Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts James Flood, Diane Lapp, Shirley Brice Heath, 2004-09-22 In an era characterized by the rapid evolution of the concept of literacy the Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts focuses on multiple ways in which learners gain access to knowledge and skills The handbook explores the possibilities of broadening current conceptualizations of literacy to include the full array of the communicative arts reading writing speaking listening viewing and to focus on the visual arts of drama dance film art video and computer technology The communicative and visual arts encompass everything from novels and theatrical performances to movies and video games In today s world new methods for transmitting information have been developed that include music graphics sound effects smells and animations While these methods have been used by television shows and multimedia products they often represent an unexplored resource in the field of education By broadening our uses of these media formats and genres a greater number of students will be motivated to see themselves as learners In 64 chapters organized in seven sections teachers and other leading authorities in the field of literacy provide direction for the future I Theoretical Bases for Communicative and Visual Arts Teaching Paul Messaris Section Editor II Methods of Inquiry in Communicative and Visual Arts Teaching Donna Alvermann Section Editor III Research on Language Learners in Families Communities and Classrooms Vicki Chou Section Editor IV Research on Language Teachers Conditions and Contexts Dorothy Strickland Section Editor V Expanding Instructional Environments Teaching Learning and Assessing the Communicative and Visual Arts Nancy Roser Section Editor VI Research Perspectives on the Curricular Extracurricular and Policy Perspectives James Squire Section Editor VII Voices from the Field Bernice Cullinan and Lee Galda Section Editors The International Reading Association has compiled in the Handbook of Research on Teaching Literacy Through the Communicative and Visual Arts an indispensable set of papers for educators that will enable them to conceptualize literacy in much broader contexts than ever before The information contained in this volume will be extremely useful in planning literacy programs for our students for today and tomorrow Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This multidisciplinary handbook pulls together in one volume the research

on children's and young adult literature which is currently scattered across three intersecting disciplines education English and library and information science American Book Publishing Record, 2001 How Drama Activates Learning Michael Anderson, Julie Dunn, 2013-08-01 How Drama Activates Learning Contemporary Research and Practice draws together leaders in drama education and applied theatre from across the globe including authors from Europe North America and Australasia It explores how learning can be activated when drama pedagogies and philosophies are applied across diverse contexts and for varied purposes The areas explored include history literacy oracy and listening health and human relationships education science democracy social justice and global citizenship education bullying and conflict management criticality digital technologies additional language learning Drawing on a range of theoretical perspectives the contributors present case studies of drama and applied theatre work in school and community settings providing rich descriptions of practice accompanied by detailed analysis underpinned by the theoretical perspectives of key thinkers from both within and beyond the field of drama Handbook and Guide for Selecting a Career and Preparing for the Future, 1987 Praeger Handbook of Urban Education Philip M. Anderson, Kecia Hayes, Joe Kincheloe, Karel Rose, 2006-03-30 Maintaining that urban teaching and learning is characterized by many contradictions this work proposes that there is a wide range of social cultural psychological and pedagogical knowledge urban educators must possess in order to engage in effective and transformative practice It is necessary for those teaching in urban schools to be scholar practitioners rather than bureaucrats who can only follow rather than analyze understand and create Ten major sections cover the myriad issues of **Disability Theatre and Modern Drama** Kirsty Johnston, 2016-04-21 Bertolt Brecht s urban education as it exists today silent Kattrin in Mother Courage or the disability performance lessons of his Peachum in The Threepenny Opera Tennessee Williams limping Laura Wingfield in The Glass Menagerie and hard of hearing Bodey in A Lovely Sunday for Creve Coeur Samuel Beckett's blind Hamm and his physically disabled parents Nagg and Nell in Endgame these and many further examples attest to disability s critical place in modern drama This Companion explores how disability performance studies and theatre practice provoke new debate about the place of disability in these works The book traces the local and international processes and tensions at play in disability theatre and offers a critical investigation of the challenges its aesthetics pose to mainstream and traditional practice The book s first part surveys disability theatre s primary principles critical terms internal debates and key challenges to theatre practice Examining specific disability theatre productions of modern drama it also suggests how disability has been re envisaged and embodied on stage In the book s second part leading disability studies scholars and disability theatre practitioners analyse and creatively re imagine modern drama demonstrating how disability aesthetics press practitioners and scholars to rethink these works in generative valuable and timely ways

The Oxford Handbook of the Global Stage Musical Robert Gordon, Olaf Jubin, 2023-11-14 The stage musical constitutes a major industry not only in the US and the UK but in many regions of the world Over the last four decades many

countries have developed their own musical theatre industries not only by importing hit shows from Broadway and London but also by establishing or reviving local traditions of musical theatre In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical presents new scholarly approaches to issues arising from these new international markets The volume examines the stage musical from theoretical and empirical perspectives including concepts of globalization and consumer culture performance and musicological analysis historical and cultural studies media studies notions of interculturalism and hybridity gender studies and international politics The thirty three essays investigate major aspects of the global musical such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems Together they conduct penetrating comparative analysis of musical theatre in different contexts as well as a survey of the transcultural spread of musicals **Aeso's Fables**, **The Creepy Creeps of Pilgrim Road** Dave Reiser,1993**
