Gender And Reading Essays On Readers Texts And Contexts:

Gender and Reading Elizabeth A. Flynn, Patrocinio P. Schweickart, 1986-02 An unprecedented encounter between feminist criticism reading research and reader response criticism I found *Gender and Reading* a valuable book to read as a feminist critic Valuable because it asserts our rights as women to read to read as women Valuable because it begins a dialogue among so many varieties of criticism and theory Susan Squier Women's Review of Books

Gender in the Classroom Susan Laine Gabriel, Isaiah Smithson, 1990 Bundel artikelen over sekse en hoger onderwijs

Reader Response in Secondary and College Classrooms Nicholas J. Karolides, 2013-04-15 This text based on Louise M Rosenblatt's transactional model of literature focuses on the application of transactional reader response theory in the classroom It grows from frequent requests from secondary school and college teachers for teaching suggestions on how to put theory into practice This is not a What should I do on Monday cookbook but an expression of the practice of theory in college and secondary school classrooms The chapters portray a spectrum of strategies including biopoems expressive and imaginative writing journal writing readers theater role playing and unsent letters using as examples individual works from several genres Recognizing that teachers who may have been trained in other theories and methodologies may be hesitant about their quite different role and expectations in the reader centered classroom the authors provide stepping stones to develop readiness and confidence suggestions and insights to ease the transition to the transactional model of teaching and learning Pedagogical features An explanatory introduction to each section defines its orientation and describes the content and direction of the chapters it contains Invitations elicit engagement of readers with concepts attitudes or strategies presented in the chapters they invite readers as individuals or members of a small group to consider ideas or to practice a strategy among other activities in order to enhance understandings A glossary defines key concepts and strategies discussed in the text A bibliography provides an extensive list of resources books and journal articles both theoretical and applied New in the second edition Six new chapters three deal with the roles of film as literature in the English classroom and three with enhancing multicultural understandings Updates and revisions to several chapters that appeared in the first edition Invitations new in this edition have been added to focus and expand readers thinking

Gay and Lesbian Studies Henry L. Minton, 1992 This important new book marks the coming of age of gay and lesbian studies programs at colleges and universities worldwide by documenting the dramatic changes that have occurred in the nature and goals of gay and lesbian studies *Gay and Lesbian Studies* chronicles the development of gay and lesbian studies from its earliest development in European universities to the establishment of the Gay and Lesbian Studies Department at City College of San Francisco the first gay and lesbian studies department at an American college Authoritative contributors bring a variety of perspectives to the nature of the gay and lesbian studies discipline Important topics in the book include discussions of the historical and theoretical context of gay and lesbian studies conceptual issues practical aspects of teaching and developing programs and

political issues and implications The broad scope of this informative volume encompasses the field of gay and lesbian studies as well as the debate over whether this is one integrated discipline or two distinct ones Gay and Lesbian Studies provides essential information for studying the growth of gay and lesbian studies and the issues affecting its development Some of the highlights of this seminal book include problems in defining the terms homosexual homosexuality gay and lesbian how sexual identity plays a unique and central role in informing and structuring the reading of texts first hand accounts of the issues involved in teaching courses and developing programs in gay and lesbian studies how the first gay and lesbian studies department began at City College of San Francisco and the role of community based historians in reclaiming the lesbian and gay past At this critical time in the midst of groundbreaking developments this exciting new book provides an invaluable resource for the current state of the field of gay and lesbian studies

The American Child Caroline Field Levander, Carol J. Singley, 2003 From the time that the infant colonies broke away from the parent country to the present day narratives of U S national identity are persistently configured in the language of childhood and family In The American Child A Cultural Studies Reader contributors address matters of race gender and family to chart the ways that representations of the child typify historical periods and conflicting ideas They build on the recent critical renaissance in childhood studies by bringing to their essays a wide range of critical practices and methodologies Although the volume is grounded heavily in the literary it draws on other disciplines revealing that representations of children and childhood are not isolated artifacts but cultural productions that in turn affect the social climates around them Essayists look at games pets adolescent sexuality death family relations and key texts such as *The Adventures of Huckleberry Finn* and the movie *Pocahontas* they reveal the ways in which the figure of the child operates as a rich vehicle for writers to consider evolving ideas of nation and the diverse role of citizens within it

