First Recon Second To None:

First Recon-- Second to None Paul R. Young,1992 Whether they were beating through razor sharp elephant grass or spending all night soaked and shivering in the monsoon walking into an ambush or getting caught in a hot LZ sudden death for the First Recon was never far away Second Lieutenant Paul Young had to be concerned not only with his own life but also with those of the men in his command For Vietnam too often seemed like a monster with an insatiable appetite for blood
