## **Firstfruits And Harvest:**

*Firstfruits and Harvest* George Henry Lang, 1940      *Firstfruits and Harvest* George Henry Lang, 1940      **Firstfruits and Harvest** George Henry Lang, 1985-03 A study in resurrection and rapture      **Firstfruits and Harvest** G. H. Lang, 2012-02-25 A Study in Resurrection and Rapture Few writers have approached the subject of Biblical prophecy with more diligence and precise thinking than G H Lang His purpose in studying and writing on the end times and related themes was not to be controversial or sensational but rather to encourage watchfulness and readiness The serious reader will find much to challenge both mind and heart in these pages as the writer uses the prophetic Scriptures to give a strong call to holy and careful living The secret of G H Lang s power and persuasiveness as a writer must surely be attributed to his lifelong dedication to searching the Scriptures not for the sake of acquiring more knowledge but in order that he might know God more intimately and follow Him more closely His great passion was that God s children everywhere would press beyond the shallow and superficial and into a deep understanding of the ways and workings of God In this respect he was the true successor to such spiritual giants as George M ller Hudson Taylor Robert Cleaver Chapman and Anthony Norris Groves One of Mr Lang s contemporaries Douglas W Brealey wrote of him I think I may truthfully say that he was the most apostolic man I have ever met perhaps for that very reason he was a very controversial figure a correspondent suggested to me that he was the most controversial figure in Brethren circles since J N Darby yet it would be true to say that he himself was not a controversialist A very close student of the Word and an independent thinker he was not prepared to take traditional interpretations unless he were personally convinced that they were right To be in his presence was to realize that one was in the presence of a true saint of God whose holy life gave weight and authority to all he taught      *Firstfruits, the Harvest of God* Ray C. Van Tassell, 2011-05-18      *The church's forgotten hope, or, Scriptural studies on the translation of the saints* William Bramley-Moore, 1905      **Seed to Harvest** Shawna DeForest Morby, 2022-05-13 Do you ever wonder why the Bible uses so many references to seeds plants and harvest Or why the first home for humanity was a garden Does the abundance of foliage all around us perhaps have some wisdom from our maker entwined within its roots When we compare our lives to the life cycle of plants we can see similarities that allow us to relate and in that relationship there is wisdom and answers Our world is surrounded by plant life in various stages of their life cycle from seed form to harvest There s no mistake that God first created a garden and had us work the ground God s garden is the world around us When we sit in the garden not only are we blessed by God s colorful artistry but we find wisdom for how to live our lives in abundance producing fruit for God s harvest As you read this book you will discover God s love his plan and his purpose for you as you compare yourself to the seed sprout leaves flowers fruit and harvest You will also learn from God s divine design as we study the storms and pests that may hinder growth and stall or completely stop a potential harvest How can we be prepared to weather the storms in our life Is there something to be learned from the plants that have survived through drought storms and pests You do not

have to be a farmer or gardener to enjoy this book because everything we discuss is all around you If your thumb isn't even the faintest bit of green you can still gain great wisdom from this book God does not call the qualified but qualifies the called and that is you Believe it or not you are valuable You are important in God's massive design and he wants your help with the harvest This book dives deep into the promises of God and how he planted you specifically with a purpose to enact change in this world whether big or small it's all impactful and so are you 2      **The Day Jesus Died** Woodrow Michael

Kroll, 2025-03-13 If we could transport ourselves back to the first century AD would we know the year date day and hour of the crucifixion of Jesus Yes we would We may even have been an eyewitness But can we know these time markers today Yes we can In *The Day Jesus Died* using biblical historical archaeological and literary information of that century readers will trace the time of Jesus' death to the very hour of the very day of the very year that the Savior was crucified This is not some hocus pocus pseudo science This is the real deal Based on eyewitness historical and literary accounts and relying on the methods of telling time in the first century readers can pinpoint the hour Jesus said It is finished It's almost like being there

**Unveiling the End Times in Our Time** Adrian Rogers, 2004 Conducted from a premillennial and pretribulational point of view this study of the Book of Revelation explores the theme that America ultimately will separate from Israel and what prophetically will happen      **A Revelation of God's Calendar** Rabbi Elliot Hass, 2023-02-09 In this book you will learn There is an ancient calendar that connects Heaven to Earth Before the Bible was written God's appointed times as written in Leviticus were observed What God did on those appointed calendar dates in the past is what He is doing today and what He is going to do in the future How God is still unfolding His calendar in a revelation to us today and manifesting Himself to us through every part of His calendar Here you will find the meaning of your salvation experience in Messiah Y'shua Jesus through the times and seasons of His calendar You will find out the many ways believers in His true church have been lied to The scriptures say the truth will set you free You will find out how these appointed times with their teachings are shown beautifully in the shadow of many events in the world today You will see some appointed times that will be proclaimed in the future but are hidden to many today This is a book that can be used to disciple and train people in the Word knowing His voice and living the kingdom life He placed in every born again believer This will prophetically and spiritually prepare you for what is coming quickly upon this world      *Snapshots of Christ in Leviticus* Cordell W. Mitchell, 2012-06-12 This book will turn on a bright light as you see Leviticus with Christ at its center If you are a pastor teacher or preacher hundreds of diamonds await you to pick up and expound on them To the young ministers in third world countries this book was written specifically for you to open your eyes to the seed truths in Leviticus of Christ and their fulfillments in the New Testament The greater knowledge you have of the Scriptures the greater will you see in these snapshots The author assumes your knowledge is wide and has made the subject quick and to the point awaiting only your hand to expound on it for your hearers You hold in your hand much of the results of my quest in searching for Christ in the Scriptures His snapshots are in every

book of the Bible waiting for you to behold His face And beginning at Moses and all the prophets he expounded unto them in all the scriptures the things concerning himself Luke 24 27      *First-fruits of Sacred Song* Edwin Charles Wrenford,1876

Kuykendall,2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation      Embracing God as Father Daniel Bush,Noel S. Due,2016-05-20 Jesus said Whoever has seen me has seen the Father John 14 9 He and the Father are one in their love joy and desire to bless In Embracing God as Father Daniel Bush and Noel Due show us what God has done is doing and does every day as he speaks his Word into our hearts God searches for the lost and weary to save us adopt us into his family through Christ and make us sons and daughters of the one and only Father This theologically rich and deeply personal book helps us see God as he truly is and see who we are as his sons and daughters      *A Companion to the Pentateuch: Being the Marginal References of the Authorised Version Printed at Length*

,1845      The Sanctuary of Silence Israel Knohl,2007 Scholar Israel Knohl offers a new perspective on the history and theology of the Priestly source of the Pentateuch Knohl claims that groups associated with the Priestly Torah appear ensconced within the Temple operating within a Sanctuary of Silence in contrast to the later Holiness School which reached a loftier conception of God and a broader purview of faith holiness and practice      *Dictionary of Biblical Imagery* Leland Ryken,James C.
