Jiyuan Zhang

Geisha A Unique World Of Tradition Elegance And Art:

Geisha John Gallagher, 2003 Japan's geisha have fascinated and allured westerners for centuries. But just who are geisha? This book delves into their lives and history with detailed coverage of their training, their costumes, and the intricate world of tradition in which they live and work. This finely illustrated book looks at the gradations of rank, clothing, and makeup, as well as the subtle changes of geisha appearance through the seasons. It explores the network of dance schools, teahouses, temples, offices, and traditional crafts, with calligraphers, dyers, and sake warmers among the many occupations serving in the hanamachi or flower towns, as geisha districts are known. The geisha craft itself draws on an array of traditional Japanese arts: dance, tea ceremony, traditional music, and games, all in the service of leisure. This book explains how this complex and often misunderstood world evolved, how it fits into modern Japan, and how it is adapting in order to survive there. From publisher description: Geisha John Gallagher, 2003-08-29. This study delves into the lives and history of geisha and covers their training, sumptuous costumes, the network of dance schools, teahouses, temples, and offices that form the world of flowers and willows. The author also explains how this world evolved and how it is changing. Historical Dictionary of Japan to 1945 Kenneth Henshall, 2013-11-07. The Historical Dictionary of Japan to 1945 spans the entire period from the earliest evidence of human habitation in Japan through to the end of the Pacific War. It includes substantial topics such as cultural and literary history, with entries ranging from aesthetics to various genres of writing. Other branches of history also feature, such as economic history, industrial history, political history, and so forth. And of course, there are the makers of Japanese history, ranging from emperors and shoguns to politicians and extremists, as well as foreign arrivals. The early history of Japan is told through a detailed chronology, an introductory essay, appendixes, an extensive bibliography, and over 800 cross-referenced dictionary entries on important people, organizations, activities, and events. The Historical Dictionary of Japan to 1945 will appeal to both academics and the general public who have an interest in Japan, particularly those who want reliable information quickly and easily. **Teacher's Guide for "Hikari, Girl of Japan"** Alice Lockmiller, *Encyclopedia of Prostitution and Sex Work* Melissa Hope Ditmore, 2006-08-30. The cliché is that prostitution is the oldest profession. Isn't it time that the subject received a full reference treatment? This major 2-volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival. The A to Z encyclopedia offers wide-ranging entries related to prostitution and the sex industry, past and present, both worldwide, mostly in the West, and in the United States. The topic of prostitution has high interest appeal across disciplines, and the narrative entries illuminate literature, art, law, medicine, economics, politics, women's studies, religion, sociology, sexuality, film, popular culture, public health, nonfiction, American and world history, business, gender, media, education, crime, race, technology, performing arts, family, social work, social mores, pornography, the military, tourism, child labor, and more. It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution. An introduction overviews

the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn't Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution *Hikari, Girl of Japan* Alice Lockmiller, Asian American Fiction, History and Life Writing Helena Grice, 2012-11-12 The last ten years have witnessed an enormous growth in American interest in Asia and Asian American history In particular a set of key Asian historical moments have recently become the subject of intense American cultural scrutiny namely China's Cultural Revolution and its aftermath the Korean American war and its legacy the era of Japanese geisha culture and its subsequent decline and China's one child policy and the rise of transracial international adoption in its wake Grice examines and accounts for this cultural and literary preoccupation exploring the corresponding historical political situations that have both circumscribed and enabled greater cultural and political contact between Asia and America **Mothers, Mothering and Sex Work** Jaremko Rebecca Bromwich, 2015-07-01 Exploring the shared intersections of mothering motherhood and sex work Mothers Mothering and Sex Work weaves together a range of voices from academic and sex worker communities around the world It features interdisciplinary contributions scholarly essays academic research artwork poetry photography and experiential narratives Notable among these are two modern masterpieces from literary leg ends Voices a short story by Alice Munro and excerpts from Maya Angelou's autobiography Gather Together in my Name In the spirit of the adage nothing about us without us Mothers Mothering and Sex Work brings together unique and controversial viewpoints defying conventional wisdom to provide fresh insights into sex workers and their rights Beginning with the political legal and social context of sexuality and gender in Canada the book's focus widens to explore issues affecting sex workers worldwide
