Die Empty Unleash Your Best Work Every Day:

Die Empty Todd Henry, 2013-09-26 Most of us live with the stubborn idea that we'll always have tomorrow. But sooner or later all of our tomorrows will run out. Each day that you postpone the hard work and succumb to the clutter that chokes creativity, discipline, and innovation will result in a net deficit to the world, to your company, and to yourself. **Die Empty** is a tool for individuals and companies that aren't willing to put off their best work. Todd Henry explains the forces that keep people in stagnation and introduces a three-part process for tapping into your passion: Excavate (Find the bedrock of your work to discover what drives you), Cultivate (Learn how to develop the curiosity, humility, and persistence that save you from getting stuck in ruts), and Resonate (Learn how your unique brilliance can inspire others). Henry shows how to find and sustain your passion and curiosity even in tough times.

Die Empty Todd Henry, 2015-04-28 A must-read for anyone interested in moving from inspiration to action. Cal Newport, author of *So Good They Can't Ignore You*, says: "Most of us fill our days with frantic activity, bouncing from task to task, scrambling to make deadlines and chase the next promotion. But by the end of each day, we're often left wondering if any of it really mattered. We feel the ticking of the clock, but we're unsure of the path forward." **Die Empty** is a tool for people who aren't willing to put off their most important work for another day. Todd Henry explains the forces that lead to stagnation and introduces practices that will keep you on a true and steady course. The key is embracing the idea that time is finite, so you should focus on the unique contribution to the world that only you can make. Henry shows how to sustain your enthusiasm, push through mental barriers, and unleash your best work each day.
