ALL OR NOTHING AT ALL

- ARTHUR ALTMAN/
- JACK LAWRENCE

All or nothing at all!

If your heart nev-er ap-pealed to me.

If your heart nev-er could yield to me, then I'd

rath-er have noth-ing at all!

All or nothing at all!

If it's love, there is no in be-tween.

Why be-gin, then cry for some-thing that might have been? No, I'd

rath-er have noth-ing at all! But,

Marcel Gauchet and the Crisis of Democratic Politics Natalie J. Doyle,Sean McMorrow,2022-02-25 This book presents for the first time in the English language Marcel Gauchet s interpretation of the challenges faced by contemporary Western societies as a result of the crisis of liberal democratic politics and the growing influence of populism Responding to Gauchet s analysis international experts explore the depoliticising aspects of contemporary democratic culture that explain the appeal of populism neo liberal individualism the cult of the individual and its related human rights and the juridification of all human relationships The book also provides the intellectual context within which Gauchet s understanding of modern society has developed in particular his critical engagement with Marxism and the profound influence of Cornelius Castoriadis and Claude Lefort on his work It highlights the way Gauchet s work remains faithful to an understanding of history that stresses the role of humanity as a collective subject while also seeking to account for both the historical novelty of contemporary individualism and the new form of alienation that radical modernity engenders In doing so the book also opens up new avenues for reflection on the political significance of the contemporary health crisis Marcel Gauchet and the Crisis of Democratic Politics will be of great interest to scholars and postgraduate students of social and political thought political anthropology and sociology political philosophy and political theory

Men Brendan Murphy,2014-06-13 Since the things discussed in this book could be dangerous to ones health or freedom in that the police these days generally shoot first and think later it is only prudent to state for the record Do not attempt to do any of the things discussed in this book This book in no way suggests condones or recommends implicitly or explicitly the engaging in violence of any kind against any person place or thing ever for any reason This book does however emphatically suggest that when a patriotic citizen is in direct conflict with a tinhorn puppet regime such as the Inyo County Nevada regime so clearly is it is almost unpatriotic not do all that one can to expose the criminal nature of that regime In this

instance due to the fact that the Thomas Monroe Trust would ultimately be dragged into any attempt to silence me permanently through direct legal action the Thomas Monroe Trust ordered their Inyo County government puppets to tolerate the things that I did against them as individuals during the last 10 years thinking that I would eventually run out of steam Never in a million years did they realize that a book chronicling the entire conflict was being written while the conflict was happening The characters in this book are very much real and are from the former District Attorney to the judges and police in truth nothing but useful idiots in this titanic struggle between good and evil What is hanging in the balance is the Thomas Monroe Trusts continued presents in the region manifested as Demington Medical Center And Demington Medical Center will only continue to exist if the Inyo valley community allows it to

Explorations 5 E S Carpenter, Marshall McLuhan, 2016-09-29 Explorations Studies in Culture and Communication principally edited by Edmund Carpenter and Marshall McLuhan was the first postwar journal to engage directly with the new grammars of mid century new media of communication Launched in Toronto in 1953 at the very moment that television made its national debut in Canada Explorations presented a mosaic of approaches to contemporary media culture and became the site in which McLuhan and Carpenter first formulated their most striking insights about new media in the electric age The extraordinary breadth of contributions to Explorations from leading thinkers across the arts humanities social and natural sciences makes this journal a founding publication in the now burgeoning field of media studies Originally funded by a Ford Foundation grant the eight coedited issues of Explorations ran from 1953 to 1957 and are reprinted here for the first time in sixty years For a listing of all articles in this series refer to the Summaries at the end of the series foreword
