Christian Maturity - Instructors Guide Grace Bible College & Seminary, Basic Discipleship 101 Ron Hordyk,2018-04-10 For we are God s fellow workers you are God s field God s building By the grace God has given me I laid a foundation as an expert builder and someone else is building on it But each one should be careful how he builds 1 Corinthians 3 9 10 When someone starts to build a house he first lays the foundation on which the rest of the house will be built If the foundation is not built correctly the rest of the building will be compromised affecting not only its immediate use but also its longevity The previous scripture states that the church must also lay a good foundation in new believers The Bible contains specific teachings that form the foundation of the Christian faith To overlook even one of these teachings will affect

how we perceive the rest of the Christian faith An obvious example is to teach judgment without mercy a teaching which causes the church to be legalistic However to teach mercy without judgment causes the church to give license to sin Both teachings are essential for the one teaching balances the other When a person accepts Jesus as his Savior and Lord most churches place the person in their ongoing programs with the hope that he will grow However a new believer does not share the foundational truths that mature Christians have The minister may make statements which out of context will appear harsh but are not harsh when placed in the context of other accepted teachings For this reason the church must give new believers a foundation which will allow for a balance in regard to the teachings to which they will be exposed Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith In this collection of studies we will examine what it means to become a Christian identify the principle players in salvation and examine the elementary truths on which the sermons they will be exposed to will be built upon Welcome to Basic Discipleship 101 *The 2:7 Series Navigators* (Religious organization),1982 **Living Faith in God Series Tm' 98 Ed. ,**

Radical Discipleship Robert P. Vande Kappelle, 2022-08-11 Discipleship is a universal experience all human beings share In our lifetime each of us has had a mentor tutor teacher or role model someone we admired respected and followed As the central character in the Bible the world's best selling book Jesus is known and revered the world over What would it be like to be mentored by such an individual Of course we can follow the accounts of the historical Jesus and his disciples in the gospels but what would it mean to be discipled by a contemporary twenty first century Jesus While people across the world claim to follow Jesus what would it mean to live in the modern world guided by a modern Jesus on religious issues such as faith God and scripture and on social issues such as poverty healthcare social justice political reform and caring for the environment A good place to begin is with compassion for Christianity and compassion are largely linked To be apprenticed to Jesus is to follow one whose profound love for the hungry sick and dying inspired more compassion than any single person movement or force in history Addressing discipleship as a priority in our lives *Radical Discipleship* illustrates its subject with stories and accounts of ordinary Christians living out their discipleship in authentic and inspiring ways Useful for individual or group study this volume serves as a resource for people seeking tools necessary to fulfill Jesus vision for a more vibrant and equitable world one in which every human being can thrive

Disciples Michael Kinnamon, Jan Linn, 2019-07-16 What does it mean to be part of the Christian Church Disciples of Christ A denomination that intentionally unites Christians who have different ideas about what it means to be Christian is bound to struggle to agree on its core values and beliefs but respected Disciples Michael Kinnamon and Jan Linn believe unity is possible through reforming worship relationships and mission A timely update of their landmark book *Disciples* identifies common ground and continues the conversation started by Stone and Campbell two centuries ago on the American frontier

Becoming a Disciple-Making Church Neil T. Anderson, 2016-01-26 Proven Methods for Turning Believers into Disciples What does it mean to grow a convert into a disciple And how do we help our people get there Neil Anderson's Freedom in Christ ministry has been walking individuals through these steps for over a quarter century Now he turns his attention to pastors and church leaders teaching them how to help their people resolve personal and spiritual conflicts including everything from difficult marriages to unrepentant sin to church disputes Before someone can mature spiritually they must be established alive and free in Christ through genuine repentance and faith in God This means churches must resolve their people's conflicts as the first step to discipleship rather than referring them to professional counselors We as believers have the answers for mental and emotional problems and through this ministry of reconciliation true discipleship happens
