The Adjunct Underclass Herb Childress,2019-04-24 Class ends Students pack up and head back to their dorms The professor meanwhile goes to her car to catch a little sleep and then eat a cheeseburger in her lap before driving across the city to a different university to teach another wholly different class All for a paycheck that once prep and grading are factored in barely reaches minimum wage Welcome to the life of the mind in the gig economy Over the past few decades the job of college professor has been utterly transformed for the worse America s colleges and universities were designed to serve

students and create knowledge through the teaching research and stability that come with the longevity of tenured faculty but higher education today is dominated by adjuncts In 1975 only thirty percent of faculty held temporary or part time positions By 2011 as universities faced both a decrease in public support and ballooning administrative costs that number topped fifty percent Now some surveys suggest that as many as seventy percent of American professors are working course to course with few benefits little to no security and extremely low pay In *The Adjunct Underclass* Herb Childress draws on his own firsthand experience and that of other adjuncts to tell the story of how higher education reached this sorry state Pinpointing numerous forces within and beyond higher ed that have driven this shift he shows us the damage wrought by contingency not only on the adjunct faculty themselves but also on students the permanent faculty and administration and the nation How can we say that we value higher education when we treat educators like desperate day laborers Measured but passionate rooted in facts but sure to shock *The Adjunct Underclass* reveals the conflicting values strangled resources and competing goals that have fundamentally changed our idea of what college should be This book is a call to arms for anyone who believes that strong colleges are vital to society *Bad Girls and Other Perils* Mike Strobel, 2010-11-08 Come and walk the offbeat world of Mike Strobels popular column in the Toronto Sun Meet legendary panhandler Shaky Lady the secretive swinger Sexy Boots and the notorious Bicycle Bandit Each column in this collection is a mini world tight and bright

Framing and Managing Lean Organizations in the New Economy Darina Lepadatu, Thomas Janoski, 2020-02-18 This book examines the dominance and significance of lean organizing in the international economy Scholars from each discipline see lean production as positive or negative the book blends theory with practice by sorting out these different academic views and revealing how lean is implemented in different ways The first part synthesizes academic research from a range of disciplines including engineering sociology and management to present the reader with an integrated understanding of the benefits and drawbacks of lean management The second part links this theory to practice with a set of case studies from companies like Apple Google Nike Toyota and Walmart that demonstrate how lean is implemented in a variety of settings The book concludes with three models explaining how Toyotism Nikefication with offshoring and Waltonism provide full or less complete models of lean production It clearly presents the positive and negative aspects of lean and insights into the culture of lean organizations With its rich interdisciplinary approach *Framing and Managing Lean Organizations in the New Economy* will benefit researchers and students across a range of classes from management sociology and public policy to engineering *Insiders' Guide to North Carolina's Southern Coast and Wilmington, 15th* Zack Hanner, Pamela Watson, Emily Gorman-Fancy, Rebecca Pierre, Kate Walsh, 2008-06 This book offers everything you need to know about North Carolina's southern coastal area whether you're planning a vacation relocating to the area or are a local who wants to know more

America Needs Talent Jamie Merisotis, 2020-10-01 The author of *Human Work in the Age of Smart Machines* presents a sharp timely blueprint for unleashing the potential of millions of Americans Bruce Kats Founding Director of the Brookings

Metropolitan Policy Program The president and CEO of Lumina Foundation Jamie Merisotis is a leading voice in philanthropy higher education and public policy In America Needs Talent he explains the choices that must be made on all levels in government education and the private sector as well as by individuals to usher in a new era of success and innovation in America What if you paid for education based on what you actually learned instead of the time you spent in class What if visa applicants were treated like potential assets to our nation s talent pool rather than potential threats monitored by Homeland Security Merisotis proposes bold ideas to successfully deploy the world s most talented people revitalize urban hubs encourage private sector innovation and power America s knowledge economy in the 21st century The Fantasy Economy Neil Kraus,2023-10-06 This book offers a new perspective on wage stagnation growing inequality and the current education reform agenda The author argues that education must be understood as a necessary public service providing critical benefits many of which are not strictly economic yet are essential for democratic society

Eventually, you will categorically discover a supplementary experience and execution by spending more cash. yet when? reach you tolerate that you require to acquire those all needs in the manner of having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more in the region of the globe, experience, some places, like history, amusement, and a lot more?
