## Gender In Judaism And Islam Common Lives Uncommon Heritage:

Gender in Judaism and Islam Firoozeh Kashani-Sabet, Beth S. Wenger, 2015 Lone Star Muslims offers an engaging and insightful look at contemporary Muslim American life in Texas It illuminates the dynamics of the Pakistani Muslim community in Houston a city with one of the largest Muslim populations in the south and southwestern United States Drawing on interviews and participant observation at radio stations festivals and ethnic businesses the volume explores everyday Muslim lives at the intersection of race class profession gender sexuality and religious sectarian affiliation to demonstrate the complexity of the South Asian experience Importantly the volume incorporates narratives of gay Muslim American men of Pakistani descent countering the presumed heteronormativity evident in most of the social science scholarship on Muslim Americans and revealing deeply felt affiliations to Islam through ritual and practice It also includes narratives of members of the highly skilled Shia Ismaili Muslim labor force employed in corporate America of Pakistani ethnic entrepreneurs the working class and the working poor employed in Pakistani ethnic businesses of community activists and of radio program hosts Decentering dominant framings that flatten understandings of transnational Islam and Muslim Americans such as terrorist on the one hand and model minority on the other Lone Star Muslims offers a glimpse into a variety of lived experiences It shows how specificities of class Islamic sectarian affiliation citizenship status gender and sexuality shape transnational identities and mediate racism marginalities and abjection Gender in Judaism and Islam Firoozeh Kashani-Sabet, Beth S. Wenger, 2015 This book addresses a range of topics including gendered readings of texts legal issues in marriage and divorce ritual practices and women s literary expressions along with feminist influences within the Muslim and Jewish communities and issues affecting Jewish and Muslim women in contemporary society The volume focuses attention on the theoretical innovations that gender scholarship has brought to the study of Muslim and Jewish experiences At a time when Judaism and Islam are often discussed as though they were inherently at odds this book offers a reconsideration of the connections between these two traditions Women and Gender in the Qur'an Celene Ibrahim, 2020-10-01 Stories about gendered social relations permeate the Qur an and nearly three hundred verses involve specific women or girls The Qur an features these figures in accounts of human origins in stories of the founding and destruction of nations in narratives of conquest in episodes of romantic attraction and in incidents of family devotion and strife Overall stories involving women and girls weave together theology and ethics to reinforce central Qur anic ideas regarding submission to God and moral accountability Celene Ibrahim explores the complex cast of female figures in the Qur an probing themes related to biological sex female sexuality female speech and women in sacred history Ibrahim considers major and minor figures referenced in the Qur an including those who appear in narratives of sacred history in parables in descriptions of the eternal abode and in verses that allude to events contemporaneous with the advent of the Qur an in Arabia Ibrahim finds that the Qur an regularly celebrates the aptitudes of women in the realms of spirituality and piety in

political maneuvering and in safeguarding their own wellbeing yet women figures also occasionally falter and use their agency toward nefarious ends Women and Gender in the Qur an outlines how women and girls old young barren fertile chaste profligate reproachable and saintly enter Qur anic sacred history and advance the Qur an s overarching didactic aims

Re-forming Judaism Stanley Davids, Leah Hochman, 2023-08-07 Throughout Jewish history revolutionary events and subversive ideas have burst forth repeatedly transforming Jewish experience Re forming Judaism seeks to explore these ideas and the individuals behind them by delving into historical disruptions that led to lasting change in Jewish thought A distinguished array of scholars take us on a journey from the disruptive prophets of ancient times through rational mystical and extremist medievalists to the impact of Haskalah and early Reform thought in modernity Contemporary innovations such as changes in liturgy and music feminism and post Holocaust theology are included as are insights into Sephardic and North African experiences By showing how Judaism forms then re forms and re forms again the contributors demonstrate that tensions between continuity and change have always been part of Jewish life helping us to both understand the past and contemplate the future The excellent chapters in this exciting and provocative book provide an illuminating journey through the grand sweep of Jewish history seen through the lens of crises that generated radical transformations The volume is perfect for all who seek to explore the resilience that undergirds Jewish survival and to benefit from first rate scholarship and engaging style Rabbi Tamara Cohn Eskenazi PhD Effie Wise Ochs Professor of Biblical Literature and History Hebrew Union College Jewish Institute of Religion An accessible introduction to the long history of disruption in Jewish life from antiquity to the present To paraphrase a famous slogan You don't need to be Reform to enjoy Re Forming Judaism You just need to be curious as to how change happens Jonathan D Sarna PhD University Professor and Joseph H Belle R Braun Professor of American Jewish History Brandeis University There is a piece of every Jew that relishes thinking of oneself as standing at Sinai and being part of a people and tradition that extends from then to now The Jewish tradition though is ours now only because it had the wisdom to change over the centuries This book graphically demonstrates how tradition and change together have kept Judaism instructive and relevant over time so that Jews now can enjoy and benefit from both its continuity and its ever refreshing and challenging nature Rabbi Elliot Dorff PhD Rector and Sol Anne Dorff Distinguished Service Professor of Philosophy American Jewish University Jews and Gender Leonard J. Greenspoon, 2021-10-15 Jews and Gender features sixteen authors exploring the history and culture of the intersection of Judaism and gender from the biblical world to today Topics include subversive readings of biblical texts reappraisal of rabbinic theory and practice women in mysticism Chasidism and Yiddish literature and women in contemporary culture and politics Accessible and comprehensive this volume will appeal to the general reader in addition to engaging with contemporary academic scholarship **Iewish** Women Katharina Galor, 2023-12-15 Jewish Women Between Conformity and Agency examines the concepts of gender and sexuality through the primary lens of visual and material culture from antiquity through to the present day The backbone of

