Gemstones Understanding Identifying Buying:

Gemstones Keith Wallis, 2016-01-13 Whether buying gem set jewelry or loose stones you will be faced with a colorful array of beauty and value With such a wide choice from amethyst to zircon which should you choose What is it worth and how do you even know it is real All that glitters is not gold as they say and all that sparkles is not diamond Gemstones helps to answer these questions in simple and easy to understand terms As well as diamonds emeralds rubies and sapphires over 100 gems are featured with full descriptions technical details and tips on how to check for fakes The book is illustrated throughout with fabulous color photographs to make identification easier Technical terms such as refraction and fluorescence are explained and some basic identification tests are introduced A helpful tour around the world details where gems are best available Informative appendices include a glossary of terms tables of specific gravity and refractive index and the comparative value of different stones The clear uncomplicated presentation makes this book a must for anyone interested in gemstones whether as an investment or simply as a hobby *Know it All, Find it Fast* Robert John Duckett, Bob Duckett, Peter Walker, Christine Donnelly, 2008 There is a queue the phone is ringing the photocopier has jammed and your enquirer is waiting for a response You are stressed and you can feel the panic rising Where do you go to find the information you need to answer the question promptly and accurately Answering queries from users is one of the most important services undertaken by library and information staff Yet it is also one of the most difficult least understood subjects There are still very few materials available to help frontline staff often paraprofessional develop their reader enquiry skills This award winning sourcebook is an essential guide to where to look to find the answers quickly It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more It is arranged in an easily searchable fully cross referenced A Z list of around 150 of the subject areas most frequently handled at enquiry desks Each subject entry lists the most important information sources and where to locate them including printed and electronic sources relevant websites and useful contacts for referral purposes The authors use their extensive experience in reference work to offer useful tips warn of potential pitfalls and spotlight typical queries and how to tackle them This new edition has been brought right up to date with all sources checked for currency and many new ones added The searchability is enhanced by a comprehensive index to make those essential sources even easier to find saving you valuable minutes Readership Offering quick and easy pointers to a multitude of information sources this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject departments and other information units **Gems and Gemstones** Lance Grande, Allison Augustyn, 2009-11-15 Gems and Gemstones features nearly 300 color images of cut gems precious and semiprecious stones gem quality mineral specimens and fine jewelry to be unveiled in the new Grainger Hall of Gems at the Field Museum in Chicago **The Last Empress of France** Petie Kladstrup, Evelyne Resnick, 2025-07-08 The dramatic untold story of Eugenie de Montijo the woman who created

haute couture fought for women's rights opened France's schools to girls and ruled the country as its last empress yet today remains almost unknown Although a nineteenth century woman her almost twenty first century outlook was key to the creation of modern France Viewed frequently as a mere ornament of the throne of her husband Emperor Napoleon III this Spanish born aristocrat proved to be almost as fiery as her red hair fighting against institutional limitations establishing innovations in childcare and women's health scientific research and education battling anti-Semitism and sex prejudice all the while displaying a political acumen so sharp that her husband gave her sole control of the government during his absences and consulted her daily when he was home But the triumphs and glamour of her life were coupled with heartbreak and tragedy This first definitive American biography of Eugénie restores her far reaching legacy to history *Jewelry & Gems The Buying Guide* Antoinette Matlins, 2012-12-06 to this edition In working with my own clients to acquire gemstones and jewelry since this book was first published in 1984 they have pointed out that most people buy jewelry and not gemstones Because the book offers so much practical advice and money saving tips about buying jewelry they urged me to change the title So in this edition *The Complete Guide to Buying Gems* has been changed to *Jewelry Gems The Buying Guide* Consumer and professional response to the book has been very gratifying Almost 14 000 hardcover copies are in circulation We have received hundreds of letters phone calls and in person comments about the helpfulness and interesting information it provides We thank you for encouraging us to make the book more widely available by bringing out this softcover edition We have taken the opportunity of this softcover edition to update the price guides for diamonds and colored gemstones and in light of the increase in both the popularity and price of pearls to add a price guide for them in the *Guide to Popular Gems and Their Prices* Also we want to take this opportunity to comment further on gem investment taking into account major developments since the original manuscript was written in 1980 **Jewelry & Gems—The Buying Guide (7th Edition)** Antoinette Matlins, Antonio C.
