help new Jewish believers start their walk with the Messiah will help any believer to grow in the Lord 180 pages *Messianic Torah with Commentary... Plus!* Gary Gardner, 2017-07-27 The Messianic Torah with Commentary Plus MTC is a Chumash with each parasha marked and a hyperlink to the Haftorah which is located in the end notes The Plus is the addition of the book of Matthew The MTC includes links to passages in the NT and TaNaK and was compiled with the follower of Yeshua in mind All Hebrew words used in the notes have definitions and transliterations The MTC is not made to be a reference but more of an everyday reader In the MTC we have tried to explore the Jewish culture and world in which the words were written to help the student understand and apply them to modern life The text of the MTC is taken from a modified public domain American Standard version The new edition of the MTC includes several new features The first and most obvious is the addition of the book of Matthew from the 1st century CE Jewish book the New Testament NT also known as the Apostolic Scriptures Matthew is added after the book of Deuteronomy The comments in Matthew are a little more devotional in nature than those in the Torah but stay with the Messianic Hebrew cultural view that is being emphasized in this work To access the haftorah go to the blue link that gives the scripture reference for that parashah's haftorah Then click on the number to the right of the reference This will take you to the end notes where the haftorah is given in blue To return to the text simply click the number again from the end notes and it will take you back to the text of that parashah The Haftorah sections in the MTC reflect several different Jewish traditions When we were looking for Haftorot to place in the text we did not use all Azkenazi or Sefardi Most of the time we used one of those two prominent groups but we also looked at the Yemeni and Romani traditions The Yemeni is the oldest Jewish community and the Romani reflect the eastern Jewish traditions for which our early Fathers in the faith were probably associated We tended to go with the Haftorah reading that we felt spoke to Messianics the best The next new feature has to do with the notes themselves As in the old edition to see the notes the reader can simply scroll to the end of each page and read what is written then back up to the text The new option is that if you click on the number for the note it will take you to an endnote copy of the note The endnote copy will show all the notes for the whole MTC without the Biblical texts This allows the student to skip to the commentary alone if so desired That way a

search can be done to look for things such as Hebrew words and other points of interest When a comment looks interesting click that number and it will take you to the text that the comment references Click the number a second time and you are back in the comments to continue your search The third new feature involves 100s of hyperlinks within the text In places such as Lev 23 where the Feasts and Festivals are listed there are blue links to other places in the Torah where the same Festivals are discussed Click on the link and it will take you to the other reference Click again and you are back where you started Finally we have corrected as many of the spelling typing and grammatical errors as we could in this edition of the MTC We have also added some new comments and re written comments that we thought were unclear Hebrew fonts have been typed in a bold font to make them more obvious IF YOU HAVE THE ORIGINAL version of the MTC and would like to get the updated MTC you can do so for FREE The way that you can get the new version for free is to make a phone call This will take a minute or two but has the benefit of being free Call 1 866 216 1072 and have the ASIN B00OYENR9Y of the MTC ready The second and third digits are the number 0 The fourth digit is the capital letter O We are told the digital team at Kindle will update everything for free

Daily Devotional Chavah, 2012-02-28 This 30 day devotions book is a collection of thoughts and prayers gathered over the course of several years They are written from a Hebraic perspective understanding that the Father is calling us back to the Hebrew roots of Christianity A return to keeping the Feasts of the Lord and His Sabbaths Sometimes they were my conversations with God Some days I would pour out my thoughts Other days I would listen Some days you will see just those thoughts that I

had But on the days when my Beloved chose to say something in return to me I wrote that also Those words I have put in italics so as to distinguish them from my thoughts and words Are these words prophetic Only time will tell I believe that all the words that Yahweh speaks to us are prophetic in that they have the power to change us if we will listen So I humbly submit them to you I hope you are blessed as I was blessed receiving them
