Flipping Brilliant A Penguins Guide To A Happy Life:

Flipping Brilliant Jonathan Chester, Patrick Regan, 2008-03-15 Award winning nature photographer Chester captures the essence of the Antarctic's most popular residents to illustrate the similarities between penguins' lives and ours and those of people

Flipping Brilliant Jonathan Chester, 2009-01-01 The more you find out about penguins the more they seem to have in common with another oddly endearing flightless biped Namely us Flipping Brilliant Think March of the Penguins meets Life's Little Instruction Book by way of National Geographic Award winning nature photographer Jonathan Chester captures the essence of the Antarctic's most popular residents to illustrate the similarities between penguins' lives and our own Patrick Regan's clever narrative offers surprising insights and humorously entertaining life lessons The appeal of penguins is undeniable and universal And we can learn a lot from these fat funny birds Lessons like The meek sleep alone It's better to be smart than cute and You can be too thin After all the book explains if the Olsen twins ever get locked in a walk in cooler for days and are forced to live off their own body fat they're goners Penguins They're good for months Flipping Brilliant includes helpful environmental information about the penguin habitat and the effects of global warming including Web sites that show how you can help

Face to Face with Penguins Yva Momatiuk, John Eastcott, 2009 Discusses the nesting habits diet family and social lives of penguins and the current threats to their habitats

Zen Penguins Jonathan Chester, Patrick Regan, 2016-01-12 The obstacle is the path Live the life in front of you Be Still Stay Chill What better creature to teach us to live in the moment and be flexible and chill out so we won't flip out than the biped birds at the bottom of the earth Penguins are intuitive practical and cooperative they naturally know the art of keeping chill Jonathan Chester's renowned penguin photography whimsically illustrates the sage Zen wisdom presented here in every enlightened spread With their preternatural composure it's easy to imagine penguins as little Zen masters They are patient tolerant aware of their surroundings and live in the moment all tenets of the Zen philosophy A penguin's life is not an easy life and yet the Zen masters of the Antarctic waddle on What can they teach us As this little book shows quite a lot actually To endow animals with human emotions has long been a scientific taboo But if we do not we risk missing something fundamental about both animals and us Frans de Waal

A Rookery of Penguins Jilly Hunt, 2012-07 Describes how penguins exist together in rookeries

My Unflappable Mom Jonathan Chester, Patrick Regan, 2013-03-12 A photographic penguin filled ode to mom arriving just in time for Mother's Day from the successful team who created Flipping Brilliant and other top selling gift books Jonathan Chester and Patrick Regan's My Unflappable Mom is a loving tribute to the most rare of birds the incredible unflappable mom You know the type Band Aids Car pools Freshly baked cookies The 5th grade scale model of Mt Vesuvius she helped sculpt out of papier mache complete with pyrotechnics Chester's striking and intimate nature photographs of tuxedoed penguins and their young beautifully illustrate Regan's charming verse that honors those incredible unflappable moms who nurture and instill a spirit of adventure and independence in their young While it's a mom's job to be ever

watchful fiercely protective and deeply engaged in her children's lives it's also a mom's job to let go to send her young into the big scary world whether that means walking away without looking back on the first day of kindergarten or nudging them gently out of the nest as young adults In *My Unflappable Mom* Chester and Regan celebrate the relationship between mother and child while praising mom for being the rare bird that she is and that's definitely something to flap about Stay Cool Jonathan Chester, Patrick Regan, 2010-09-14 What does it mean to be cool The quality has always been hard to define but easy to identify James Dean Miles Davis They were cool Joe Montana scrambling in the pocket Steve McQueen riding a motorcycle Very cool To that list you can now add another towering paragon of cool the mighty polar bear In *Stay Cool* award winning polar photographer Jonathan Chester and writer Patrick Regan reveal the uncanny life lessons to be learned from polar bears those imposing but endlessly appealing kings of the Arctic Pithy clever and surprisingly heartwarming *Stay Cool* illustrates that these wild creatures with a strong sense of self and the ability to rely on their instincts have something useful to teach us all making this keepsake book a great gift for people of all ages To Love Is to Fly Jonathan Chester, Patrick Regan, 2009-10-20 Anyone who's ever been in love knows that this supreme emotion changes everything When love is real it sometimes feels like gravity itself doesn't quite apply In *To Love Is to Fly* this magical and powerful journey is told through photographer Jonathan Chester's stunning photography of penguins along with refreshingly heartfelt prose *To Love Is to Fly* is written from a me to you perspective making it a great gift for spouse partner or main squeeze Highlights include an image key denoting the type of penguin environmental features location details online resource links and facts about the different species in each photo With their upright stance and bemused expressions penguins are the most humanlike of birds Like us they sacrifice for their families are mostly monogamous and must adapt to survive in a rapidly changing world Also like us it's impossible for them to fly But doesn't love make anything possible An Old-Fashioned Christmas Patrick Regan, 2010-09-15 Nothing captures the magic of Christmas like the drooling face of a child and a cheap ass little fake tree *An Old Fashioned Christmas* In the tradition of *Holidays on Ice* and *Bad Santa* Patrick Regan counters saccharine seasonal sentiment with a dose of holiday noir Remember Christmases of old Simpler times when four year old orphans were used for market research and Santa could call a pretty elf Sweet Cheeks and not get slapped with a sexual harassment suit In *An Old Fashioned Christmas* author Patrick Regan collects images from the golden days of Christmas and pairs them with wryly sardonic captions to offer a reminder of what Christmas is really all about namely hobos orphans boozed up Santas pill popping housewives and the shattered dreams of adorable children Fans of Regan's *The Book of Bad Habits* will take twisted delight in his skewering of the most cherished and overstuffed holiday of all The 1940s 50s and 60s vintage photos are odd enough on their own but when Regan's caustic captions start flying no tradition is safe from mockery Christmas just ain't what it used to be and judging from the subversive gems in this more naughty than nice book we should all be extremely grateful for that *The Penguin Guide to Jazz on CD* Richard Cook, Brian Morton, 2004 A dictionary of information on
