Economics of Crime Daryl A. Hellman, Neil Alper, 1997-01-01 The Economics of Crime Daryl A. Hellman, Neil O. Alper, 1990 **Handbook of Research on Theory and Practice of Financial Crimes** Rafay, Abdul, 2021-03-18 Black money and financial crime are emerging global phenomena During the last few decades corrupt financial practices were increasingly being monitored in many countries around the globe Among a large number of problems is a lack of general awareness about all these issues among various stakeholders including researchers and practitioners The Handbook of Research on Theory and Practice of Financial Crimes is a critical scholarly research publication that provides comprehensive research on all aspects of black money and financial crime in individual organizational and societal experiences The book further examines the implications of white collar crime and practices to enhance forensic audits on financial fraud and the effects on tax enforcement Featuring a wide range of topics such as ethical leadership cybercrime and blockchain this book is ideal for policymakers academicians business professionals managers IT specialists researchers and students *Economic Crime* Mark Button, Branislav Hock, David Shepherd, 2022-04-24 This book is the first attempt to establish economic crime as a new sub discipline within criminology Fraud corruption bribery money laundering price fixing cartels and intellectual property crimes pursued typically for financial and professional gain have devastating consequences for the prosperity of economic life While most police forces in the UK and the USA have an economic crime department and many European bodies such as Europol use the term and develop strategies and structures to deal with it it is yet to gain traction as a widely used term in the academic community *Economic Crime From Conception to Response* aims to change that and covers definitions of the key premises of economic crime as the academic sub discipline within criminology an overview of the key research on each of the crimes associated with economic crime public private and global responses to economic crime across its different forms and sectors of the economy both within the UK and globally This book is an essential resource for students academics and practitioners engaged with aspects of economic crime as well as the related areas of financial crime white collar crime and crimes of the powerful **Money Laundering and the Proceeds of Crime** Mary Michelle Gallant, 2005-01-01 The pursuit of the financial proceeds of criminal activity has become a central theme of contemporary crime control Initially conceived to tackle the global trade in illegal drugs these methods have been more recently employed in the context of terrorism This work offers a judicious account of the national and international strategies which seek to cope with crime by attacking its financial underpinnings The book focuses on the increasingly civil legal orientation of these strategies a sea change from criminal prosecutions to civil legal instruments The author focuses on developments of the civil strategy in the US and the UK beginning with its historical origins The work reveals the contradictions that animate the civil approach to criminal finance and discloses the failure of civil devices as presently constituted to comply with rights It bridges the gap between two jurisdictions prominent in this area the United States and the United Kingdom This comparative

element distinguishes the project from other work in the field that focuses on a single jurisdiction Critical in its perspective the work brings balance and reflection to an emergent area of national and international interest **Economic Review**,1999 **SNi** National Criminal Justice Reference Service (U.S.),1981 *EU Criminal Justice, Financial & Economic Crime* Marc Cools,2011 This fifth volume of the Governance of Security GofS Research Paper series addresses a wide variety of topical issues focusing on European criminal justice and financial and economic crime The first cluster of articles is concerned with European criminal justice matters particularly relating to EU mutual recognition such as conceptualization unwanted effects in the context of prisoner transfer and sentence execution impact for cross border gathering and use of forensic expert evidence and interrogational fairness standards A second cluster of articles addresses the subjects of financial and economic crime ranging from informal economy among street children to formal informal economy vulnerability of the hotel and catering industry to crime and white collar crime phenomena like transnational environmental crime and corruption A final cluster groups together a variety of selected topical issues including juvenile offending and mental disorders desistance theories and sexually transmitted infections *Innovation and Development in Business Law* Thierry Bonneau,Cristina Elena Popa Tache,2021-01-15 This volume contains the scientific papers presented at the Tenth International Conference Perspectives of Business Law in the Third Millennium that was held on 8 November 2019 in online format on Zoom The conference is organized each year by the Faculty of Law of the Bucharest University of Economic Studies together with the Society of Juridical and Administrative Sciences The scientific studies included in this volume are grouped into five chapters Commercial law Labor law Criminal law European and international law The present volume is addressed to practitioners researchers students and PhD candidates in juridical sciences who are interested in recent developments and prospects for development in the field of business law at international and national level *Soviet Law and Economy* Mark W. Janis,Olimpiad S. Ioffe,2023-08-28 *Criminal Justice* Peter Joyce,2013 This book assesses the main theories concerned with the causes of crime and provides an account and analysis of the response of the state to crime in England and Wales It is a useful text for students taking courses in criminal justice *The Savage Republic* Eric Michael Wilson,2008 Intended for the professional academic and graduate student this book is the first to utilize the methodology of a oeNew Streama legal scholarship in an extended critical a oeexegesis of Hugo Grotiusa TM De Indis c 1604 6 De Indis is predicated upon a two fold discursive strategy i investing a oeprivatea Trading Companies with a oepublica international legal personality and ii collapsing the distinction between a oeprivatea and a oepublica warfare Governing the operation of textual interpretation is De Indisa TM status as a republican treatise juridically legitimating an early modern Trans National corporation the VOC that served as an agent of a a oeprimitivea system of global governance the early Capitalist World Economy The application of New Stream scholarship reveals that the republican signature of De Indis consists of a discursive a oemicro oscillationa between the a oethicka ontology of Late Scholasticism a oeUtopiaa and the a oethina ontology of Civic
