*A Study Guide for James Thurber's "Secret Life of Walter Mitty"* Gale, Cengage Learning, 2016-07-12 A Study Guide for James Thurber's *Secret Life of Walter Mitty* excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. **How to Teach American Literature** Elizabeth McCallum Marlow, 2017-09 How does one keep classic books alive for young people today and teach them that literature is instructional and delightful? How does the teacher foster a classroom environment that encourages student participation and promotes enjoyment so that teenagers learn to appreciate literary study? More specifically, how can teachers cover centuries of American literature with students who don't appreciate why they should read material written centuries ago about people and issues that appear to be irrelevant to life today in a language that seems esoteric? The author of this series of high school teaching guides addresses these issues. *How to Teach American Literature: A Practical Teaching Guide* provides a detailed resource for teachers or anyone interested in an in-depth study of the subject. This second book in the series covers American literature from the Puritan era to contemporary works. Included are suggestions for cultivating a love for literature, teaching techniques, detailed analyses of each work, questions for review and test questions with suggested responses, essay topics, audiovisual aids, classroom handouts, and recommended books that enhance teaching. The author emphasizes two basic reasons for teaching literature: it is instructional and delightful. This book provides a comprehensive methodology for teaching the subject that a teacher could apply to one year's lesson plans without further investment in time. Elizabeth McCallum Marlow has developed quality comprehensive guides for the teaching community based on her thirty-five years of experience and her passion for literature. Teaching professionals will find her tried and true practices to be invaluable. Johnathan Arnold, MBA, M.Ed., D.Ed., Min. Headmaster, Covenant Christian Academy, Cumming, GA. *Readers' Guide to Periodical Literature*, 1945 *Black Smoke* Margaret De Wys, 2009-01-06 When composer and Bard College music professor Margaret De Wys learned she had breast cancer, the diagnosis shattered her comfortable life. Seized by fear, crushed by existential loneliness, she couldn't respond when her loved ones reached out to her. To everyone's concern, the illness propelled her away from her family and deep into the Amazon to work with Carlos, a charismatic Shuar master of *medicina milenaria*, an ancient mystical tradition with a highly sophisticated and precise technology of healing. In *Black Smoke*, De Wys writes of her amazing encounter with Carlos as he guided her into a world of potent visionary plants, harrowing initiations, and ritual purification. It was, as Carlos called it, the path of the warrior. At once an adventure story, a romance, and a rich exploration of a little-known culture, *Black Smoke* is destined to become a classic. It captures one woman's physical, emotional, and holy voyage through a world that differs vastly from our own in its perception of healing and wholeness. And what emerges is a revealing chronicle of spiritual insight and a trenchant exploration of the

limits of idealism Not only does De Wys offer a probing look at how our modern technological culture can learn and benefit from indigenous wisdom but she also weaves a cautionary tale about how potentially dangerous it is on both sides to try to cross those frontiers