this transhistorical and transcontextual study is the question of Jewish women's agency in four different geographical chronological and methodological contexts beginning with women's dress codes in Roman Byzantine Syro Palestine continuing with rituals of purity in medieval Ashkenaz worship in papal Avignon and the Comtat Venaissin and ending with marriage and divorce in Israeli film Each of these explorations is interested in creating a dialogue between the patriarchal legacy of the traditional texts and the chronologically corresponding visual and material culture. The author challenges traditional approaches to the study of Jewish culture by employing tools from art history archaeology and film and media studies In each of these different contexts there is ample evidence that women despite persistent overall structural discrimination have found ways to challenge male constructs of gender norms Ultimately these examples from past and present times highlight women s eminence in shaping Jewish history and culture Bringing a new interdisciplinary lens to the study of the history of gender and sexuality the book will be of interest to students and researchers of Jewish history and culture art history archaeology and film studies **Jewish Women in the Medieval World** Sarah Ifft Decker, 2022-05-18 Jewish Women in the Medieval World offers a thematic overview of the lived experiences of Jewish women in both Europe and the Middle East from 500 to 1500 CE a group often ignored in general surveys on both medieval Jewish life and medieval women The volume blends current scholarship with evidence drawn from primary sources originally written in languages including Hebrew Latin Aramaic and Judeo Arabic to introduce both the state of scholarship on women and gender in medieval Jewish communities and the ways in which Jewish women experienced family love sex work faith and crisis in the medieval past From the well known Dolce of Worms to the less famed Bonadona widow of Astrug Caravida of Girona to the many nameless women referred to in medieval texts Jewish Women tells the stories of individual women alongside discussions of wider trends in different parts of the medieval world Even through texts written about women by men the intelligence courage and perseverance of medieval Jewish women become clear to modern readers With the inclusion of a Chronology Who s Who Documents section and Glossary this study is an essential resource for students and other readers interested in both Jewish history and women's history Constructions of Gender in Religious Traditions of Late Antiquity Kathy Ehrensperger, Juni Hoppe, Shayna Sheinfeld, 2024-03-26 This volume examines questions concerning the construction of gender and identity in the earliest days of what is now Judaism Christianity and Islam Methodologically explicit the contributions analyze textual and material sources related to these religious traditions in their cultural contexts The sources examined are predominantly products of patriarchal elite discourses requiring innovative approaches to unveil aspects of gender otherwise hidden This volume extends the discussion represented in the volume Gender and Second Temple Judaism 2020 and highlights the fruitfulness of interdisciplinary research beyond anachronistic discipline distinctions The Woman Question in Jewish Studies Susannah Heschel, Sarah Imhoff, 2025-02-04 This book explores and analyzes the status and experience of women in the academic field of Jewish Studies and argues for the benefits of more fully integrating

