Manifestation Steven Bereznai, 2021-09-14 My name is Caitlin Feral and I m about to face my final Testing Day My younger brother and mom hope I return that I survive the tests which is not a given and that I am still a dreg They want me to stay here with them to keep what s left of our family together They want me to stay here in the shadow of the Genetic Wars with mutant animal attacks protectors in faceless helms eager to catch us in the slightest infractions and a menial work placement that s waiting with my name on it if I fail the tests But that s not what I dream about In my dreams I can lift a bus I can fly I

have to Manifest If I do my classmate Lilianne and teacher Mrs Cranberry will stop their bullying and I can leave the danger and the dirt and the lack of food and medication and move to Jupitar City to be adopted by a Supergenetic family That s the promise if Testing Day doesn t kill me first I barely got out of there They re not afraid to kill us They re not afraid to kill you That s what my classmate Normand said after he returned from his testing barely able to stand But he s soft I m not right The Treaty will protect me and the Supergenetics can only test within reasonable parameters to find their own kind but the terror and pain in Normand s eyes makes me sweat and my heart race What if the rules have changed And what if I am a mere DNA regular What if I m nothing like the Supergenetic heroes I read about in the comic books they send us from Jupitar City Today I find out And I do know one thing I would rather die trying than be stuck being me for the rest of my life DON T BE DNA REGULAR BE GENERATION MANIFESTATION The action packed heart pounding adventure of Gen M begins here Warnings for fans of strong female protagonists LGBTQ positivity important neurodiverse characters unexpected heroism unexpected villainy and other unpredictabilities Earlier version published as I Want Superpowers Fans of Hunger Games Divergent 1984 Brendan Sanderson s Steelheart or Marvel s X Men and X Force will love Generation Manifestation A richly realized dystopian world that reads like The Hunger Games meets X Men Ryan Porter The Toronto Star A teenager must determine where her true alliances rest in Generation Manifestation a dark dystopian novel directed by tough choices and earned wisdom with heartrending twists Foreword Clarion Review I LOVED THIS it s on my list of the best books I ve ever read You think you know what is going to happen but you have no idea how many times my predictions were wrong Elizabeth Sagan MyBookFeatures One of the best things about this book was in the start I expected it to take the same beaten path But it subverted my expectations And I couldn t predict where the book was going next Ananya B Goodreads When I finished the last page I had to close my eyes for a second and try to keep my mind together I am not sure if it was an ending or a new beginning This book is hands down my favorite so far this year It was easy to read very well written and detailed Books of Cat Goodreads This book had the perfect mix of world building character development and rich content that were tied beautiful
