economics to geography international relations politics and sociology **Gender Diversity in Indonesia** Sharyn Graham Davies, 2010-02-25 Same sex relations transvestism and cross gender behaviour have long been noted amongst a wide range of Indonesian peoples This book explores dominant theories of gender and sexuality in relation to gender diversity in Indonesia It discusses in particular intersexed groups such as calalai calabai and bissu Gender, Language and the Periphery Julie Abbou, Fabienne H. Baider, 2016-12-15 This volume aims to demonstrate that the centre periphery tension allows for a theory of gender understood as a power relationship with implications for a political analysis of language structures language uses and linguistic resistances All of the 12 chapters included in this volume work on understudied languages such as Moldovan Lakota Cantonese Bajjika Croatian Hebrew Arabic Ciluba Cantonese Cypriot Greek Korean Malaysian Basque and Belarusian and they all explore from the margins different dimensions of social gender in grammar The diversity of languages is reflected in the range of theoretical frameworks linguistic anthropology systemic functional linguistics contrastive syntactical analysis to name a few used by the authors in order to apprehend the fluidity of gender ed language and identity to highlight the social constraints on daily discourse and to identify discourses that resist gender norms This book will be highly relevant for students and researchers working on the interface of gender with morpho syntax semantics pragmatics and discourse analysis The Routledge International Handbook of Globalization Studies Bryan Turner, 2013-01-11 The Routledge International Handbook of Globalization Studies offers students clear and informed chapters on the history of globalization and key theories that have considered the causes and consequences of the globalization process There are substantive sections looking at demographic economic technological social and cultural changes in globalization The handbook examines many negative aspects new wars slavery illegal migration pollution and inequality but concludes with an examination of responses to these problems through human rights organizations international labour law and the growth of cosmopolitanism There is a strong emphasis on interdisciplinary approaches with essays covering sociology demography economics politics anthropology and history The Handbook written in a clear and direct style will appeal to a wide audience The extensive references and sources will direct students to areas of further study

The Disappearance of Eve and the Gender of Christ Kevin Carnahan, 2025 By assigning responsibility for sin to Adam and credit for salvation to Christ Paul removed Eve from salvation history This book revises Paul s original formula and with it common claims about Christ s sex and gender It accepts Christ as both the new Adam and the new Eve and accepts that Christ is theologically speaking trans *Sharia Transformations* Michael G. Peletz, 2020-03-17 Few symbols in today s world are as laden and fraught as sharia an Arabic origin term referring to the straight path the path God revealed for humans the norms and rules guiding Muslims on that path and Islamic law and normativity as enshrined in sacred texts or formal statute Yet the ways in which Muslim men and women experience the myriad dimensions of sharia often go unnoticed and unpublicized So too do recent historical changes in sharia judiciaries and contemporary strategies on the part of political

and religious elites social engineers and brand stewards to shape solidify and rebrand these institutions Sharia Transformations is an ethnographic historical and theoretical study of the practice and lived entailments of sharia in Malaysia arguably the most economically successful Muslim majority nation in the world The book focuses on the routine everyday practices of Malaysia s sharia courts and the changes that have occurred in the court discourses and practices in recent decades Michael G Peletz approaches Malaysia s sharia judiciary as a global assemblage and addresses important issues in the humanistic and social scientific literature concerning how Malays and other Muslims engage ethical norms and deal with law social justice and governance in a rapidly globalizing world **Islamizing Intimacies** Nancy J.

Smith-Hefner,2021-05-31 One of the great transformations presently sweeping the Muslim world involves not just political and economic change but the reshaping of young Muslims styles of romance courtship and marriage Nancy J Smith Hefner takes up the personal lives and sexual attitudes of educated Muslim Javanese youth in the city of Yogyakarta to explore the dramatic social and ethical changes taking place in Indonesian society Drawing on more than 250 interviews over a fifteen year period her vivid well crafted ethnography is full of insights into the real life struggles of young Muslims and framed by a deep understanding of Indonesia s wider debates on gender and youth culture The changes among Muslim youth reflect an ongoing if at times unsteady attempt to balance varied ideals ethical concerns and aspirations On the one hand growing numbers of young people show a deep and pervasive desire for a more active role in their Islamic faith On the other even as they seek a more self conscious and scripture based profession of faith many educated youth aspire to personal relationships similar to those seen among youth elsewhere a greater measure of informality openness and intimacy than was typical for their parents and grandparents generations Young women in particular seek freedom for self expression employment and social fulfillment outside of the home Smith Hefner pays particular attention to their shifting roles and perspectives because it is young women who have been most dramatically affected by the upheavals transforming this Muslim majority country Although deeply personal the changing aspirations of young Muslims have immense implications for social and public life throughout Indonesia The fruit of a longitudinal study begun shortly after the fall of the authoritarian New Order government and the return to democracy in 1998 1999 the book reflects Smith Hefner s nearly forty years of anthropological engagement with the island of Java and her continuing exploration into what it means to be both modern and Muslim The culture of the new Muslim youth the author shows through all its nuances and variations reflects the inexorable abandonment of traditions and practices deemed incompatible with authentic Islam and an ongoing and profound Islamization of intimacies

Buddhist Masculinities Megan Bryson,Kevin Buckelew,2023-09-05 While early Buddhists hailed their religion s founder for opening a path to enlightenment they also exalted him as the paragon of masculinity According to Buddhist scriptures the Buddha s body boasts thirty two physical features including lionlike jaws thighs like a royal stag broad shoulders and a deep resonant voice that distinguish him from ordinary men As Buddhism spread throughout Asia and

around the world the Buddha remained an exemplary man but Buddhists in other times and places developed their own understandings of what it meant to be masculine This transdisciplinary book brings together essays that explore the variety and diversity of Buddhist masculinities from early India to the contemporary United States and from bodhisattva kings to martial monks Buddhist Masculinities adopts the methods of religious studies anthropology art history textual historical studies and cultural studies to explore texts images films media and embodiments of masculinity across the Buddhist world past and present It turns scholarly attention to normative forms of masculinity that usually go unmarked and unstudied precisely because they are normal illuminating the religious and cultural processes that construct Buddhist masculinities Engaging with contemporary issues of gender identity intersectionality and sexual ethics Buddhist Masculinities ushers in a new era for the study of Buddhism and gender

Sexual Diversity in Asia, c. 600 - 1950 Raquel A.G. Reyes, William G. Clarence-Smith, 2012-07-26 Non reproductive sex practices in Asia have historically been a source of fascination prurient or otherwise for Westerners who being either Catholic or Protestant were often struck by what they perceived as the widespread promiscuity and licentiousness of native inhabitants Graphic descriptions and pious denunciations of sodomy bestiality transvestitism and incest abound in Western travel narratives missionary accounts and ethnographies But what constituted indigenous sexual morality and how was this influenced by Hinduism Buddhism Confucianism Islam and Christianity over time and place What sex practices were tolerated or even encouraged by society community and religious ritual and what acts were considered undesirable transgressive and worthy of punishment Sexual Diversity in Asia c 600 1950 is the first book to foreground same sex acts and pleasure seeking in the histories of India China Japan the Philippines Thailand and Indonesia Drawing on a range of indigenous and foreign sources the contributors all renowned experts in their fields shed light on indigenous notions of gender and the body social hierarchies fundamental ideas concerning morality and immorality and episodes of seduction The book illuminates in striking case studies attitudes toward non procreative sex acts and representations and experiences of same sex pleasure seeking in the histories of Asia This path breaking book is an important contribution to the study of gender and sexuality in Asian cultures and will also interest students and scholars of world history
