Fishing and Shooting Sketches (Classic Reprint) Grover Cleveland, 2017-09-12 Excerpt from Fishing and Shooting Sketches Forms of persecution I make no claim that my steadfastness should be looked upon as manifesting the courage of martyrdom On the contrary I regard these criticisms and persecutions as nothing more serious than gnat stings suffered on the bank of a stream vexations to be borne with patience and afterward easily submerged in the memory of abundant delightful accompaniments Thus when short fishing excursions in which I have sought relief from the wearing labors and perplexities of official duty have been denounced in a mendacious newspaper as dishonest devices to cover scandalous revelry I have been able to enjoy a sort of pleasurable contempt for the author of this accusation while and Outdoor Life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