women and their perspectives into the field A Companion to Late Ancient Jews and Judaism Gwynn Kessler, Naomi Koltun-Fromm, 2020-03-26 An innovative approach to the study of ten centuries of Jewish culture and history A Companion to Late Ancient Jews and Judaism explores the Jewish people their communities and various manifestations of their religious and cultural expressions from the third century BCE to the seventh century CE Presenting a collection of 30 original essays written by noted scholars in the field this companion provides an expansive examination of ancient Jewish life identity gender sacred and domestic spaces literature language and theological questions throughout late ancient Jewish history and historiography Editors Gwynn Kessler and Naomi Koltun Fromm situate the volume within Late Antiquity enabling readers to rethink traditional chronological geographic and political boundaries The Companion incorporates a broad methodology drawing from social history material history and culture and literary studies to consider the diverse forms and facets of Jews and Judaism within multiple contexts of place culture and history Divided into five parts thematically organized essays discuss topics including the spaces where Jews lived worked and worshiped Jewish languages and literatures ethnicities and identities and questions about gender and the body central to Jewish culture and Judaism Offering original scholarship and fresh insights on late ancient Jewish history and culture this unique volume Offers a one volume exploration of second temple Greco Roman and rabbinic periods and sources Explores Jewish life across most of the geographic places where Jews or Judaeans were known to have lived Features original maps of areas cited in every essay including maps of Jewish settlement throughout Late Antiquity Includes an outline of major historical events further readings and full references A Companion to Late Ancient Jews and Judaism 3rd Century BCE 7th Century CE is a valuable resource for students instructors and scholars of Jewish studies religion literature and ethnic identity as well as general readers with interest in Jewish history world religions Classics and Late Antiquity The SAGE Encyclopedia of Trans Studies Abbie E. Goldberg, Genny Beemyn, 2021-02-26 Transgender studies broadly defined has become increasingly prominent as a field of study over the past several decades particularly in the last ten years The experiences and rights of trans people have also increasingly become the subject of news coverage such as the ability of trans people to access restrooms their participation in the military the issuing of driver's licenses that allow a third gender option the growing visibility of nonbinary trans teens the denial of gender affirming health care to trans youth and the media s misgendering of trans actors With more and more trans people being open about their gender identities doctors nurses psychologists social workers counselors educators higher education administrators student affairs personnel and others are increasingly working with trans individuals who are out But many professionals have little formal training or awareness of the life experiences and needs of the trans population This can seriously interfere with open communications between trans people and service providers and can negatively impact trans people s health outcomes and well being as well as interfere with their educational and career success and advancement Having an authoritative academic resource like The SAGE Encyclopedia of Trans Studies can go a long way toward

correcting misconceptions and providing information that is otherwise not readily available This encyclopedia featuring more than 300 well researched articles takes an interdisciplinary and intersectional approach to trans studies Entries address a wide range of topics from broad concepts e q the criminal justice system activism mental health to specific subjects e q the trans pride flag the Informed Consent Model voice therapy to key historical figures events and organizations e g Lili Elbe the Stonewall Riots Black Lives Matter Entries focus on diverse lives identities and contexts including the experiences of trans people in different racial religious and sexual communities in the United States and the variety of ways that gender is expressed in other countries Among the fields of studies covered are psychology sociology history family studies K 12 and higher education law political science medicine economics literature popular culture the media and sports Violence Among World Christians Elizabeth Koepping, 2020-10-01 This book takes a global approach to violence between husbands and wives in faith contexts Focusing primarily on Christians the book uses anthropological theological and historical methods which intersect with and are challenged by lay and ordained women and men from sixteen countries Focusing on marital violence the book explores ways to understand how various churches their priests preachers theologians and members approach the topic interpret the texts and with often thoughtless complicity hide from the sin Drawing on over a decade researching marital violence in Christian contexts across five continents Elizabeth Koepping an anthropologist and priest presents testimonies from abused women as well as theological and cultural justifications for spousal abuse employed by perpetrators and bystanders She argues that if violence against the female spouse is understood as proper behaviour by manly men towards unruly wives Christians may set aside the core text Men and women are made in the Image of God enabling and silently colluding in abuse The book shows that spousal abuse is an ecumenical phenomenon present all over the inhabited world and therefore in all Christian churches and indeed other faith traditions The Wiley Blackwell Companion to Religion and Materiality Vasudha Narayanan, 2020-04-16 The Wiley Blackwell Companion to Religion and Materiality provides a thoughtfully organized inclusive and vibrant project of the multiple ways in which religion and materiality intersect The contributions explore the way that religion is shaped by and has shaped the material world embedding beliefs doctrines and texts into social and cultural contexts of production circulation and consumption The Companion not only contains scholarly essays but has an accompanying website to demonstrate the work of performers architects and expressive artists ranging from musicians and dancers to religious practitioners. **Hebrew Orient** Jessica L. Carr, 2020-12-01 In the decades before the establishment of the State of Israel striking images of Palestine circulated widely among Jewish Americans These images visualized the Orient for American viewers creating the possibility for Jewish Americans to understand themselves through imagining Oriental counterparts In The Hebrew Orient Jessica L Carr shows how images of the Holy Land made Jewish Americans feel at home in the United States by imagining the Orient as heritage Carr's analyses of periodicals from Hadassah and the Zionist Organization of America art calendars from the National Federation of Temple Sisterhoods the Jewish Encyclopedia and the Jewish exhibit at the 1933 World's Fair are richly illustrated What emerges is a new understanding of the place of Orientalism in American Zionism Creating a narrative about their origins Jewish Americans looked east to understand themselves as Westerners Inconceivable Iran Soraya Tremayne, 2022-10-14 Celebrating the 50th volume of the landmark Fertility Reproduction and Sexuality series this book offers a much needed analysis of shifting reproductive policies and practices in the Islamic Republic of Iran a society that is usually represented as either revolutionary or oppressive Instead Tremayne reflects on more than four decades of research arguing that changing reproductive behaviors on the part of ordinary Iranians must always be viewed against the backdrop of core cultural values and traditions which are often reinforced instead of radically altered by new reproductive technologies juridical opinions and state policies Time and Difference in Rabbinic Judaism Sarit Kattan Gribetz, 2020-11-17 How the rabbis of late antiquity used time to define the boundaries of Jewish identity. The rabbinic corpus begins with a question when and is brimming with discussions about time and the relationship between people God and the hour Time and Difference in Rabbinic Judaism explores the rhythms of time that animated the rabbinic world of late antiquity revealing how rabbis conceptualized time as a way of constructing difference between themselves and imperial Rome Jews and Christians men and women and human and divine In each chapter Sarit Kattan Gribetz explores a unique aspect of rabbinic discourse on time She shows how the ancient rabbinic texts artfully subvert Roman imperialism by offering rabbinic time as an alternative to Roman time She examines rabbinic discourse about the Sabbath demonstrating how the weekly day of rest marked Jewish time from Christian time Gribetz looks at gendered daily rituals showing how rabbis created men s time and women s time by mandating certain rituals for men and others for women She delves into rabbinic writings that reflect on how God spends time and how God's use of time relates to human beings merging divine time with human time Finally she traces the legacies of rabbinic constructions of time in the medieval and modern periods Time and Difference in Rabbinic Judaism sheds new light on the central role that time played in the construction of Jewish identity subjectivity and theology during this transformative period in the history of Judaism Trans Talmud Max K. Strassfeld, 2023-10-03 Trans Talmud places eunuchs and androgynes at the center of rabbinic literature and asks what we can learn from them about Judaism and the project of transgender history Rather than treating these figures as anomalies to be justified or explained away Max K Strassfeld argues that they profoundly shaped ideas about law as the rabbis constructed intricate taxonomies of gender across dozens

