Phalen, 2012-10-23 In *Wellness East West* Achieving Optimum Health through Integrative Medicine Kathleen F Phalen explores the blending of the most effective aspects of medical practices from both sides of the globe And it is not in curing but rather in healing discovered through integrating these polar medical practices that leads those suffering to a more peaceful place a place where the heart is healed Phalen gives us case studies on survivors of AIDS and ovarian cancer Yoga guided imagery and meditation are combined with a daily dose of medication or a weekly session of chemotherapy to provide healing beyond what western medicine alone can offer Kathleen masterfully joins the hemispheres by revealing the herbs and diet to ease everything from the common cold to cancer Practical as well as informative Phalen urges us to be active participants in our own health care Here you can learn how to take your superficial and deep pulse to discover the efficiency of your organs To gain further insight into your condition read the color of your tongue Most importantly return to the basics of looking listening and feeling to lead you and your physician to diagnosis and treatment *Integrative Medicine* Kathleen Phalen, 2012-02-21 *Integrative Medicine* seamlessly blends Eastern and Western medical traditions into an informative and readable resource Author Kathleen Phelan brings her skills as an investigative reporter and her experience as a medical writer to bear in a tour de force part history part story part resource for any reader seriously interested in his or her own well being and in the future of medicine and medical treatment in this country Once considered alternative Eastern medicine has gained widespread acceptance by the general public but it is the blending or integration of Eastern healing with Western medicine that is now commanding the attention of the medical community Dating the birth of integrative medicine to 1971 when James Reston brought the concept of acupuncture and Chinese herbs to America s shores Phelan traces a movement that s grown into a 15 billion dollar industry in a generation Through interviews with Eastern and Western practitioners and their clients she puts a human face on the crisis of medical care in our time With extensive detail she recounts the history of both Eastern and Western medicine presenting the best and sometimes exposing the myths of both ancient cures and current high tech methods *So What's the Difference?* Fritz Ridenour, 2001-03-02 *So What s the Difference* has been revised and updated for the 21st Century to help Christians better understand their own beliefs A classic first released in 1967 this revision takes a current look at the answer to the question How does orthodox biblical Christianity differ from other faiths In a straightforward objective comparison Fritz Ridenour explores and explains the basic tenets of 20 worldviews religions and faiths including Judaism Islam Hinduism Buddhism Jehovah s Witnesses Christian Science New Age and Mormonism **Wellness East and West** Kathleen F. half decades ago Ascended Master Teachers Arten and Pursah appeared to Gary Renard and held a series of conversations with him that elaborated on the teachings of two spiritual classics The Gospel of Thomas and A Course in Miracles Gary immortalized what he learned in the books of his best selling series The Disappearance of the Universe Your Immortal Reality and Love Has Forgotten No One This fourth book is a companion to the original trilogy yet written to stand alone an invitation for new readers into this fascinating work This book explores six of the lifetimes in which the incarnations of Jesus and Buddha lived together beginning in 700 B C when they were known as Saka and Hiroji Through the spiritual lessons that Jesus and Buddha learn on their path Arten and Pursah clarify the difference between duality and nonduality When you are able to internalize these lessons you will be saved countless years in your spiritual development *From Stress to Peace*

Kandace Jones,2014-09-26 Is it possible to experience unshakable peace regardless of the situations and people that come your way Kandace Jones was desperate to find out From the outside she seemed to have it all together a successful career a loving husband two children a great group of friends and a lovely house Internally she was filled with stress and insecurity She relentlessly worked to maintain the appearance of perfection in her personal and professional life leaving no down time and very little room for self until she was forced to slow down Pneumonia depression and anxiety abruptly interrupted the high speed life she was living igniting a quest for something far greater to enter Peace From Stress to Peace takes readers on a journey to peace and direct connection with the Divine Through intimate journal entries and short stories the reader will experience Jones s journey the thoughts words and very actions that led her to self discovery unexpected encounters with realms unseen by the human eye and ultimately a higher level of spiritual awakening Readers will not only peer into Jones s journey but will be left with many Selah moments to pause and simply reflect on their journey to spiritual elevation and fulfillment From Stress to Peace leaves readers with nuggets of truth and wisdom that when applied can facilitate a constant state of inner peace and eternal bliss

Romney,1986-09 Spoken Miracles Martha Lucia Espinosa,2010-10-19 Spoken Miracles is an anecdotal account of Martha Lucia Espinosa s 30 year long search for answers from God as well as the result of a request that has been made by thousands of readers of author Gary R Renard s The Disappearance of the Universe lovingly called D U Near the end of D U one of Gary s teachers mentions that there were 365 quotations from the modern spiritual guide A Course in Miracles ACIM used in the D U book We are told also that if these quotations were read on their own they could either be used as a thought for the day throughout the year or they could simply be read like a book in which case they would constitute a refresher course by Jesus the Voice of A Course in Miracles Many people requested that these quotations be put into book form but it was a bigger job than most realized Gary and his teachers had used more than 11 000 words from ACIM during the course of their discussions Additionally inspiration guides this book to be written in a way that it can stand on its own to help introduce people to both D U and A Course in Miracles as well as to inspire and entertain a little so it includes a short story as a way to introduce readers to the basic concepts of these remarkable and miraculous books **A Guide to Forgiveness - True Forgiveness According to a Course in Miracles** , Healing the Rape... Healing the Heart Elizabeth McKittrick,2016-04-26 At nine years old Elizabeth was raped She didnt talk of it for years and suffered those first years alone in much deep shame sorrow emotional pain and condemnation The passage of time allowed the devastating experience to be buried till it was no longer remembered She dated and married delivering two boys to the union The marriage appeared normal A few years later when touched by her husband she flinched When asked if she had ever been raped her sobbing answer was yes The buried experience finally came to light where it could be healed With the total support

of her husband she now had the courage and strength to heal her heart She left the path of reflex and reaction to enter the moment of the now When we pause in the now and enter our quiet stillness we come to deeper truth and clearer understanding More peace can be ours During a year of disciplined deep meditation Elizabeth experienced her own miracle and a much deeper more complete healing cure of her rape experience than she ever thought possible This book offers a path to peace to awareness of your inner spirit self It gives steps that can help you heal your heart your pain **Cleaning the Mirror** Rev. Gregory Wadleigh, 2016-03-02 Inspired by A Course in Miracles this daily meditation book is presented as an entry point into the principles of ACIM The daily entries are interpretations of lessons text manual for teachers and the supplements