Readers and Reading Andrew Bennett, 2014-07-15 Much literary criticism focuses on literary producers and their products but an important part of such work considers the end user the reader It asks such questions as how far can the author condition the response of the reader and how much does the reader create the meaning of a text Dr Bennett s collection includes important essays from such writers and critics as Wolfgang Iser Mary Jacobus Roger Chartier Michel de Certeau Shoshana Felman Maurice Blanchot Paul de Man and Yves Bonnefoy It looks in turn at deconstructionist feminist new historicist and psychoanalytical response to the school The book then considers the act of reading itself discussing such issues as the uniqueness of any reading and the difficulties involved in its analysis

Textual Poachers Henry Jenkins, 2013 The twentieth anniversary edition of Henry Jenkins s *Textual Poachers* brings this now canonical text to a new generation of students interested in the intersections of fandom participatory culture popular consumption and media theory This reissue of what s become a classic work includes an interview between Jenkins and Suzanne Scott and a supplemental study guide by Louisa Stein encouraging students to consider fan cultures in relation to consumer capitalism genre gender sexuality interpretation and more

The Writings of Teresa de Cartagena Teresa (de Cartagena), Dayle

Seidenspinner-Núñez,1998 This book presents two prose works written by Teresa de Cartagena Grove of the infirm Arbolea de los enfermos and Wonder at the works of God Admiraci n operum Dey **Trespassing Boundaries** K. Benzel,R.

Hoberman,2004-10-28 In Trespassing Boundaries ten contemporary Woolf scholars discuss a broad range of Woolf s short stories Despite being now easily available these stories have not yet received the attention they deserve Complex yet involving they deserve to be read not only for the light they shed on the novels but in their own right as major contributions to the short fiction as a genre This volume places Woolf s short stories in the context of modernist experimentalism then explores them as ambitious attempts to challenge generic boundaries undercutting traditional distinctions between short fiction and the novel between experimental and popular fiction between fiction and nonfiction Collectively the essays suggest that Woolf s contribution to the short story is as important as her contribution to the novel Bisexual Imaginary Bi

Academic Intervention,1997-01-01 This collection of essays focuses on historical and contemporary representations of bisexuality both real and imagined in literature film and the visual arts They ask questions concerning what it means to desire both men and women and explores the role of bisexuality in the construction of every person s sexual identity

Formalist Criticism and Reader-Response Theory Todd Davis,Kenneth Womack,2018-03-24 This invaluable guide by Todd F Davis and Kenneth Womack offers an accessible introduction to two important movements in the history of twentieth century literary theory A complementary text to the Palgrave volume Postmodern Narrative Theory by Mark Currie this new title addresses a host of theoretical concerns as well as each field s principal figures and interpretive modes As with other books in the Transitions series Formalist Criticism and Reader response Theory includes readings of a range of widely studied texts including Joseph Conrad s Heart of Darkness Charlotte Bronte s Jane Eyre and F Scott Fitzgerald s The Great Gatsby among others Transitions critically explores movements in literary theory Guiding the reader through the poetics and politics of interpretative paradigms and schools of thought Transitions helps direct the student s own acts of critical analysis As well as transforming the critical developments of the past by interpreting them from the perspective of the present day each study enacts transitional readings of a number of well known literary texts Narrating Modernity: The British

Problem Picture, 1895-1914 Pamela M. Fletcher,2018-02-05 This title was first published in 2003 Problem pictures were very popular during the Edwardian period These pictures invited multiple interpretations of modern life and were often slightly risque Pamela Fletcher explores how these works of art engaged with questions of gender sexuality and identity during their heyday **Post-Christian Feminisms** Dr Kathleen McPhillips,Professor Lisa Isherwood,2013-05-28 This book explores the

impact and contribution of post theories in the field of Christian feminist theology Post theory is an important and cutting edge discursive field which has revolutionized the production of knowledge in both feminism and theology This book fills a gap by providing a text that can make authoritative statements on the use and status of post theory in feminist theology and secondly it makes an on going contribution to the discourse of Christian feminist theology and its liberation agenda