of texts to understand an array of cultural tensions Showing how rabbis employed eunuchs and androgynes to define proper forms of masculinity Strassfeld emphasizes the unique potential of these figures to not only establish the boundary of law but exceed and transform it Trans Talmud challenges how we understand gender in Judaism and demonstrates that acknowledging nonbinary gender prompts a reassessment of Jewish literature and law Brettschneider, 2024-02-01 Jewcy Jewish Oueer Lesbian Feminisms for the Twenty First Century presents the rich diversity of Jewish life from perspectives that center lesbian and gueer Jewish feminist people and issues Blending scholarship with poetry memoir and other genres it reopens the field of Jewish lesbian writing that has been largely dormant since the early 2000s The contributors illustrate the diversity of Jewish lesbian experience through a range of topics voices and genres and explore how this experience intersects with Black Mizrahi Sephardi Indigenous and trans identities Opening timely new dialogues between the various fields of Jewish feminist queer trans decolonial and critical race studies Jewcy encourages readers both inside and outside the academy to rethink narrow conceptions of Jewishness **Domestic Devotions in the** Early Modern World, 2018-12-10 This volume sets out to explore the world of domestic devotions and is premised on the assumption that the home was a central space of religious practice and experience throughout the early modern world The contributions to this book which deal with themes dating from the fifteenth to the eighteenth century tell of the intimate relationship between humans and the sacred within the walls of the home The volume demonstrates that the home cannot be studied in isolation the sixteen essays that encompass religious history the histories of art and architecture material culture literary history and social and cultural history instead point individually and collectively to the porosity of the home and its connectedness with other institutions and broader communities Contributors Dotan Arad Kathleen Ashley Martin Christ Hildegard Diemberger Marco Faini Suzanna Ivani Debra Kaplan Marion H Katz Soyeon Kim Hester Lees Jeffries Borja Franco Llopis Alessia Meneghin Francisco J Moreno D az del Campo Cristina Osswald Kathleen M Ryor Igor Sosa Mayor Hanneke van Asperen Torsten Wollina and Jungyoon Yang **Expressive Therapeutic Writing Krystal Leah** Demaine, Tamar Reva Einstein, 2024-10-02 This book brings engagement and conversation to a cross pollination of creative and expressive writing and multi modal art forms Through the lens of expressive arts therapy the authors demonstrate how writing can reveal the unexpected that emerges from art making The lineage of expressive arts therapy includes artful writing poetry associative creative and memoir for example to engage in self discovery growth and restorative care Each chapter is grounded in intermodal expressive arts with a central focus on creative and expressive writing which is informed by movement visual art storytelling music sound photography and physical performance including response art and has writing prompts and invitations as well as playful and improvisational integrative arts writing explorations Creative arts therapists and expressive therapists actively searching for creative playful self reflective writing practice will find this book a rewarding resource Krystal Leah Demaine PhD MT BC REAT CTRS C RYT music therapist expressive arts therapist and