Distinguished and established scholars contribute conclusive essays on the most recent and exciting developments in post theory feminism and theology Reading, Feminism, and Spirituality Dawn Llewellyn, 2016-01-03 Through original interviews and research Llewellyn uses spirituality to uncover new commonalities between the second and third feminist waves and sacred and secular experiences Her lively approach highlights the importance of reading cultures in feminist studies connecting women s voices across generations literary practices and religions Curved Thought and Textual Wandering Ellen E. Berry, 1992 This wide ranging and provocative study traces Gertrude Stein s production of avant garde texts that radically disrupted traditional notions of how fiction should be defined valued and read The book combines feminist and postmodern perspectives to illuminate new facets of Stein s novels and to situate them within an expanded definition of the postmodern The author argues that if we fail to consider the contexts within which postmodern innovations occur and if we subsume all formal disruptions under a generalized postmodern mode we obscure important differences among authors and distort the notion of the postmodern itself The study expands our understanding of Stein as a novelist and a narrative theorist repositions her work within a revised notion of literary history and thus clarifies points of relation and divergence between modernism and postmodernism It also assists in the historicizing of the postmodern literary emergence by insisting on the centrality of gender as a category of analysis Finally it argues for the importance of constructing definitions of postmodernism that will allow space to consider the complexity and diversity of its cultural practices Curved Thought and Textual Wandering will be welcomed by scholars of modernism of Gertrude Stein and of feminist and narrative theory and postmodern culture **Feminist Communication Theory** Lana F. Rakow, Laura A. Wackwitz, 2004-09-07 Feminist Communication Theory is a book of and for feminist communication theorists providing the potential to help individuals understand the human condition name personal experiences and engage these experiences through storytelling and give useful strategies for achieving justice Lana F Rakow and Laura A Wackwitz examine the work of feminist theorists over the past two decades who have challenged traditional communication theory contributing to the development of feminist communication theory by identifying its important contours shortcomings and promise Technologies of Gender Teresa de Lauretis, 1987-11-22 Technologies of Gender builds a bridge between the fashionable orthodoxies of academic theory Lacan Foucault Derrida et al and the frequently marginalized contributions of feminist theory In sum de Lauretis has written a book that should be required reading for every feminist in need of theoretical ammunition and for every theorist in need of feminist enlightenment B Ruby Rich sets philosophical ideas humming she has much to say Cineaste I can think of no other work that pushes the debate on the female subject forward with such passion and intellectual rigor SubStance This book addresses the question of gender in poststructuralist theoretical discourse postmodern fiction and women s cinema It examines the construction of gender both as representation and as self representation in relation to several kinds of texts and argues that feminism is producing a radical rewriting as well as a rereading of the dominant forms of Western culture

Crossing Oceans Noella Brada-Williams, Karen Chow, 2004-01-01 With the increasing globalization of culture American literature has become a significant body of text for classrooms outside of the United States Bringing together essays from a wide range of scholars in a number of countries including China Japan Korea Singapore and the United States Crossing Oceans focuses on strategies for critically reading and teaching American literature especially ethnic American literature within the Asia Pacific region This book will be an important tool for scholars and teachers from around the globe who desire fresh perspectives on American literature from a variety of national contexts The contributors use perspectives dealing with race feminism cultural geography and structures of power as lenses through which to interpret texts and engage students critical thinking The collection is crossing oceans through the transnational perspectives of the contributors who come from and or teach at colleges and universities in both Asia and the United States Many of the essays reveal how narratives of and about ethnic Americans can be used to redefine and reconfigure not only American literary studies but also constructions of Asian and American identities

Gender and the Musical Canon Marcia J. Citron, 2024-04-22 A classic in gender studies in music Marcia J Citron s comprehensive balanced work lays a broad foundation for the study of women composers and their music Drawing on a diverse body of feminist and interdisciplinary theory Citron shows how the western art canon is not intellectually pure but the result of a complex mixture of attitudes practices and interests that often go unacknowledged and unchallenged Winner of the Pauline Alderman Prize from the International Alliance of Women in Music Gender and the Musical Canon explores important elements of canon formation such as notions of creativity professionalism and reception Citron surveys the institutions of power from performing organizations and the academy to critics and the publishing and recording industries that affect what goes into the canon and what is kept out She also documents the nurturing role played by women including mothers in cultivating female composers In a new introduction she assesses the book s reception by composers and critics especially the reactions to her controversial reading of C cile Chaminade s sonata for piano A key volume in establishing how the concepts and assumptions that form the western art music canon affect female composers and their music Gender and the Musical Canon also reveals how these dynamics underpin many of the major issues that affect musicology as a discipline

Women Readers and the Ideology of Gender in Old French Verse Romance Roberta L. Krueger, 2005-02-17 This study challenges the view that all courtly literature promoted the social status of women Unlike previous books which focused on knights it starts from the perspective of the woman reader listener Using reader response theory feminist criticism and recent historical studies it suggests that romances taught gender roles often inviting readers to criticise and resist them
